## A Proclamation

By PAUL M. GODDARD, Mayor of Newton

There are thousands more of our men on the fighting fronts than at any time during the last three years. Their efforts have been spent in preparation for the final drives against the enemies of democracy and civilization. We at home have tried to do what we could to help. Our men have been fighting to preserve the right to live free lives for millions of men, women, and children the world over. We too, at home, have been fighting that men, women, and children may live—that they may live lives of equal opportunity, lives free, so far as possible, from want, sickness and distress. We have shared with others because we care, because we care enough for our neighbors to see that they are not victims of want and misfortune.

The Newton Community Chest, in cooperation with the Greater Boston United War Fund, has met the greater challenge and demands made upon it each year since our Country declared war. It is more necessary to do so now than ever before. The men and women in the fighting forces need our help more than ever, and we must not fail them.

Our Country has placed in the field the finest and best equipped army the world has ever seen. Some of the noblest young men have given their lives for their life's blood for the high ideals upon which this Country was founded. They are the great crusaders of all history, for they are struggling to save civilization itself. We in turn must equip a great civilian army to fight the enemies at home. We must equip that civilian army of Social Agencies, which has and will work for us, and which will guarantee help and opportunity to thousands who are in need in our City and in Greater Boston. Let us give gladly and eagerly in this hour of our Country's greatest need. Let our deeds carry this message to the boys across the seas, "You can count on us, we will not fail you now."

MARTHA ROWLEY and PRISCILLA FORD, Senior Girl Scouts of Auburndale, who have each given over 150 hours of service to the Newton Hospital begin a project in the laboratory under the watchful eye of Miss Stewart McLean, laboratory technician.

## Lt. Merchant Bombs Jap Ship In Philippines

A letter from the West Coast recently brought word to Mr. and Mrs. Harry P. Merchant of 205 Waban avenue of how their son, Lt. (jg) James E. Merchant, 25, torpedo plane pilot, bombed a Jap cruiser with 100-pound bombs in the recent battle of the Philippines.

So hastily did the American aviators have to take off from their escort carrier because of Jap air attacks they did not have time to change their light personnel bombs for blasting troops ashore for heavier bombs or torpedoes.

But when they sighted two Jap cruisers they went in on a bomb run. Com. Keighley laid six of his bombs along the deck of one cruiser. Lt. Merchant's bombs straddled the other vessel and both flyers got back safely.

Lt. Merchant left the University of Maine in 1942 to enlist as a Naval Air Cadet. He won his wings a year later. Several months ago he went into the Pacific fighting zone on an escort carrier. One of his sisters, Virginia, is a student at the University of Maine; another is at Warren Junior High School, Newton. His father is manager of Sears Roebuck's Cambridge store.

## Newton Centre Garden Club

The Newton Centre Garden Club will meet on Monday, November 6th at 10 a. m. at the Newton Centre Woman's Club.

Coffee will be served, followed by an illustrated Lecture (Motion Pictures in Color) by Mr. C. Russell Mason of the Mass. Audubon Society. His subject "Attracting Birds to the Victory Garden" promises to be of vital interest to all Newton Victory Garden enthusiasts.

Voluntary Donations for the Thanksgiving Basket for the Fruit and Flower Mission will be gratefully accepted. No perishables can be used.

Guests are welcome, as always, for the usual guest fee.

## Mayor Goddard Pays Tribute to Newton Federation

The Fall Conference of the Newton Federation of Women's Clubs met at the Elliot Church, Newton, Monday, October 30th. Miss Adelaide Ball, the new president, introduced Dr. Ray A. Eusden who delivered the Invocation. Mrs. David Black, President of the Newton Community Club and Mrs. Frederick S. Bacon, President of the Social Science Club as co-hostesses of the day, brought greetings from their respective clubs. His Honor, Mayor Paul H. Goddard of Newton, brought greetings from the City Government and spoke of the future plans and co-operation in the various departments.

The City of Newton has enlisted the aid of a representative group of men to study and get a clearer concept of more than the surface needs of our returning veterans. The Mayor also spoke of the keen interest in the coming election as evidenced by the 4500 new voters.

One thousand high school boys and girls have been invited as guests of the City of Newton to a Halloween Party to be held at the Totem Pole, Auburndale.

Mayor Goddard lauded a program of education which is being sponsored by the American Legion called the "Boys State" in which the boys are taught that there is nothing wrong with our form of government and they are also taught how to become good citizens.

The wonderful work being done by competent supervisors of the various playgrounds was also cited and tribute was paid to the late Chief of Police, Michael T. Hughes. A glowing tribute was paid to the various Women's Clubs in the Newton Federation and their more than three thousand members who are working and striving for Victory and a better world peace.

Mrs. Richard H. Davis, Director of the Twelfth District, spoke of her admiration for the Women's Clubs in the Newton Federation and their position in the planning for the problems of today and the future. Mrs. Davis extended a general invitation to attend the Twelfth District Conference, November 13th at the Newton Centre Women's Club.

## Newton Highlands Womans Club

The Newton Highlands Womans Club will meet at 2 p. m. on Tuesday, Nov. 7, at the Congregational Parish House. Three solo artists of proven ability unite in a most unusual program—Rhoda Joann, pianist and composer; Mary Nevary, dramatic soprano; Marjorie Shepherd, narrator and monologist—all in "Tapestries."

## W. N. Women's Educational Club To Meet

Friday, November 10, the West Newton Women's Educational Club will hold a meeting at 2 o'clock in the Second Church Parlor. Mrs. C. Warren Howe will conduct a business meeting and will then turn the meeting over to Mrs. Frank Ogilvie, program chairman. Mrs. Ogilvie will introduce Helena Studinska, an accomplished violinist and Sofia Stumberg, pianist who will entertain with a program of Polish Music. Readings will be given by Mrs. Miriam Cahalin of the Leland Powers School. After this interesting program, tea will be served in the tea room with Mrs. Ralph Nutter as hospitality chairman for the day.

Special guests of the day will be members of the Blind Circle of Newton. Before and after the meeting and the program, the Ways and Means Committee will conduct a sale of aprons and smocks, also household articles and home cooked food. Members and guests have an interesting afternoon to look forward to and enjoy.

## Guild of St. Francis

The next Monthly Round Table Meeting of the Guild of Saint Francis of Newton will be held Monday, November 6, at two-thirty at the home of Mrs. Gael Coakley, 25 Manor House road, Newton Centre. Mrs. Vincent L. Greene, President of The League of Catholic Women, will speak on "Volunteer Work for Catholic Women."

The Guild will hold Old Timers' Night, featuring Square Dancing and Community Singing, Tuesday, November 14, at eight o'clock at the Sacred Heart School Hall. Mrs. George Shannon will be Chairman of the event.

## Housekeeping Hazards in China

On November 9th the Newton Community Club will hear the wife of a medical missionary, Mrs. Hugh Robinson, whose husband was interned by the Japanese in Manila for twenty-nine months. Mrs. Robinson calls herself a Norwegian Yankee as she was born in Norway, but graduated from the Massachusetts General Hospital and served with an evacuation hospital, No. 1, at the front from 1917 to 1919. She has lived sixteen years in China, but is now a resident of Newton. Her sense of humor helped her through the inevitable difficulties which an American woman would meet when bringing up children in the Far East. Because of her close contacts with Chinese friends she has a wealth of knowledge and an entertaining way of portraying it.

# WAR FUND RESIDENTIAL DIV. LAUNCHES CAMPAIGN

Left to right: Nicholas W. Danforth, Lawrence B. Damon, Thomas E. Shirley, Mayor Goddard, Clark E. Woodward, President of Chest

Announcement was made by radio over Boston stations Tuesday morning, October 31, that Newton had gone over the top in the War Fund Campaign. This announcement was in error, as the publicity released to the radio stations was to the effect that the Municipal Division in Newton had gone over the top. The Municipal Division goal is \$9000, while the goal of the entire Fund in Newton is \$305,000.

Leading all other groups in the Greater Boston United War Fund Campaign, the Municipal Division of Newton announced at the opening dinner of the Newton Community Chest Campaign last Monday night that it had reached 105 per cent of its goal. This is the first time in a United War Fund Campaign that any Newton division has ever been able to announce that it had gone over the top on the opening dinner date, and great credit goes to A. A. Robertson, chairman of this Division; Dr. Homer W. Anderson, chairman of the School Section, and Malcolm A. Warren, chairman of the General Section. Closely following the Municipal Division is the Mercantile Division, which announced 84 per cent of its goal; the Manufacturing Division is 74 per cent of its goal, and the Advanced Gifts is 57 per cent. The total amount announced by these four Divisions amounted to \$120,744 or 39.2 per cent of the total Newton goal of \$308,000.

The Residential Division launched its campaign with the opening dinner which was attended by approximately 1000 workers who started on Halloween to call on their 20,000 or more potential prospects throughout the city assigned to this group. The opening meeting started with dinner at 6:30 p. m. with Sailer catering and a United States Coast Guard Band supplying the music. Dr. James Gordon Gilkey of Springfield, Mass., was the principal speaker of the evening and gave an outstanding talk on "The Meaning of America." Dr. Gilkey not only told his hearers of the great privilege it is for Newton citizens to be part of (Continued on Page 2)

## Mr. A. M. Davis To Speak

On Friday afternoon, November 3, at 2:30, Dr. and most m. Qh sistant Extension Horticulturist at the Massachusetts State College in Amherst, Massachusetts, will speak on the topic, "Flowers Indoors and Out," at the Newton Centre Woman's Club. He will discuss the things to be done in the early fall, etc., illustrating his points with colored slides, then discuss the growing of plants indoors, using the same system of illustration.

This lecture is open to the public and all club members and their guests are cordially invited to attend. Tea will be served immediately after the lecture.

The committee in charge includes: Mrs. William H. Waterfall, Chairman; Mrs. Everett C. Winslow, Vice-Chairman; Mrs. George M. Bernier, Secretary and Treasurer; Mrs. John P. Brown, Mrs. W. Irving Carney, Mrs. James A. Downing, Mrs. Marion W. Dunnell, Mrs. Ralph B. Emery, Mrs. Clement Esty, Mrs. Edwin A. Harris, Mrs. H. N. Jenkins, Mrs. H. Francis Jonsberg, Mrs. Harold R. Keller, Mrs. Hewitt MacPherson, and Mrs. Wendell R. K. Mick.

## Hallowe'en Observed At Newton Community Club

Newton Community Club opened its second meeting of the season October 26 in the Underwood School hall with the president, Mrs. David Black in the chair. The audience with Mrs. Norman L. Shipley at the piano, rose and sang one verse of our national anthem, after which the secretary's report was read and approved. Mrs. Black voiced the regret of the Club in losing our corresponding secretary, Mrs. Samuel Johnson, who is moving to New Jersey, and presented her with a corsage.

The following announcements were made: dessert bridge to be held at the home of Mrs. Henry Harriman on November 1st. Mrs. Alban F. Rosene asked for donations of candy, nuts or money for the bridge party of November 1st. American Red Cross nursing courses to be given this season. (Continued on Page 2)

To the Citizens of Newton:

The Hallowe'en parties this year were far more successful than ever before, and we have every reason to be gratified. The evening was thoroughly enjoyed by both old and young, and I want to thank all who participated. We are all busier than usual, and in spite of war activities and our many duties the extra effort was made by everyone. We sincerely appreciate your wholehearted participation and cooperation.

Most cordially yours,

Paul M. Goddard, Mayor

## War Fund -

(Continued from Page 1)

a democratic form of government, but also emphasized the further privilege of being allowed to contribute voluntarily to such worthwhile causes as that of the Greater Boston United War Fund.

Thomas E. Shirley, Campaign Chairman in Newton, presided at the meeting and introduced Mayor Paul Goddard, who read a proclamation, printed elsewhere in this issue. Clark E. Woodward, president of the Newton Community Chest, welcomed the army of workers present and spoke highly of the splendid leadership being given the campaign this year and of the fine group of workers assisting Mr. Shirley.

Henry A. Laughlin, General Chairman of the Greater Boston United War Fund, asked Newton citizens to show that they care, and Lawrence B. Damon, chairman of the Residential Division in Newton, said to his workers, "Let's show we care." Both Mr. Laughlin and Mr. Damon gave talks on the new agencies in the fund this year and gave many illustrations why contributors should give more.

An outstanding feature of the program was the reception given to Ralph F. Robbins, a member of the U. S. Army Infantry, who landed in Normandy on D-Day. Sgt. Robbins had his leg broken in 17 places and is carrying 75 bits of shrapnel in it. During the five minutes allotted to Sgt. Robbins, he told from his own experience of the great work being done by the USO and the other partners in the National War Fund and read a letter that, when facing danger, he wrote to his small children, which brought tears to the eyes of his audience.

The first report night of the Residential Division will be on Friday, November 3, and Residential Chairman Damon is asking all Captains to make reports to Village Headquarters that night. The second report night will be on Monday, November 6, at which time it is hoped that those workers who have not been able to complete their cards by Friday will turn them in. The campaign officially closes on November 14, and there will be three other report nights at the banks to clean up the odds and ends of cards on Wednesday, Friday, and Monday, November 8, 10, and 13.

While the Municipal Division is reported as having reached its goal, there are still cards outstanding and further returns are expected within the week. The Mercantile Division is working intensively to reach its goal before the next week end, and the Advance Gifts Division is turning in substantial amounts each day. The Manufacturing Division has heard from practically all corporations in the city, and there have been many substantial increases. The work of employee solicitation is just under way, and it may be a week before the final returns covering employee gifts will be reported.

Village charts went up on Wednesday, November first. These charts have been changed in style and are most attractive with a blue outline which includes the feather and star symbol of the Greater Boston United War Fund. The thirteen Resident Villages and the five Division totals show on these charts in regular thermometer style, while the total results of the campaign will appear through the filling in of a large red feather.

Chairman Shirley, in launching the campaign has made this statement: "I am sure that all of the people of Newton will want to contribute to this once-a-year, one-for-all campaign. I am confident that they are ready to contribute now. I urge all workers to make their calls early so that we can reach our goal before November 14."

## Rotary Club

The Reverend Dr. Kalmann Friedman, Rabbi of Temple Emmanu-El, of Florence, Italy, spoke to the Newton Rotary Club Friday on "Fascism as I Saw It."

He explained how, when Italy was in difficult economic circumstances after the first World War, Mussolini came into power and with his formerly of Florence, Italy, spoke to the Newton Rotary Club Friday on "Fascism as I Saw It."

"Adam and Fallen Man" is the subject of the Lesson-Sermon to be read in The Mother Church and in all branches of the Church, on Sunday, November 5. The Golden Text, "Sin shall not have dominion over you: for ye are not under the law, but under grace," is from Romans 6:14. Other Bible citations include, "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth." and God saw everything that he had made, and behold, it was very good" (Genesis 1:26,31).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "With a single command, Mind had made man, both male and female. How then could a material organization become the basis of man? How could the non-intelligent become the medium of Truth? Matter is not the reflection of Spirit, yet God is reflected in all His creation" (p. 524).

## Amazing Record

"Better than 99 7/100% for safety!" That is the record of the Mutual Savings Banks of Massachusetts according to the most recent official report of the Commissioner of Banks to the Massachusetts Legislature. As a vivid illustration of the security of deposits in these mutual savings banks, he stated that every forty days (or more than 9 times during 1943 alone) these banks have paid out to their depositors in interest on deposits an amount equivalent to the total losses sustained in a century and a quarter.

The record of the Newton Savings Bank is even better for, in its 115 years' history, its depositors have sustained no withdrawal losses. This bank has safeguarded more savings and financed more homes and more educational programs than any other bank in its area. It is today one of the soundest as well as one of the oldest banks in the country.

Come right to headquarters if you are interested in planning a budget; saving systematically as occasionally; saving money on your life insurance premiums; obtaining a temporary loan with either collateral or endorssors, or buying, repairing or re-financing a home. (This bank can write any form of mortgage desired.)

You need no introduction—you incur no expense or obligation. A sound bank—a friendly bank—welcomes you.

## Kiwanis Club

Fourteen members of the Allston-Brighton Kiwanis Club were guests of the Kiwanis Club on Tuesday, October 31st. Announcement was made of the annual meeting and election of officers which takes place next Tuesday in Newton. Jack Janse reported on the work he and some of the other members have been doing at the Newton Hospital. Next week's speaker, according to Jim Riggs, will be Dr. Homer Anderson, superintendent of the Newton schools, who will speak on "Education."

Frank Battles, program chairman for October, introduced Mr. William T. Gaynor, assistant advertising manager of the New York Central Railroad. Mr. Gaynor spoke about the historical background of the Boston and Albany branch of the New York Central and told about how it was inaugurated in 1834. The Boston and Worcester Railroad which was really the beginnings of the Boston and Albany used to list Newton at one time as its western terminus.

with the railroad station located in the old Davis Tavern, the building of which is still standing. Mr. Gaynor told about the western extension of the railroad and how the crossing of the Berkshires was engineered by Major John Whistler, father of the famous painter. The romantic past of the railroad is equalled only by the thrilling events now taking place in railroad history. The railroad had a large share in the development of the United States and is now sharing in its preservation. He told about how American railroad men are serving in the armed forces and in foreign lands and of the acclaim they have received from both military and civil leaders. "Four features," he said, "make it possible for the railroads to render their present increased service: one, the co-operation of shippers and the public in general; two, the magnificent effort of the one million four hundred thousand railroad employees; three, the understanding on the part of government officials; and four, the mechanical efficiency of the railroads."

Mr. Gaynor proceeded to tell

some of his personal experiences as a train escort on a troop train conveying an entire mechanized division. He also told about serving in a similar capacity on a train carrying German prisoners of war. He cited statistics to show the increased use of railroads during wartime and told about the efficiency of mechanical devices which have this form of transportation. The daily movement of freight cars, he said, has been doubled. Such improvements as automatic switching and automatic train control have helped tremendously. The capacity of freight cars has been greatly increased and passenger traffic is breaking all records. In connection with the transportation of oil, he said, that the railroads are at present transporting more oil to the east than both the Big and Little Inch pipelines. Maintenance and replacement are two of the greatest problems being faced by the railroads today and in Mr. Gaynor's opinion the railroads must be given every facility with which to service and replace their equipment so that its efficiency in the present time of need will not be impaired. He said that the railroads anticipate keen competition after the war, but he expects that they will retain their present standing as the country's foremost public carriers. Many improvements now being perfected will enable the railroads in the future to render even greater service than in the past.

In the Mercantile Villages, Auburn, the Newton Center, Newton Highlands, Waban and West Newton were reported 100 per cent.

In the Mercantile Sections, Banks, Bank Employees, Package Stores, and Community Chest Agencies have gone over their goals.

### Newton Junior Community Club

The Newton Junior Community Club will celebrate its fifth anniversary in the form of a birthday party with mothers of members as guests on November 6 at 8:00 in the auditorium of the Newton Y.M.C.A. The Juniors, sponsored by the Newton Community Club, was organized under the leadership of Mrs. John L. MacNeil.

Miss Hazel Noyes, chairman of the Remembrance Committee, will be in charge of the meeting. The speakers will be Mrs. John H. Kimball and Mr. Charles Dasey. Mrs. Kimball, a fascinating and amusing speaker, lives in a most unusual apartment at T. Wharf and will tell of happenings there, past and present. Mr. Dasey,

head of the Civilian Defense in Newton, will talk to members regarding the Greater Boston United War Fund and will answer any questions regarding its work.

The business meeting will be in charge of Miss Ruth W. Aldrich, president. The vice-president, Miss Jane Mansfield will report on the recent dessert bridge at the Hunnewell Club and the Committee on War Work will report on the tea given in connection with the Newton Community Club at Lovell General Hospital, Fort Devens on Sunday, November 5. Announcement will be made by Miss Virginia Goodell, chairman of the Social Committee, regarding the Officers' Dance to be held in the Crystal Ballroom at the Hotel Puritan, Boston, on Saturday evening, November 18.

### Politics With Color

by P. W. C.

#### The Election

It is quite a task to write a column like this one full week before some 45,000,000 voters go to the polls and make one of the most momentous decisions in the history of the United States. Frankly, I am in doubt as to the outcome. It is apparent to most political analysts that this election may be one of the closest we have ever had. Indeed, it is conceivable that the result may not be known on Nov. 8. There are two reasons for this: first, there are, as I have previously stated in this space, some half-dozen states which will NOT complete their official count until some time in December. This is, of course, due to the fact that these states are giving their soldiers, sailors and marines extra time in which to return their votes from overseas. The other reason why the result may not be known by Nov. 8 is that there are quite a few states whose electoral votes MAY not be counted in accordance with the popular vote. This is true especially in the South, where one or two states have indicated that they will electors MAY cast a vote for some one other than F.D.R.

Now, let us assume that these two factors do not delay the determination of the result. What may we look for? Frankly, and quite apart from personal hopes or desires, it seems to me that Gov. Dewey will win, if he does win, by a rather narrow margin. Mr. Roosevelt, on the other hand, may surprise even his devoted followers by winning by a handsome plurality. If he does win, he can thank his lucky stars that the war is still in progress and that millions of voters MAY be timid about swapping horses in mid-stream. He can also thank his lucky stars that so pathetically few voters seem to realize the horrible possibility—really a probability—that IF F.D.R. wins it is almost certain that Senator Harry Truman, who was "cleared with Sidney" will become our President within a year and a half or two years. I earnestly ask all independent voters to study the recent photographs of our President and then determine in their own minds the length of time he can possibly hold out. I do not like to go back into the past, as the fourth-termers have been doing constantly, and make invidious comparisons, but have it occurred to my readers that there is a close resemblance to the photographs of Woodrow Wilson during his last years? Surely we need a strong man, a healthy man with full powers to guide us in the trying times ahead.

A word, now, about this Commander-in-Chief argument, which has once more been brought to the front. I'll grant that Mr. Roosevelt IS our Commander-in-Chief and that we are now winning the war in a big way. May I point out, however, that this argument cuts both ways. Mr. Roosevelt must accept full responsibility as well as collect all the glory. Have we forgotten Pearl Harbor so soon? Who was our Commander-in-Chief at THAT time? Mr. Roosevelt, of course. And who was responsible for that tragic disaster and the needless loss of lives and battleships? Certainly not Mr. Harding or Mr. Hoover, whom we hear so much chatter about every time we tune in our radio. And why, pray, are the American people forbidden to know JUST WHAT HAPPENED at Pearl Harbor? Could it be that it was Mr. Roosevelt himself who was primarily responsible and that he has deliberately covered himself up for three long years? Many of us who follow politics closely have been wondering when, if at all, Gov. Dewey may throw a hundred-ton block-buster at his opponent and reveal at least SOME of the true facts about Pearl Harbor. Watch for this in the closing days of this bitterly-fought campaign.

It is on the domestic front, however, that Gov. Dewey has all the better of the argument. F.D.R. leaves New York and the nation wallowing in debt before he winds up. Gov. Dewey's practice is to clean up messes and wipe out BOTH state debts and rack-renters. Think what a glorious job he could do in Washington, where one bureaucrat trips up over another as both wander around trying to find out what they are doing and why. And all this folly at the expense of the taxpayers, already staggering under the biggest tax-load in our history. Would it not be wonderful to pick up the papers in the morning and learn that President Dewey's brilliant cabinet had just met and arrived at several vital decisions? Would it not be a relief to have a President and a Congress working in complete harmony, ever co-operating and respecting the other's viewpoint? And the poor white-collar worker, who has no friend at court, no Sidney Hillman to work for his interests, no Kelly or Flynn or Hague—what of him under the leadership of a man like Gov. Dewey? You know and I know that this new forgotten man, the white-collar man, would at long last be given a chance to breathe, to find a decent job which is NOT "beat-down" to thank God that there is still a United States of America, where the Constitution is STILL respected by those in power and where we may once again have three distinct branches of government, executive, legislative and judicial, each minding its own business and thinking of America, first, last and always.

The State Election  
It may be that the wish is father to the thought, but I sincerely believe that Horace T. Cahill will be the next Governor of Massachusetts. It seems to me that only a Roosevelt landslide in this state can elect Mayor Tobin. If the Democrats want to be consistent and want to keep a winning team in the game, how can they possibly argue for Tobin's

election. Certainly, Lt. Governor Cahill has been a VITAL part of the winning state administration team for six long, crucial years. Gov. Saltonstall says so himself and he ought to know. Laugh that off, Mr. Tobin.

The women of Massachusetts are a splendid influence in our political life. Is it conceivable that many of these women will want to take a chance on another Democratic regime, with its customary waste and inefficiency, its scandals and its pardon racket? Is their memory so very short? I doubt it. Our Governor and his team of public officials have attracted national attention to such an extent that the Governor himself was seriously considered as a possible nominee for either President or Vice-President. Think that over.

Just a little side-thought. Mayor Tobin complains bitterly that Mr. Cahill seems to be running on what he terms Gov. Saltonstall's record. Well, Mr. Tobin, how about the brazen manner in which you are desperately hanging on to Mr. Roosevelt's coat-tails? Mr. Roosevelt doesn't even live in your own state, Mr. Tobin.

No. Man for man and record for record, I will take Horace T. Cahill. The ship of state will be in safe, strong hands. That goes for Bob Bradford, our new Lieutenant Governor, who will bury Mr. Carr NOT the Mayor Carr of Medford who made a good run in 1942. Fred Cook will give his lady opponent a terrible beating, which may not be gallant, but that isn't Mr. Cook's fault.

Barnes should beat Kelly, but the latter is dangerous, politically. Buckley will beat Goodwin, due, in part, to his magic name. Hurley will beat Burrell, which is as it should be.

RE-ELECT your fine Congressman, Christian A. Herter, in the Tenth district. He is the best-equipped Congressman we have

ever sent to Washington and he has carved out a very unusual record.

#### Referenda

If any of my readers care to take my say-so on the referenda, here is my carefully-considered opinion, based on the most recent developments. Vote "Yes" on No. 1, No. 4 and No. 5 and vote "No" on Nos. 2 and 3. No 3 is MOST important. We do NOT want to return to annual sessions of the Legislature. Believe-it-or-not, a "Yes" vote on No. 5 means you do NOT favor Beano.

#### Opening Meeting of Smith College Club

When Newton Smith College Club members gather for the opening meeting of the season on November 8, they will find in a small way much of the fun and gaiety of a reunion on campus in store for them.

Mrs. R. B. Cattell, the new president, has offered her home at 87 Highland street, West Newton, for the occasion and will be assisted by Mrs. Clark E. Woodward, Hospitality Chairman, in receiving their fellow-alumnae.

Under Mrs. Woodward's direction, a committee composed of Mrs. E. Prentiss Jones, Mrs. William Bassett and Mrs. Eugene Norton will serve dessert at 7:30 p. m., and immediately after the fun will begin. Just what it will be is something of a secret but in the capable hands of former president Mrs. John N. Eaton and her daughter, Mrs. C. Clark Macomber, it is sure to be appealing.

If there are any Smith Alumnae living in the Newtons whose names have not come to the attention of the secretary, they are more than welcome at this or any meeting and are asked to contact Mrs. E. Leslie Ford, 15 Cheswick road, Auburndale.

### The Exchange's Christmas Corner

The Oak Hill Exchange is well on its way toward becoming a thriving organization. Newtonites are discovering to their amazement how reasonably they can outfit their children in warm woollens for the winter months. And then there is the other half of the bargain; clothes that have seen little wear before they are outgrown can be turned into the Exchange at a profit to their owners.

The Christmas Corner is a new feature of the Exchange beginning on Thursday, the second of November. It will include bowling games, mechanical toys, dolls, pocket books and a variety of fancy gifts for baby and baby's big brother and sister.

One very good customer last week collected a fine group of harbor patrol boats, but she sent them home with a friend to keep them out of sight until Christmas.

Remember: Every Thursday from 8:30 a.m. to 11:45 a.m.

#### Lions Club

Mark L. Ball, superintendent of the Hospital Cottages for Children at Baldwinville, Mass., spoke before the Lions Club at the Y.M.C.A. in Newton at the weekly six o'clock meeting, on November 2. Mr. Ball gave a talk and showed two reels of colored moving pictures depicting the activities, medical care, school and rehabilitation work of Hospital Cottages. Hospital Cottages for Children is a charitable organization and cares for children from infancy to sixteen years of age. The institution was founded in 1882 and cares for Cardiac, Spastic, Epilepsy and congenitally deformed children.

## ON QUESTION

# VOTE NO 3

HERE'S WHAT OUR PRESENT AND PAST GOVERNORS SAY:

Governor Saltonstall said publicly on April 5, 1944: "The most efficient method is to have a legislative meeting biennially and to have a special session, if necessary, in the off year." The biennial system was also recommended by Governors Carr, Fuller, Allen, Curley and Hurley. Let's take their advice on what is best for Massachusetts. Vote "NO" on Question 3!

### From where I sit ... by Joe Marsh.

## It's Still Town Meeting In a Big Way

I got to pondering the other day about the coming election.

Not about who or what was going to win but whether the voters themselves would win.

Lots of times the folks don't seem to appreciate their privilege of expressing their opinion secretly at the polls.

When I was a boy, town meeting was the event of the year, a man had to be sick and to miss it.

From where I sit, all town, city, state—yes, federal, elections are nothing but the old-fashion town meeting on a large scale.

And believe me it's just as important for you and me to cast our vote on election day as it was for the old-timers to go to Town Meeting. And after all, the secret ballot is the essence of democracy—the form of government that makes America great.

So don't let America down. No matter how your politics are—no matter how you vote—go to the polls on election day and have your say. Rain or shine!

## GIVE ME A CHANCE WHEN I GET HOME

Graphically expressed is the resentment felt by many who are definitely fretting about a prohibition threat back home, according to competent observers returning from the far-flung battle-fronts. Servicemen dislike the persistent efforts during their absence of a small minority of professional prohibitionists to bring back prohibition, whether it be Federal or local. That such efforts continue is best reflected by a study of local option elections during 1942 and 1943, which indicates that the dries have purposely redoubled their efforts at a time when 10 million men have been called away to the service of their country.

During the years 1941-1944 the Alcoholic Beverage Industry paid to the U. S. Treasury, State and local treasury the sum of \$79,896,038.77. The industry has paid in Massachusetts alone since 1936 the staggering sum of \$187,343,035.77. THESE PAYMENTS HELP TO KEEP YOUR TAXES DOWN.

### Community Chest Communique

NOVEMBER 2, 1944

At the opening dinner of the Greater Boston United War Fund in Newton, October 30, \$120,744 was reported subscribed. The total goal is \$308,000.

The Municipal Division reported 105 percent of its goal reached with the Executive, Police, Water, Fire, Library, Assessors, and Welfare Departments over the top.

In the Mercantile Villages, Auburndale, Newton Centre, Newton Highlands, Waban, and West Newton were reported 100 percent.

In the Mercantile Sections, Banks, Bank Employees, Package Stores, and Community Chest Agencies have gone over their goals.

The first report night for the Residential Division will be Friday, November 3, when village bank headquarters will be open from 7:30 to 9:30 P. M. Other report nights will be November 6, 8, 10, and 13.

It will be the style the next few weeks to wear the red feather—Share Together... Wear the Feather.

Contributors should remember that their subscriptions do not go to the Fund but through the Fund to the many war and community services it supports.

Remember that by giving to the Fund you help maintain the spirit of our armed forces, extend a neighborly hand to our allies, and support our local established services for the health and well-being of our community.

## Citizens' Advisory Committee Explains Functions

At a recent meeting of the Newton Community Council, Charles B. Floyd, chairman of the Citizens' Advisory Committee, explained just how his committee functions to aid the returning veterans. Said Mr. Floyd: "The function of the Citizens' Advisory Committee for Returning Veterans is primarily one of co-ordination. There are many different agencies in the Community Council which offer different types of service, but there is no one organization set up to co-ordinate these various services. We familiarize ourselves with all the aids offered to returning veterans, and then we try to bring them together. The services of the Veterans Administration, what State and City organizations offer — so that we can guide them toward right counsel."

In the letter which the Citizens' Advisory Committee sends to a Newton man as soon as it is known that he has been discharged, they offer two services — a free medical examination, and a free photostatic copy of his discharge papers. These services are made possible through the co-operation of city departments. However, all problems of the ex-serviceman are of interest to the committee, and every effort is made to refer him immediately to the proper established agency which will be able to solve the problem completely and finally.

## Newton Upper Falls Woman's Club

The Newton Upper Falls Woman's Club will meet Monday evening at 7:30, at the Emerson School. Mrs. Charles Sheldon of Springfield, will lecture on home decorations and also display a fascinating exhibit of home crafts. Mrs. Richard H. Davis, 12th District Director, will be the guest of honor. Miss Helen Gentile will be hostess for the evening.

## Eastman - Lesprance

Announcement has been made by Mr. and Mrs. Adrian Lesprance of 10 Day street, Auburndale, of the marriage of their daughter, Miss Jean Lesprance to Ensign Frederic Bailey Eastman, Jr., son of Mr. and Mrs. Frederic B. Eastman, of 73 Madison Avenue, Newtonville.  
The ceremony was performed by Rev. Ralph H. Rogers, Ph.D. in the Auburndale Congregational Church on Friday, October 27.

**Francis X. Steffy**  
Funeral services for Francis X. Steffy, of 70 Garland road, Newton Centre, were held from his home on Friday morning. A solemn mass of requiem was celebrated in the Sacred Heart Church, Newton, by Rev. J. A. Hearn of Weston College, assisted by Rev. Bernard Winn, deacon, and Rev. James T. Cotter, sub-deacon.  
A group of nuns from the Resurrection Covenant, Philadelphia, Pa., were present at the Mass with Mother Mary Eleanor, a sister of the deceased. A delegation of 60 persons from the Yankee Network was led by Mr. and Mrs. John Shepard and a delegation of Knights of Columbus was led by members of Newton Council, Past Grand Knight John Gallagher, Sgt. Henry McCullough and Cpl. William McCarthy led a group of soldiers from the Boston Army Ordnance District.  
Burial was in Calvary Cemetery, Waltham, with prayers by Fr. Ahern and Fr. Cotter.

Mr. Steffy died suddenly at his home on Wednesday, October 25. He was in his 66th year. He was born in Littlestown, Pa., the son of George W. and Elizabeth (Eline) Steffy, and before coming to Newton had resided in Providence, Rhode Island. He was an executive of a Boston oil company, and a member of the Order of Railroad Telegraphers.  
Surviving him are his wife, Mrs. Frances (Welsh) Steffy, two sons, George W. of Needham, vice-president of the Yankee Network, and James E. Steffy, an auditor in the Army Ordnance, a daughter, Mrs. James St. Germain of Groton, Conn., a brother, Joseph H. Steffy of Readville and his sister, Mother Mary Eleanor of Philadelphia, Pa.

The annual conference of Massachusetts Federation of Planning Boards will be held at Wellesley on October 27-28.

**George Bigney Cameron**  
George Bigney Cameron, retired Newton building contractor, passed away Tuesday afternoon, October 31, at his home in Auburndale, after a long illness. He was the builder of many beautiful homes in Newton, Watertown and Wellesley.

Mr. Cameron was born in Guysboro, Nova Scotia, and was graduated from Pictou Academy, Pictou, Nova Scotia. He was a member of Mt. Washington Lodge of Masons for over forty years and also a member of the Newtonville Methodist Church.

He is survived by his widow, Mrs. Nellie Kennett Cameron, four daughters, Mrs. Charles L. Clayton of Baltimore, Maryland, Mrs. Floyd Buckland of Port Townsend, Washington, Mrs. Herbert L. Stevens of N. Madeline, Cameron of Auburndale, Massachusetts, and three grandsons. Also, four brothers, Hugh Cameron of Medford, Edward Cameron of Lethbridge, Alberta, Alexander Cameron and David Cameron, both of Guysboro, Intervale, Nova Scotia.

Services will be held at the home on Saturday afternoon at 2:30 p.m. Rev. Dr. Ralph H. Rogers and the Rev. Hamilton M. Gifford will officiate. Mr. Franklin G. Field will sing "The Old Rugged Cross" and "Abide With Me." Interment will be in Newton Cemetery.

**Fanny Louise Byers**  
Fanny Louise Byers, wife of John W. Byers, of 154 Lowell avenue, Newtonville, died on Tuesday, October 31.

Mrs. Byers was born in Roxbury, Mass., the daughter of J. Austin and Ellen S. Rogers, and had lived in Newtonville since 1895. She was a member of the Central Congregational Church where in former years she was very active. She was an honorary member of the Newtonville Woman's Club where she served as treasurer for nine years, honorary president of the Newton Branch of the Needlework Guild of America, and an officer of the Lucy Jackson Chapter, D.A.R.

Besides her husband she leaves two sons, John Rogers Byers of Norwich, Conn.; Major Joseph Byers, 2nd of Washington, D. C. Funeral services will be held at the Central Congregational Church, Newtonville, on Friday, November 3 at 2 o'clock. Rev. Randolph S. Merrill will officiate. Burial will be in the Newton Cemetery.

## Alaska Lecture Attracts Large Audience

A large and enthusiastic audience filled the auditorium of the Newton High School on Friday evening, October 27, when the Newtonville Woman's Club gave their annual benefit for their Scholarship Fund and other projects. The artist presented on this occasion was Mr. Harris Walter Reynolds, of Brookline, noted lecturer and photographer, who gave a remarkable account of the new Alaskan Highway and his colored motion pictures of Alaska.

Miss Estelle C. Marie, president of the Newtonville Woman's Club, graciously welcomed the large audience and introduced the special guest of the evening, His Honor, Mayor Paul M. Goddard, who warmly commended the Club for its philanthropic and cultural addition to the life of the City of Newton. Senator Austin J. Peckham, of Wellesley, brought greetings from his Excellency, Governor Leverett Saltonstall. Mrs. Harold W. McKusick, general chairman for the evening, expressed her appreciation for the use of the High School Auditorium and requested the audience to patronize the advertisers who had contributed so generously to the program. Miss Marsh then introduced Mr. Reynolds and expressed the sincere gratitude of the Club for the way in which Mr. Reynolds, at a moment's notice, stepped in to take the place of Mr. Herbert C. Lanks, the speaker scheduled for the evening, who was taken suddenly ill in New York City and rushed to the hospital for an emergency operation.

Mr. Reynolds' pictures of the Alaskan Highway and Alaska, were truly magnificent and well named "Alluring Alaska," the land of snow capped mountains, gold mines, salmon and seal fisheries, Indians, waterfalls, to name only a few of its attractions. Alaska is about one-fifth of the United States in size, contains over 586,000 square miles of which only slightly more than 500 are under cultivation. The Alcan (now officially named Alaskan) Highway which starts at Edmonton, Canada, 1681 miles in length, employed over 10,000 men in its construction, completing about one mile a day.

Marvellous colored motion pictures were shown of the Columbia Blue Glacier, of Mount McKinley, over 20,000 feet high, photographed between the hours of 2 and 6 in the morning, in this land of midnight sun; strange totem poles, which bear the genealogies of the Indian families, hundreds of unusual wild flowers, graceful sea gulls, found near the salmon runs.

Several fine musical selections were played by the High School Orchestra under the competent baton of Mr. James H. Remley, musical director of the school.

Assisting Mrs. McKusick, were Mrs. John E. Cox in charge of Advertising; Mrs. Clarence A. Wentworth, Program; Mrs. Henry C. Beltzung, Candy; Mrs. Edwin P. McGill, Ushers; Mrs. Clifford B. Whitney, Tickets; and Mrs. George I. Whitehead, Doors.

Tarrant of Brownwood, Texas.

The Mustang Group was cited for its outstanding performance of duty against the enemy on April 21, 1944. Despite having nearly reached the limit of their endurance after having flown over five hundred and eighty miles through almost insurmountable weather conditions, the P-51's fought off a total of sixty enemy fighters, in two groups of thirty each, which threatened the bomber formation. By destroying sixteen and probably destroying or damaging a number of others, the Mustangs enabled the seven groups of 15th Air Force heavy bombers, which had not received the recall signal sent out because of the adverse weather conditions, to complete a highly successful mission against the important enemy industrial and production centers in the Ploesti-Bucharest area of Rumania.

## Y.M.C.A. Official Resigns to Go to Paterson, New Jersey

Samuel H. Johnson, for three years City-wide Boys' Work Director and Director of Camp Frank A. Day of the Newton YMCA, is leaving November 15th to take a similar position in Paterson, New Jersey. Y.M.C.A. announced today by Clarence R. Mease, General Secretary. No successor has been announced as yet for this position.

During Mr. Johnson's stay in Newton he has made a real contribution to the youth life of our community. In addition to the hundreds of boys at Camp Frank A. Day, he has directed the activities for over eight hundred boys of our community in the "Y". He has increased the boys' membership by over two hundred during his service here. Mr. Johnson was especially active with the "teen age" group, having directed the activities of five Hi-Y Clubs. Recently he has also broadened the activities of the teen age group at the "Y". His leadership at Camp Frank A. Day during the war years has been outstanding. Despite the handicap of loss of leaders, his program has been excellent, and this past year the camp was filled to capacity.

While in Newton Mr. Johnson was active in community affairs and in State Y.M.C.A. activities. He was an active worker in the Newton Methodist Church, was Chairman of the Publicity Committee in the Newton Kiwanis Club, and was Secretary-Treasurer of the Massachusetts and Rhode Island Association of Y.M.C.A. secretaries.

Mr. and Mrs. Johnson will be the guests of honor at a tea on Sunday, November 6th, at the home of Mr. and Mrs. Arnold C. Barker to which members of the Board of Directors of the YMCA and various committee members and leaders have been invited. The Newton YMCA staff will give a farewell party to Mr. Johnson next Wednesday morning, November 8th.

The executive committee of the YMCA under the leadership of Frederick Sayford Bacon, president and the general secretary are busy endeavoring to secure a man to take Mr. Johnson's place. They hope to make an announcement in the near future.

## 37 Selectees Given Send-off

The Citizens Committee for Service to Newton servicemen tendered a send-off on Monday morning at 7:15 for the thirty-seven selectees who left Newton City Hall for Fort Banks, Wintthrop, to be inducted into the various branches of the armed services.

Rev. James T. Cotter of the Sacred Heart Church, Newton Centre, and Mayor Paul M. Goddard were the principal speakers. Roy S. Edwards, chairman of the Citizens Committee, was master of ceremonies and distributed travelling kits to the selectees. Refreshments were served by a Newton Red Cross canteen unit.

Hello Folks:

Am having a fine time and wish you were here! Just received your issue of Home News (Sept. 14) and battered as it was, it made me feel like a new man to know that the old home town still remembered me. The missile followed me all over the Pacific and finally dropped into my lap here. That little four page pamphlet did more to my morale than any movie star could hope to do. It wasn't just the news, it was the thought behind the paper itself. Frankly, I thought Newton consisted of a bunch of stuffed shirts, the Semper Fideles type, but now I don't know what to think. Well gentlemen, you can rest assured that this young Marine has somewhat changed his opinions. Now I've got not only a home but a "city" to come back to.

Sincerely yours,  
PATRICK L. FINELLI,

## New Campaign "For The New Citizens"

The Women's Division of the Newton War Finance Committee announces a new campaign, "Buy a Bond for Baby and Watch them Both Grow." A very special United States Treasury Certificate in color, and designed by Walt Disney will be given with every bond purchased for baby. David Ryan Landrey of 33 Chesterfield road, West Newton, was the first baby to receive a Certificate in Newton. The bond was purchased by his grandparent, William F. Ryan, and accompanying the gift was a note, quote, "You are too young to bear arms, but not too young to help finance your country in time of need. By helping now you may not have to bear arms later."

Bonds may be purchased at any of the banks where a receipt will be given which entitles bearer to a Treasury Certificate when presented at the Women's Division, Newton War Finance Committee, 297 Walnut street, Newtonville, Mass.

## War Fund 74% of Goal At Half Way Mark

The United War Fund Campaign in Newton at the end of the first week has raised \$227,845, which is 74 per cent of the total goal of \$308,000. On Tuesday noon when these figures were reported by the Newton Community Chest, the campaign in Newton was just half over, the official campaign dates being October 30 to November 14. A year ago for the same period the Newton percentage of subscriptions received was 79 per cent. It is pointed out by the Newton Community Chest office, however, that the campaign in 1943 ran for 2 1/2 weeks, while this year's drive runs for only two weeks. Consequently, the above comparisons are for seven days this year as against ten days last year. With a larger amount to be raised in the last seven days, intensive solicitation is continuing, and a greater number of calls than usual will have to be made this week end to get all returns in for the audit on Monday night, November 13, the day preceding the closing night meeting at the Newton Community Chest office.

The reports received to date have been most encouraging from the four divisions which did preliminary work on the campaign. It was announced last week that the Municipal Division had reached its goal of \$9000. During the past seven days additional returns have come in from this Division, the total figure now being \$10,031 or 11.5 per cent over the goal. The Advance Gifts Division has reached 83 per cent of its goal with Newton Highlands with 101 per cent, closely followed by Oak Hill with 95 per cent, Newton Centre with 91 per cent and Newton with 89 per cent. The Mercantile Division in this year divided into two sections, and each section is doing an unusually fine job. The Villages section which includes clubs and Chest Agencies has reached 96 per cent of its goal, while the Special section, including Special Accounts, Banks, Bank Employees, Automobile Agencies, Beverage Stores, Private Schools, and Men's Organizations, reports 72 per cent of its goal reached. When complete reports are in from all of these sections, the goal of the sections and the entire Mercantile Division would seem to be assured.

Mrs. L. Sumner Pruyne, Chairman, and Frank D. Hackett, Co-Chairman, are in charge respectively of these two divisions.

Of the twenty-six manufacturing concerns who contributed in Newton last year nineteen have already made subscriptions, and the increase of these nineteen concerns

average 42 per cent. The seven still to be heard from include the two largest contributors of a year ago, and assurance has already been received of further increases from these concerns. This is an outstanding showing from Newton corporations and much credit is due them for their splendid cooperation. Solicitation of employees is now under way in many plants and returns are expected to begin to come in this week with final returns in by closing night, Tuesday.

The Residential Division has had just two report nights up to Tuesday noon, with three more to come. Some of the Villages have turned in outstanding reports with Auburndale and Newtonville with 83 per cent and 81 per cent respectively, leading. In addition to these, Newton Highlands, Newton Centre, Chestnut Hill, Waban Hill, Newton, Lower Falls, Nonantum, and West Newton reported over 50 per cent. It is expected that by Saturday morning, when progress charts in the villages are painted in, there will be substantial changes from the figures shown above. Auburndale, under John F. Brown, Chairman, is following the example set last year by this village under Franklin K. Hoyt, in taking the lead at the start and if this village runs true to form, it will lead the Residential Division in reaching its goal first. Accounting for the splendid showing this year of Newtonville under William R. Mattson, Chairman, is a contest in which the two divisions made up of village workers and led by Frederic B. Eastman and Rodney C. Eaton are competing for subscriptions. These two divisions are soliciting Newtonville, the one under Mr. Eastman having the east side of Walnut street and the one under Mr. Eaton, the west side of Walnut street. The Captains of the losing teams are to provide a dinner for the Captains of the winning teams immediately after the campaign ends. Leader Eastman is in the lead at this writing.

Too much credit cannot be given the School and General Sections in the Municipal Department, each of these sections having exceeded their goals by more than 10 per cent. Another outstanding report comes from the Chest Agencies Section of the Mercantile Division. Under the leadership of Mrs. William B. Plumer, the executives and employees of the Member Agencies, including Newton Hospital, have already subscribed \$1694—or 34 per cent above their goal.

1895 and 1898 and of the first Sportsmen's Show in March, 1900. He entered the employ of the Boston Edison Company in November, 1900, and soon became superintendent of the company's service buildings at 1165 Massachusetts avenue. He has been a member of the Masons for 27 years.

## Community Clubs Entertain Servicemen At Camp Devens

The War Services Division of the Newton Community Club sponsored a tea for the servicemen at Lovell General Hospital (North), Camp Devens, Sunday, November 5, from 2 to 4:30 p.m. Mrs. John L. MacNeil, Chairman of the War Services Division and her Hospitality Committee, under the direction of Miss Marjorie W. Aldrich arranged the afternoon. Assisting at the attractive table were Mrs. Fred G. Howe, Jr., Mrs. Herbert J. Ham, and Mrs. Herbert Dwight, Senior Advisor to the Newton Junior Community Club. Fourteen members of the Junior Club, with their President, Miss Ruth W. Aldrich, assisted in the Recreation Room and the adjacent wards of the hospital where they served refreshments and entertained the patients during the tea hour.

In the absence of the customary Red Cross transportation, Mrs. MacNeil, Miss Margery MacNeil, and Mrs. Gertrude H. Ranney drove. Among the Junior members who assisted the Newton Community Club in donating and serving the refreshments were: Miss Betty Tobey, Miss Elizabeth Tashjian, Miss Harriet Tashjian, Miss Alice Andersen, Miss Eleanor Lord, Miss Gwen Lord, Miss Elizabeth Brown, Miss Annette Willey, Miss Miriam Morrow, Mrs. Herbert Hopkins, and Mrs. Thomas V. Seeley.

Another highlight on the week's calendar of the Newton Community Club was being one of the hostesses to the Newton Federation of Women's Clubs at their annual fall meeting. The bridge party held at the home of Mrs. (Continued on Page 5)

## Savings Bank Life Insurance Policies For Children

Beginning November 1, Savings Bank Life Insurance policies on children will provide increased benefits at no increase in rates, it is announced by E. F. Caldwell, State Actuary. The minimum age has also been reduced, and children from one month to six months of age will now be insured for the first time in the history of the system. No medical examination will be required for up to \$500 of insurance on children in good health at ages from one month to 15 years.

Pointing out that these increased benefits are made possible by the great decrease in infant mortality in recent years, Mr. Caldwell said that: "When Savings Bank Life Insurance was established in 1907, the death rate among infants in Massachusetts during their first year of life was 132.9 per 1000 live births. By 1917 the rate had decreased to 97.4; ten years later it was 64.7, and in 1937 it dropped to 43.8. During 1943, even with the hospitals understaffed and with so many of our physicians in the armed services, the rate was only 34.3 compared with the all-time low of 31.8 in 1942.

"The mortality table previously used assumed a death rate of 155 per thousand during the first year of life. At rate age 1, the benefit of a \$1000 policy was limited to \$160, increasing each year thereafter to the full face value at age 6. With the new mortality as-

## Newton Voters Give Republican Party Plurality

## Governor Saltonstall Given Largest Plurality In History of Newton

Of a total registration of 42,500 in Newton, 39,825 votes were cast at the polls in the election on Tuesday, with the Republican candidate, for President, Thomas E. Dewey receiving 25,268 votes and his opponent, President Roosevelt, 13,670. However, the Republican vote for president was not as strong as four years ago when Wendell Wilkie polled 25,629 and President Roosevelt received only 12,101 votes. In 1936 Alfred Landon polled 21,936 and Roosevelt received 10,964.

In the contest for governor, Lt. Horace T. Cahill polled 26,419 while his opponent, Mayor Tobin of Boston, received 13,253, the former polling more votes in Newton than Dewey, and Tobin polling less than Roosevelt. In the race for Lieutenant governor, District Attorney Bradford was given 28,167 votes while his opponent, John B. Carr, received 10,125 votes. In the contest for United States Senator, Governor Leverett Saltonstall received the greatest plurality in the city's history, polling 32,667 while Mayor Corcoran of Cambridge received only 6,175 votes.

Secretary of State Frederic A. Cook polled 29,196 votes, his opponent, Margaret M. O'Riordan, receiving 8,736. Congressman Christian A. Herter received 26,029 votes and William Carey, his opponent, received 11,739 votes in Newton, which is part of the 10th congressional district. In the State Representative contests, the Republican candidates

were the winners. Representative George E. Rawson being re-elected and John S. Whitmore winning the other seat in the Legislature, both winning by a large margin over their Democratic opponents, James P. Akins and Arthur S. Scipione.

See Table giving complete totals on page 2.

## Memorial Planned To Lt. Hanson

A contribution of \$6,000 has been made by the Board of Missions and Church Extension of the Methodist Church to a fund being raised for an athletic field for Woodstock School in Musoorie, the India Himalayas, as a memorial to the late Lt. Robert Murray Hanson, a graduate of the school, who as a member of the U. S. Marine Corps, was shot down with his plane while flying on an escort mission over Rabaul, New Britain on February 3, 1944.

Lt. Hanson was then reported as missing in action and in August his parents, Mr. and Mrs. Harry A. Hanson were notified by Gen. Vandegrift, commandant of the Marine Corps, that he had been listed officially as killed in action.

Lt. Hanson was 23 years of age. He was born in Lucknow, India, and received his education in India and the United States. His father is a missionary in India. The family home is at 31 Brooks avenue, Newtonville.

## Let's Fill it to the Brim

### LETTERS TO THE EDITOR

Dear Mr. Ahlin:

Please accept my thanks for the splendid publicity you gave the Newton Community Halloween Parties. It is through such publicity that we can stir up and maintain the interest in a program of this nature.

Our parties were a great success and I feel that what we set out to do has been thoroughly accomplished and this success is in no small measure due to the publicity given it in the Graphic.

Again I wish to thank you for your kind cooperation.

Sincerely yours,

E. A. Terkelsen,

General Chairman.

Letter to the Editor:  
As the campaign draws to a close I must thank you for the aid given not only during this campaign but also on many previous occasions.

It has always been my contention that any Prize Agent, Publicity Man, Public Relations or what have you, is only as good as his newspaper friends and his contacts make him.

You have been perfectly swell. You have often excused the mistakes that are always bound to crop up in the heat of a campaign. Best of all you have been tolerant and patient at all times. It is grand being a Publicity Man when you have such staunch friends as yourself.

Please be assured that this is all very sincere.

Cordially yours,

Floyd L. Bell,

Publicity Director,

Republican State Committee.

## Speech at the Annual Meeting of Newton Chamber of Commerce

WEDNESDAY EVENING, OCTOBER 25, 1944

By ROY S. EDWARDS, Vice President

Mr. President and Members of the Chamber:

Last February I was invited by our then President, Vincent C. Stanley, to give a short talk (subject to be my choice) at the March meeting. In casting around for a subject, I found many which could be discussed in the interests of our city, but one stood out above all in its importance at this time, and that is the centralization of civic efforts to take the form of a genuine and workable community center was chosen by me.

The reaction of the members to this talk was apparently very favorable, as I was requested to prepare it at length and in more detail for our Annual Meeting.

Our village make-up is awkward geographically for city-wide community projects. In most cities when one goes down town, there is one spot only to which one goes, and that is the center of the community. Here in Newton, however, we go down "Town" 13 times to the various villages. This, gentlemen, has for many years been a drag on the proper progress of a city wealthy with the calibre of citizenry as we are so fortunate to have within our boundaries.

Newton's Chamber of Commerce may be used as a good example of the benefits to be had from centralization. For many years it struggled valiantly under good leaders in its efforts to be a real asset to the community at large.

However, due to many of the village business groups working only to further the interests of their own sections, the Chamber could not function along the broad lines for which they were organized. The result of this lack of village cooperation and short sightedness, practically ruined commercially one important business section, caused another section with limited facilities to over-expand, and sent a few well known establishments to a section too remote for most of the villages that would have liked their services.

Today our Chamber is a flourishing go-getting institution, broad in its efforts, and producing results heretofore considered impossible. This condition now exists, because at long last our business leaders saw real merit in centralizing their efforts in one organization unhindered by the smaller groups thinking only of their particular village.

The Chamber of Commerce is in my opinion one of the best assets that Newton possesses. Its membership is made up of high grade business men representing every section of Newton. They know the important problems of the "Newton's" undeniably, and well they should, their business interests are here, their contacts are many, and due to their 24 hours of each day residence, their fingers are continuously on the pulse of public wants and opinions.

Please bear in mind that this organization is in no sense a pressure group, and that the plan to be outlined to you this evening is along the lines of constructive suggestions only.

We are definitely entering a new era which will require stepped up planning, and the cooperation of all elements of our citizens if we are to keep in stride with the important changes that surely will beset us.

Out of our total of 13 villages, perhaps about half of them really know what is going on and participate in important civic affairs. The other important portion of our taxpayers either are not informed or worse still, not invited or encouraged to help solve our civic problems by active participation in city wide progressive movements.

Perhaps it may surprise you to know that in Newton there are more than 11,000 foreign born. Add to this large number those of the 1st generation born here whose inclination perhaps is to follow in some measure the customs and thinking of their parents, and you have a sizable portion of our population. They if properly informed and encouraged will help the future of Newton no end. A community center will greatly aid efforts in this direction.

Those far sighted individuals who chose the site for our present City Hall, certainly must have had in mind just such a plan along the lines we are proposing tonight.

The City Hall is a fine nucleus around which to build a center for citizen activities.

We propose to expand this center already established many years ago, by the erection of a living memorial to the over 9000 patriotic fellow citizens who will have served in World War 2, the 2500 veterans of World War 1, and the survivors of the Spanish American War. It is suggested that it be one structure, so planned to care for three individual worthwhile civic needs. It is my considered opinion that the need for such a project is with us at this moment. However, whether that is a right opinion or not, I do predict that all will be cognizant of its necessity before very long.

The first unit of this memorial center, most of you will agree no doubt, is a must and a small portion of a debt of honor owed by all "Home Fronters" to the "Battle Fronters". You may argue that we already have a Memorial Building for the use of veterans. Quite true, Newton has one of the finest Veterans' Memorials in the country. It is and will always be a fitting memorial and a shrine to our dead of all wars. The auditorium unfortunately has very limited uses, and is not at all suited to most veteran activities.

The limited accommodations in the basement have never been adequate for the programs carried on by veterans organizations of World War 1. After this war we will have an additional 9000 or more veterans to accommodate, or a total of some 12,000 citizens

who have actively served in our wars.

No blame should or can be attached to the gentlemen who composed our city government at the time, as they erected for the veterans what they themselves in the majority requested.

Your City's Committee for Service to Newton Service Men, for over four years have left no stone unturned in their efforts to keep high the morale of our fellow citizens in the armed forces of our country. By their various committees and efforts I feel that it can be rightfully and truthfully said that this committee has contributed to a condition of Esprit de Corps and greater civic loyalty among our now over 8000 citizens serving in our far-flung battle areas. Newton has also a Citizens' Advisory Committee headed by Charles B. Floyd which is functioning daily in the interests of returning veterans, rendering services locally which otherwise would be unobtainable. This same committee has informed us that they are prepared and will do for all veterans from Newton when they return from the war.

The contents of hundreds of letters received by me from all parts of the world where Newtonians serve, justify me in telling you that these boys are highly proud of their home city and are looking forward with a proud feeling to the day when they can return to (as they express it) "Newton the city that has justified their willingness to make sacrifices."

Gentlemen, as citizens must live up to the letter to what they believe to be our genuine interest in their after-war existence among us. We should not wait 4 years as we did after World War One to prove to them that our thoughts and efforts were really of and for them. We must plan hard and well for these boys, beginning now and not procrastinate until we are certain of what day the war will end.

**Veterans' Building**

As a part of our debt of honor, plans for a suitable building containing a meeting hall, committee rooms, offices for organizations, library, and social quarters should be prepared and put into effect as soon as possible. We cannot afford to have such a period as after the 1st war when weary veterans were shunted from pillar to post with little or no facilities by which they could carry on their activities.

It is my opinion that they have social and working quarters as soon after war's end as is humanly possible. These quarters should be available to all veterans as well as veteran organizations day and night.

A uniform in war time is a great leveller, and our boys under the most trying conditions of war have come to understand much better than we at home the real democratic way of living. In war, class distinction is thoroughly eliminated and we should this way of practical living be continued in civilian life. A suitable rendezvous for all will go a great distance in achieving this end.

**Auditorium**

A large number of citizens feel that it's a bit of a case and a handicap to healthy growth, that there is no suitable auditorium within our city for the use of large public gatherings.

A structure of this nature will be more sorely needed than ever in Newton. If we are to expect Esprit de Corps in our civilian population, and to keep these admirable qualities in our returning men, a suitable central civic gathering place should be incorporated in our proposed community center. The benefits received from such a useful building will have much bearing on future progressive activities within our city.

Make-shift meeting places such as the Armory and High School Auditorium have solved nothing, and have in fact for years retarded the beneficial social activities attempted. Furthermore our use of these buildings has many times interfered with activities for which they were erected.

A central and adequate gathering place is essential if we wish to plan for our future way of life. Our over 12,000 veterans will certainly need such a building in which to hold their enterprises such as, conventions, balls, amateur shows and mass gatherings. The morale of our citizens will soar if we have a meeting place available to the humblest as well as the affluent. There is our large foreign born to be considered. Instructive programs along the lines of forums, and other civic gatherings should tend to make this group feel more at home among us, and their better understanding of the responsibilities of citizenship would naturally follow.

We all must realize that religious and racial tolerance must come to us if we are to make much headway in our plans for a peaceful existence. A civic auditorium could aid greatly our efforts along this line.

Newton's financial enterprises in the interests of our community chest and other fund raising projects, could be much enhanced if such a gathering place was available.

To sum up, a Civic Auditorium could be the means of creating a citizenry more tolerant, more aware of the grand city in which they live, build morale to a high point, thus instilling in all added loyalty and a much better understanding of each individual's value to his or her city. Last but not least, it will be a necessity if veterans' activities are to function properly.

**Health Center**

A Health wing would according to our plan become the 3rd and completing unit of this planned Community Center Building. This unit is an integral part which fits most importantly into the scheme of things to do with

constructive and progressive planning for the physical well-being of our future generations.

In spite of most municipal health departments being considered as "step child" of the official family, Newton has indeed done well with the limited facilities at the disposal of its health officer. Given the right tools our health head would undoubtedly return to the City of Newton within a reasonable period, dividends which would quickly amortize the investment required.

The tremendous number of our youths rejected for physical reasons during this war, should make us vividly aware of the desperate need for a community program of health education. We are told of localities where it was known that large numbers of youths around the age of 14 could have been made physically fit, had such progressive health planning been in operation. We do not advocate a body fitness program for future wars, but we do lay stress on the vast importance of doing all possible to prepare our coming generations physically for their entrance into the productive phase of their lives.

As does the Auditorium the Health Center will be of immediate benefit to our returning veterans. They will need local medical advice, preventive and curative treatments, and physical check-ups. The handling of our veterans of this war will of necessity become more and more localized, and we will be wise to foresee it.

A Health Center should be planned so that innumerable services could be rendered to the citizens at large such as: Clinics for T. B., V. D., alcoholism, anti-rabbi, vaccination and immunization. Children's eye, dental, health inspections and treatments should be made available in a properly laid-out and equipped building. A program on nutrition inaugurated on a permanent basis, and provided for from city finances. Facilities for child health and training as well as the other factors which caused such a heavy vote for the fourth-term candidate? Without question, the PAC of the CIO had great influence in many parts of the country. Nobody can dispute the fact that this organization succeeded in greatly increasing registration in thousands of key districts. That was not all: it went further and took steps to get voters to the polls on election day. The great bulk of this vote went, of course, to President Roosevelt and, in Massachusetts, to Mayor Tobin.

Next comes the much-disputed Willie vote. Despite heroic last-minute efforts by our distinguished Senator, Sinclair Weeks, and other prominent national leaders of the Republican party to persuade the voters that Willie would very likely have voted against the fourth term, had he been alive, it is obvious to your columnist that hundreds of thousands of ardent Willie followers have never reconciled themselves to Gov. Dewey as a good substitute for their idol. Without in the slightest degree belittling Gov. Dewey they seemed to sense that he was a man of smaller calibre, less vision and much less intriguing personality. Furthermore, they felt that Willie had shown himself to be far more independent and courageous, both in words and in action.

Consider, now, the influence of radio in the campaign. The challenger was excellent on the air. Many like him as well as the President. However, there were two things wrong with the whole picture. First, Gov. Dewey behaved like a lawyer prosecuting a case and tried to sway a stubborn jury. I'll grant that his technique was probably nearly perfect. And that was precisely the trouble: it was too perfect. It was too calm, cool and detached. There was not enough warmth and color and hear to the head and not enough to the heart. In peace-time Gov. Dewey might well have won handsily. In the midst of war, however, with the emotions constantly aroused, he would have taken a leaf out of F.D.R.'s book. The old master doesn't miss many tricks in a political campaign. Let us hope that he will be equally successful at the peace-table after the war is over.

The independent vote and the huge women's vote were two factors which the G.O.P. was counting on. Something went sour here. Perhaps the Mothers of men in the armed forces felt the strength of the Commander-in-Chief argument which was so incessantly played up. Perhaps, too, many of the independents did not fall for the Communist theme-song. It may have had some justification, but not nearly as much as its sponsors gave it. More about this later on.

Now that the battle is over, let us all be good Americans and turn our thoughts once more to the problem of winning an early victory and a satisfactory peace. The people have spoken and spoken decisively. In so doing they have once again shattered tradition and given their consent to a fourth term. Let us hope and pray that Mr. Roosevelt will be sobered by the stern contest which he was compelled to wage and will try hard to be the President of ALL Americans and not just the President of certain groups and factions. Finally, hats off to Gov. Dewey for making a grand campaign under the most difficult circumstances conceivable. He gave everything he had, but that was not enough.

**Governor Tobin**

As far back as July 20 I sounded the alarm in behalf of Horace T. Cahill. All I got for my efforts was some kicks in the shins and some dirty looks. By August 15, it was admitted that I might possibly know what I was talking about. Well, the results speak for themselves. What happened? In the first place, Mayor Tobin, realizing that he would be cut down in Boston, was smart and decided to tour the entire state and see if he could reduce the normal G.O.P. majority in Republican cities and towns. He could and he did. That is the meat of the coconut. Also he improved the situation in Democratic cities and towns. The result was that he could come up to Boston on election night and prepare to have his home city margin substantially reduced and still win.

## Politics With Color

by P. W. C.

### The Election

As this column is being written there are so many returns, both state and national, not yet officially reported, that it is impossible to do more than to analyze in a very general way the two major contests in which most of us are especially interested. I assume that we are all giving more attention to the victory of President Roosevelt and the rather unexpected landslide which enabled Mayor Maurice Tobin of Boston to wind down to defeat a man who has been victorious forty-five times in over twenty years of campaigning than we are to all the other contests.

Roughly speaking, it seems to me that what happened was simply this: the average voter throughout the country was afraid that a change in administration at this point in the world war would jeopardize our chance of winning a relatively speedy victory. Undoubtedly, too, many people were influenced by the last-minute statements in Russian and French newspapers, as well as by Prime Minister Churchill's known attitude toward the President. To be sure, if this foreign interference had taken place earlier in the campaign, it might well have proved a boomerang to Mr. Roosevelt. Mr. Churchill is always annoyed when we attempt to influence him in connection with a square deal for India. He says that that is strictly England's business. So is our national election OUR business. As Bill Cunningham so aptly phrased it, "Gov. Dewey was fighting the world." That proved too great a task, even for the brilliant and resourceful New York Governor.

Now, what were some of the other factors which caused such a heavy vote for the fourth-term candidate? Without question, the PAC of the CIO had great influence in many parts of the country. Nobody can dispute the fact that this organization succeeded in greatly increasing registration in thousands of key districts. That was not all: it went further and took steps to get voters to the polls on election day. Dewey might well have won handsily. In the midst of war, however, with the emotions constantly aroused, he would have taken a leaf out of F.D.R.'s book. The old master doesn't miss many tricks in a political campaign. Let us hope that he will be equally successful at the peace-table after the war is over.

The independent vote and the huge women's vote were two factors which the G.O.P. was counting on. Something went sour here. Perhaps the Mothers of men in the armed forces felt the strength of the Commander-in-Chief argument which was so incessantly played up. Perhaps, too, many of the independents did not fall for the Communist theme-song. It may have had some justification, but not nearly as much as its sponsors gave it. More about this later on.

**Harold A. Wooster Heads Fund Trustees**

A board of trustees consisting of Harold A. Wooster, chairman; Franklin K. Hoyt and F. Brittain Kennedy, has been appointed by Mayor Paul M. Goddard to administer the Read Fund and the Eliot Memorial Fund.

In the past these funds had been administered by a joint board, and when their terms expired no successors were appointed. Neither the fund disbursed any money last year according to the report of the City Treasurer. At the beginning of 1943 the Read Fund totaled \$47,548.42 and with the addition of income on investments grew to \$60,102.11 at the end of the year. The Eliot Memorial Fund totaled \$333.91 at the beginning of 1943 and with the addition of income totaled \$340.55 at the end of the year.

The chairman of the newly appointed board of trustees, Harold A. Wooster, is librarian of the Newton Free Library. Franklin K. Hoyt whose home is in Auburndale is treasurer of Houghton-Mifflin Company, a director of the West Newton Co-operative Bank and a former president of the Auburndale Men's Club. F. Brittain Kennedy, of Waban, is owner of a Boston investment company with the same name, and is vice-president and commissioner of Norumbega Council, Boy Scouts of America and chief air raid warden of Newton.

The Read Fund, was established under a legacy bequeathed to the city by the late Charles A. Read. The Eliot Memorial Fund was established by the Eliot Memorial Association, which also decided to the city a tract of land known as the Eliot Memorial Terrace.

## Planning for a Century of Peace

From the councils of Dumbarton Oaks to the family conclave of the folks who live next door to you—people great and small are planning for peace. Here at the Newton Savings Bank we're making plans, too... happy plans for a future that will include new homes—new businesses—new opportunities for the men and women it is our privilege to serve.

A savings bank has a peculiarly intimate relationship with its clients. It shares their problems of the present and their dreams for the future. This bank takes enormous satisfaction, for instance, in the knowledge that more homes in this area have been financed by us than by any other institution. For over 115 years we have been safeguarding the savings of the people of this community; helping them finance educational programs for their children; businesses for themselves, homes for their families. Whatever your particular dreams may be for the postwar years, won't you let us help you start planning now to make them come true? Advice and counsel from one of our officers will put you under no obligation.

Newton's Oldest Bank

When, instead, he was able to carry Boston by about the same figure as Paul Dever did in 1940, he found himself the winner. Of course, Mr. Roosevelt pulled him along in some sectors. On the other hand, he out-distanced his chief in the state as a whole. This made history in Massachusetts.

To be frank Horace Cahill lacked the necessary appeal to the average voter who did not have the pleasure of his acquaintance. Tobin sold the people the idea that Cahill's chief, if not only claim to recognition was the fact that he was now at the top of the Republican escalator and should be rewarded for more than twenty years hard and faithful service to his party. Some of the independents tired of hearing about the Saltonstall-Cahill "team." They tired, also, as the other members of the state ticket went out of their way to put in a plug for Cahill. They figured that he should stand on his own feet and not claim, even with Gov. Saltonstall's consent, too

much credit for all that our Cahill. It is a tough break; the Governor has done in six years. Personally, I feel sorry for Horace ONLY tough break he has ever had, in campaigning for office. I congratulate Gov. Tobin and hope most earnestly that he will be ever true to the best traditions of our state. He has it in him to make a fine Governor, especially if he can crush one side some of the undesirable people who infested the State House about ten years ago.

At this writing it appears that Bradford will win; also Cook. Gov. Saltonstall will, of course, go to Washington as U. S. Senator. Nothing else is sure to be salvaged, from G.O.P. point of view. Congressman Herter appears to be safe, tho' early returns showed him running behind his opponent.

Next week it will be possible to go into all these contests thoroughly.

## Campbell Concerts At Newtonville Women's Club

The Campbell Series of Concerts has been changed from the Fessenden School in West Newton to the Newtonville Women's Club.

The first concert has the Hallelujah Quartet on November 15th at 8:30 p. m., and the program will range from classical numbers to spirituals and operetta favorites.

## Dorothy Cleveland Health Instructor

Miss Dorothy M. Cleveland of 30 Clarke avenue, Auburndale has assumed her duties as instructor in the Y.W.C.A. health education department at Worcester, Mass. Miss Cleveland received her B. S. degree in education from Tufts College upon completion of a four-year course in physical education at Boston University School of Physical Education. She has had camp experience at I'Lee, Holderness, N. H.; Camp Boone, Pocasset, and Camp Winnecumnet, the Boston Y. W. C. A. camp at Martha's Vineyard. She has studied all types of dancing for eight years.

Miss Cleveland's schedule will include teaching classes in swimming, gymnastics work, sports and dancing. She will conduct a modern dance class Thursdays at 6:30 p. m. for girls. A square and folk dancing class will be Thursdays at 7:15 p. m., and a class in ballroom dancing will be at 8 p. m. The latter two classes will be open to both men and women.

## Red Cross Home Nursing Now Gives Shortened Courses

In recognition of the present critical health needs of our country, six lessons in "The Care of the Sick" have been developed, and are now being offered by the Newton Chapter of the American Red Cross. These lessons do not constitute a complete course, but are, rather, the six fundamental lessons taken from the standard Red Cross course in Home Nursing. This shortened course is designed for the convenience of those whose time is limited, but who feel that a learning how to care for patients in their own home is of major importance.

Each class will last two hours, and the schedule is planned for three classes per week for two weeks or two classes per week for three weeks, according to the convenience of those who enroll. This class is limited to ten students. These shortened Home Nursing courses are being formed now and detailed information can be obtained by telephoning Lasell 6000.

## Annual Bazaar In Newton Center At Methodist Church

Tuesday, November 14th, is the date set for the Annual Bazaar of the Methodist Church in Newton Center. The Bazaar opens at 10 o'clock in the morning, and at noon a Snack Bar will serve a tasty lunch to all who attend. Afternoon tea will be served from 3 to 5 in the afternoon, and dinner will be served at 6:30 in the evening. Pony rides for the children will be offered between 2:30 and 6 o'clock, and in the evening at 7:45 the Men's Club of the church will show their skill in a "Variety Show." A handwriting expert and Fortune Teller will also be present to tell your future!

Mrs. Robert Zollinger is General Chairman of the Bazaar, and the committees are headed by the following chairmen: Food table, Mrs. H. W. Hayward; Apron and Household table, Mrs. W. J. Miller; Baby table and gifts, Mrs. E. T. Parkhurst; Decorations, Anna Bacon and Eleanor Hale; Knitted articles, Mrs. E. S. ## Dining With Jane and Bill

Bill—Sunday again—gosh—where do the days go?

Jane—Isn't it terrible!

Bill—After breakfast, I'm going to take Junior for a walk with me. He's been after me for several days.

Jane—While you're gone I'm going to lie down. I don't feel too well this morning.

Bill—What's the matter, headache?

Jane—No, my stomach is a bit upset—a laxative is what I need.

Bill—There you go again—always taking a pill of some kind. You know it isn't good to depend upon laxatives.

Jane—I suppose it isn't, but I seem to need one.

Bill—Mother used to give us prunes and applesauce. Why don't you try those?

Jane—I don't care much for them for breakfast.

Bill—Well you ought to learn to like them—we expect Junior to like everything. Besides I read somewhere that laxatives make us lose the good from our food.

"There are two kinds of laxatives—those to which a drug has been added, and those which provide cellulose or some form of bulk. Both may be irritating and may interfere with absorption of food in the intestinal tract. Recent research on mineral oil has shown that its use may prevent us from getting of bulk which may be irritating.

Most people can control constipation of the atonic type (that is lack of muscle tone in the colon) by regular habits of elimination, and by eating foods with moderate roughage. Drinking three or four glasses of water each day is an important habit to form.

In general, eating whole grain cereals and vegetables and fruit containing cellulose such as leafy vegetables will supply the necessary bulk in our diets. Bran in small amounts may be used but if taken in quantity it creates an excessive amount of bulk which may be irritating.

Medical authorities advise that cases of constipation not yielding to the regular use of foods providing moderate roughage should be under the care of a competent physician.

## Newton Gallon Club Will Be Feted

Mrs. C. Terry Collins, chairman of Blood Donor Service for Newton Red Cross is planning a party for "Gallon Club" members to be held Wednesday evening at 7:45 November 15 at the Red Cross Chapter House, 21 Foster street, Newtonville.

"We hope this will be a gala occasion," says Mrs. Collins, "and anticipate a record turnout of the 'Gallon Club' members. We are notifying all of those whom we know have given eight or more pints of blood, but I feel confident that there are many people in Newton who are eligible for membership in the 'Gallon Club' whose names

are not listed with us. I am, therefore, urging anyone who has given eight or more pints of blood for plasma, who lives in Newton but has not made appointments through the Newton Chapter, to get in touch with our office at Lasell 6000, so that an invitation can be sent."

Word has just been received from Mr. C. F. Green of Newton Upper Falls that he has just given his eighth pint of blood. As Mr. Green writes, "This is partial payment for Red Cross assistance to me in the last war." Newton is also proud of the fact that two drivers of Motor Corps have just become "Gallon Club" members. They are Mrs. Philip K. Brown of Waban and Mrs. Stuart Kesters of Waban.

tion and mutual understanding that has been brought about by the united efforts of all Newtonites, as they pitched in together, so's to do their share in the winning of the war.

Suggestion... During the discussion that followed Edward's remarks concerning the proposed project, Mr. Benjamin Louis, Vice Treasurer of the Newton Savings Bank, suggested that every person in Newton contribute to the Memorial fund now, rather than have the veterans contribute on their return home. The project, practical and certainly a long step forward for the benefit of the city as well as the city's fighting men, is meeting with increasing approval. In an early issue of "What's Cookin'" we'll have more to tell you about it.

## Fog...

Warm weather during the daylight hours mingling with the night-time chill resulted in a dense and continuing fog last week. It was really thick, especially so, down Watertown way and in the vicinity of the Charles River, in Newton.

A dump fire in Bemis sent off billows of white acrid smoke which blended with the thick gray mist last Thursday night, bringing traffic to a complete standstill. Police and carmen in Watertown Square, groped their way along the car tracks and with flashlights pointed to the car horns, Mot-trols to the car horns, Mot-trols parked by the side of the road for hours, unable to so much as see their car radiators and members of both the Newton and Watertown fire departments prayed fervently that the neighbors' children would be careful with matches.

Old Man Sunshine cleared the soupy stuff away in the early a.m., after which the firmen enthusiastically squelched the dump fire—thereby restoring that happy hunting ground for the hundreds of resident rats that have taken up operations in that eyesore on Pleasant street.

Jim Burns, son of John T. Burns, Jr., Newtonville ave., a sergeant in the Air Corps, out in India, writes in that catching up with "What's Cookin'" he became homesick upon reading the names of his pals in Newtonville and that of his old employer, Golfer Steve McIntyre.

**SHOW FBI FILM TO CUB PACK 6**  
An official Federal Bureau of Investigation film was shown by Special Agent Charles E. Pelletier at the meeting of Pack 6 Cub Scouts at the Cabot School, Newtonville, last Friday.  
The program also included induction of new Cub Scouts and presentation of advancement awards.

## \$340,000 BONDS PURCHASED BY PUPILS LAST YEAR

The "per pupil" amount of purchase of War Bonds in the Newton schools has reached a figure of \$33, or nearly three times as high as the national quota set for each pupil. Dr. Homer W. Anderson, superintendent of schools, reports.

## CHURCH HOLDS HARVEST FAIR

The annual "Harvest Fair" of the Newtonville Methodist Church was held on Thursday afternoon and evening, Nov. 2, at the church. Handmade articles, suitable for gifts, aprons, towels, handkerchiefs, food and candy were on sale under the direction of the Woman's Society. A cafeteria luncheon and a dinner was served by the men of the church.

## AMBULANCE DRIVER THANKS SCHOOL FOR WAR BONDS

Concrete evidence that War Bonds purchased by pupils and teachers of the All Newton Music School are contributing to the war effort was received in the form of the ambulance which contains the plaque, stating that All Newton Music School Bond purchases paid for the vehicle.

Written "Somewhere in England" and signed by Pvt. Lloyd E. Parfait, the letter is as follows: "Just a line or two to let you know that I am the driver of the ambulance that your school got by buying War Bonds. It is a good ambulance and thanks a lot. I come from Texas. Thanks again."

## C. OF C. FAVORS COMMUNITY CENTRE PLAN

A resolution favoring the establishment of a health and community center as a post-war project in Newton proposed by Ray S. Edwards was adopted at the annual meeting of the Newton Chapter of Commerce at the Newton Centre Women's Club last Wednesday evening.

## ATTEMPTS TO STEAL GAS

A would-be gasoline thief who broke a gas pump of the Woodland Golf Club on Grove street, Auburndale, was doomed to bitter disappointment.  
After breaking the lock on the pump, the thief learned what he had not known: that the tank was empty. The case was reported to the police by James Fern, greenskeeper of the club.

## SCHOOL BOARD ANNOUNCES STAFF CHANGES

The Newton School Department yesterday announced the resignation of two teachers and the election of successors.  
Mrs. Hazel White, Williams, teacher in the Commercial Department of the Newton High School, has resigned after 24 years of service, effective Nov. 13, and Ann Marie Harvey has been elected to take her place. Miss Harvey is a native of Worcester, a graduate of Boston University and comes to Newton from a teaching position in Danielson, Conn.

Cynthia Page, a graduate of the Bouve School, has been elected teacher of physical education at Newton High, to take the place of Mrs. Jane Forte Post, of Newton Highlands.

## RABBI SAYS DUCE SET STAGE FOR HITLER'S CLIMB

Mussolini's determination to become another Caesar set the stage for the rise of Hitler, Dr. Kalman Friedman, rabbi of Temple Emanuel in Newton Centre, stated at the meeting of the Newton Rotary Club last Friday.  
Rabbi Friedman, formerly of Florence, Italy, spoke on "Fascism as I Saw It." He said that the difficult economic circumstances which followed World War I allowed Italy to fall into the hands of a group of exploiters who gained control at the psychological moment. When Hitler noted that France and England failed to stop Mussolini in Ethiopia, he saw an opportunity to occupy Austria, thereby making him the master of the Italian dictator, Dr. Friedman stated.

Comparing the present war with the great flood, Rabbi Friedman stated that the world had not been its brother's keeper. He said that if we are to prevent future wars, we must punish those responsible for this one, but we cannot condemn an entire nation. The people will need help and education, he said, and if they are condemned they will turn again to a type of fascism with another war as the result.

## RAYTHEON GROUP LISTS BARN DANCE

Employees of Raytheon Manufacturing Co.'s Newton plant conducted a Halloween party and barn dance at Cedar Hill, Waltham, last Saturday night.  
A costume contest was featured with prizes awarded to the persons most resembling the comic strip characters, "Daisy Mae" and "Lil Abner."

Reggie Harris was chairman of the committee directing the event.

**Tsk! Tsk!**

## Message -

(Continued from Page 1)  
prices and forget that wages have gone up too. We go to the Annual Meeting of the Chamber of Commerce and see Jim Gallagher and Rupert Thompson and John T. Burns just as always have. The Community Chest drive speeds up to a high point of neighborly endeavor.

And then the call goes out from the Treasury Department for another War Bond Drive. Of course, we have been buying bonds right along just as you fellows have out of current earnings. But periodically we must buy extra bonds to help pay the gigantic war bills. Newton is given its quota and we go to work. In the five drives to date Newton has sold over \$35,000,000 bonds. This figure is exclusive of the continuing sales that go on between the drives. In the Fifth Bond Drive alone our sales were over \$10,000,000, and as a result the Navy Department has given us the honor of sponsoring submarine. The "Sub" is to be christened the "Catfish" at Groton, Connecticut on November 19th. The Norumbega Council of Boy Scouts are to represent Newton at the ceremonies.

The Sixth War Bond Drive starts November 20. For many of us it is the only opportunity we have to do our share in the war endeavor—you can count on us to meet the challenge.

## CITY WIDE HALLOWEEN PARTIES

238 Halloween parties at which 11,000 Newton boys and girls were entertained were held at 41 key locations throughout the city on Tuesday evening October 31.

The programs covered a variety of activities, each worked out according to age levels. The elementary grades made in their school a "J" the Junior High pupils gathered in women's clubs, ch'ches a d the Y.M.C.A. There was music, charades, movies, "e'ing, eams", story-telling, magic and skits put on by numerous home-room groups. For junior high students, an improvement over previous years has resulted from the voicing of the students, themselves, in their program. T'ough the co-operation of Thomas L. Cill, who has offered the Totem Pole Ballroom and Baron Hugo's Orchestra at low cost to the Senior High students, the resort was the scene of a Halloween Prom exclusively for these older boys and girls.

## Terkelsen Chairman

The general chairman of the Halloween project was Edward Terkelsen, who served as director of the event for the second time. Assisting him were F. Ewing Wilson and Mrs. Ragna Hovgaard, of Newton's Recreation Department. Acting Chief Nicholas Veducio, Police Department and Dr. Homer W. Anderson, superintendent of schools.

## A Prayer for Messiah Members in the Armed Forces

The following prayer is read at almost every service at the Auburndale Church of the Messiah by Rev. McClintock:

Almighty God our Heavenly Father, we commend to thy ever-watchful care those who now serve Thee in the Armed Forces of the United Nations.

Grant them strength in the sense of Thy Presence and courage to do Thy will: Preserve them faithful in the day of battle and protect them in temptation, and finally bring them at last to Thy Heavenly Kingdom, through Jesus Christ our Lord.  
AMEN.

## PANEL DISCUSSION LISTED ON VETS' JOB PROBLEMS

Roland R. Darling, director of the Job Counseling Service, Veterans' Information Center of Boston, will lead a panel discussion on the problems of the service men and women who are returning to civilian life in Newton. The meeting will be held Friday evening at 7:45 in the lecture hall of the West Newton Unitarian Church.

In addition to Mr. Darling, two returned service men, and others will discuss how those at home can help these returning Newton men and women to readjust themselves to everyday living as civilians. Charles B. Floyd, of the Newton Committee, will tell what his committee is now doing for them.

The meeting, to which all men and women are invited, is being sponsored by the Newton Council of Church Women, in an endeavor to find out just what are the problems of the veterans, what is now being done to help him, and what more could be done by Newton citizens.

## 34 SELECTEES GET SENDOFF LEAVING CITY

An informal sendoff was tendered 34 selectees in the Newton City Hall by the Citizens' Committee for Service to Newton Servicemen. The men left for Fort Banks, Winthrop, for induction into the armed services.

Speakers were Mayor Paul M. Goddard, Rev. James T. Cotter of Sacred Heart Church, and Roy S. Edwards, chairman of the committee. Assisting Chairman Edwards in distributing traveling kits to the selectees were Acting Chief of Police Nicholas Veducio, Warren W. Oliver and Carmen A. Vitti. Refreshments were served by a Red Cross Canteen Unit, under the direction of Mrs. Carlton S. Redmond of Waban.

Among the selectees was Nelson T. Everts, son of Albert P. Everts, vice-president of the Newton Board of Aldermen. Others who left for induction were as follows:

**BOARD 112**

## WHY NOT USE INITIALS?

To one soldier the sibilant sound which passes for his name is a means of collecting his pay, but to officers of the 3d Service Command Headquarters at Richmond, Va., who had to fill out the necessary papers, it was a lot of work. He is Pvt. Leleisszusseuszezessz Willihiminzisssteizsu Hurriszeizsteizsu, a native of Thailand. Men have been classified into 4-7 for less.

## Newton Merry-Go-Round

by PAUL CONSIDINE

President Franklin D. Roosevelt swept by his fourth term last Tuesday, in what the headline writers are calling one of the bitterest political campaigns of all time. This historic wartime election sure was a hard fought contest and now that it's over, a united nation is settling down once more, to the all important business of winning the war.

It became increasingly apparent as midnight approached that the President would be re-elected and at exactly 3:15 Wednesday morning the Republican Dewey of New York, the Governor Presidential nominee, addressing the nation via radio, conceded defeat. His voice was firm and strong, giving no indication of the disappointment that must have been his at that moment, as he urged one and all to go forward together in bringing about victory and a lasting peace.

Post War Memorial Centre...

At the recent annual meeting of the Newton Chapter of Commerce, Roy L. Edwards, Chairman of the Citizens' Committee for Service to Newton Servicemen, outlined to the members in attendance a plan for a Memorial Centre as a post war project. Explaining that while the present Newton War Memorial building is a fine memorial to Newton's war dead, the proposed new centre would be a memorial to the living veterans of all wars.

With more than 9,000 veterans expected to return from this war, plus the 2,000 veterans of World War I, the plan is to construct a building having a wing on each side. One wing would be used to house a veterans' health centre, attending veterans in need of physical care, advice, assistance and their various other requirements. The second wing would be used as a Veterans' building. Open day and night for veterans of all wars, it would contain a committee room, game room, library, reading room and space for all veterans' activities. In the central building there would be a large civic auditorium to be used for large meetings and other events. Veterans and oth-

ers could hold their assemblies here.

And, located centrally, containing approximately six acres, is available for the proposed project. The cost of the Memorial would be about 500,000 dollars, which would be liquidated in 20 years, adding about \$1 cents per thousand to the present tax rate.

Centralize Newton  
The Memorial building would be the first step in Edward's plan to centralize Newton. Firmly convinced that a good neighbor spirit and the City's progress has been retarded by localizing Newton in a series of villages, the Memorial Centre is the beginning of an effort to retain the close cooperation.

## A Message

from JAMES B. MELCHER  
Chairman, Newton War Bond Committee

Life on the home front goes on much as it did before you left us. It seems strange that this should

JAMES B. MELCHER

be, but

Help the nation's efforts to keep your living costs down, the buying power of your dollar up.

PLAN YOUR SPENDING FOR YOUR FAMILY PLAN YOUR SAVING

Today, thrift is a national necessity. Every dollar spent carelessly makes already scarce goods scarcer, forces prices higher, lowers the buying power of the dollar, may lead to widespread economic insecurity later.

It's your duty to save now. Persistent, long-continued, planned saving by all of us will lead to greater prosperity after the war. Buy War Bonds regularly—and go to the bank every day to deposit as much of your salary as you can. It's your patriotic duty, as well as your duty to yourself and your family.

**Community Service Club**

The Community Service Club of West Newton is having an open meeting November 15 at 2 p.m. at the Second Church Parish House. This meeting is sponsored by the Women's Advisory Committee of the Newton Trust Company who bring us Philip Cummings as speaker on World Affairs. Mr. Cummings is Consultant on the Southwestern Pacific to the United States Government. He has lived in Great Britain, Spain, Switzerland, Australia and the South Sea Islands.

Born in Vermont, he was educated at Rollins College, Middlebury College, University of Dijon (France), the University of Madrid. Because of his wide study and travel, he is qualified to speak on the sociological and political problems of our time.

Officials of the Newton Trust Company, members of the women's clubs of West Newton and anyone who is interested will be our guests.

Tea will be in charge of Mrs. Wm. E. Worcester and Mrs. Geo. W. Miller.

**Social Science Club**

The Social Science Club of Newton will hold its annual tea on November 15 at the home of Mrs. Grosvenor Calkins, 49 Farlow road. The hostess will be the president, Mrs. Frederick Sayford Bacon, and the vice president, Mrs. Joe W. Gerrity and Miss Florence C. Bacon.

**Eliot Men's Club**

The second full meeting of the Eliot Men's Club will be held on Monday evening, November 13, 1944, at 6:30. Supper will be served, and Dr. Ernest M. Morris, Director of Public Health for the City of Newton, will address the gathering on "The Public Health Trend."

The officers cordially invite all members and their friends to be present. Don't forget to bring a new member!

**Rotary Club**

The Newton Rotary Club was addressed at the meeting last Friday by its president, Charles Meeker, who briefly told about his recent trip to Rotary Clubs in New Brunswick and Eastern Maine. In Canada he found no rationing of butter or meat. Sugar was scarce. The purpose of his trip was Rotary education for the clubs visited.

The Newton Rotary Club was presided over by past president, Lyscom Bruce. He in turn introduced in his own inimitable way the other past presidents, who were at the head table. Cecil Clark, Frank Richardson, Harry Hanson, Frank Clark, Norman Nedy, John Cahill, Charles Meeker, Herbert McGill and Mathew Ruane.

**Newton Lions Club**

On Thursday evening, November 9, the New Haven Railroad's latest sound motion picture, "A Great Railroad at Work," will be featured by the Newton Lions Club at their regular meeting, scheduled for 6:30 p.m. at the Newton Y.M.C.A.

This 5-reel, 45-minute, behind-the-scenes story of railroading is just what the title indicates... a story of the every-day work of a high railway system. Its actors are the 27,000 employees who perform this important every-day work. Also starred are the thousands of pieces of New Haven Railroad equipment, operated daily in yards, shops and offices by these 27,000 employees.

The picture will be introduced by W. J. Fillingim, General Traffic Manager of the New Haven Railroad who has also been invited to comment on the part the New Haven is playing in the "Battle of Transportation."

In commenting recently on this picture, Howard S. Palmer, President of the New Haven Railroad, pointed out that "A Great Railroad at Work" is designed to tell a story to both children and adults. We feel it will impress upon our school children the importance of Railway Transportation in our everyday life. We want them to understand the importance of the jobs that are filled by the people who make the Railroad wheels go round."

The speaker at the last meeting of the Lions Club held on November 2nd was Mark L. Ball, superintendent of the Hospital Cottages for Children located at Rialmontville, Massachusetts. Mr. Ball described the work done on the handicapped and crippled children and showed an illustrated film in color which was most instructive and interesting.

A War Bond raffle was announced by King Lion Fennelly for the benefit of the Sea Scout Ship 13. The tickets will be sold by Lions and Sea Scouts until the drawing on December 21.

**Sarah Hull Chapter D. R.**

Sarah Hull Chapter, Daughters of the Revolution, held the first meeting of the winter 1944-1945, at the home of Mrs. Francis Murdoch, 261 Center street, Newton, on Wednesday, November 8, 1944, at 2 p.m.

After the Salute to the Flag, a short business meeting was held with the Regent, Mrs. Louis J. Bartlett, presiding.

When the business meeting was over, Mrs. Franklin E. Smith introduced the speaker of the afternoon, Mrs. Eleanor S. Sears, who spoke on the topic, "Home Spun and Harmony." Mrs. Sears has been interested in the Pine Mountain Settlement School for many years and spoke very interestingly of her work there, among the mountain people of Kentucky.

Mrs. Sears was dressed in the costume of the people, and played the dulcimer, an old musical instrument.

After this very interesting talk, tea and sandwiches were served.

**Newtonville Woman's Club**

Sally Pfeiffer, a past president of the New England Woman's Press Association, giving a most entertaining and amusing talk entitled "Life on the Run" was the program at the fourth meeting of the Newtonville Woman's Club, Tuesday, Nov. 7, at 2:30 p.m.

The meeting was introduced by the signing of "America the Beautiful" with Mrs. Randolph S. Merrill at the piano.

Mrs. Irving O. Palmer paid loving tribute to the memory of an honorary member, Mrs. John W. Everett.

Mrs. Hugh A. McCrea, corresponding secretary, announced a Community Art Exhibit is being arranged by the Art Committee of the club to be seen at the next club meeting on Nov. 21.

Mrs. Philip Goodhue names of Newtonville artists who would be interested in exhibiting their drawings or paintings at this time.

**Newton Centre Woman's Club**

**Newton Junior Community Club Celebrates Fifth Anniversary**

Mrs. John H. Kimball, a former president of the Massachusetts State Federation of Women's Clubs, was the guest speaker of the Newton Junior Community Club at the annual Mother and Daughter night which celebrated the fifth anniversary of the founding of the Club. The evening meeting was held in the auditorium of the Newton Y. M. C. A. on November 6, under the direction of the president, Miss Ruth W. Aldrich. Following the president's greetings to guests, Mrs. Raymond Garon read the secretary's report and the treasurer's report was read by Mrs. Gertrude H. Ranney.

During the business session, Miss Jane Mansfield, vice-president, reported on the annual fall dessert bridge which was held at the Hunnewell Club. Mrs. Herbert Hopkins gave a graphic account

The second lecture by Mrs. Frank Mansfield Taylor on "World Affairs" will be held at the clubhouse on Nov. 9 at 10 a.m.

Miss Estelle Marsh, the club's president, introduced Mrs. E. Graham Bates, who gave a brief resume of the various people and organizations that benefit from the United War Fund.

Mrs. Harold W. McKusick, chairman of ways and means, thanked the club members for their support of the lecture given at the High School on Oct. 27.

**Auburndale Woman's Club**

A Symposium of Human Relations will be the topic of discussion at the next meeting of the Auburndale Woman's Club, held at the club house on Tuesday, November 14, at 2:30 p.m.

Mrs. Guy M. Winslow is day chairman and will introduce Dr. Joseph L. McCollison, Junior Regional Director of the National Conference of Christians and Jews.

The speakers will be Rev. Dana M. Greeley, minister of the Arlington Street Church of Boston; Rev. Daniel T. McColgan, Ph.D., Professor of Sociology of Regis College, and St. John's Seminary of Brighton; Rabbi Beryl D. Cohen, spiritual leader of Temple Sinai of Brookline.

These speakers have a fifteen minute address on the subject, "Building Tomorrow's Brotherhood Today," and a discussion period will follow. This is an important meeting and it is hoped that many will avail themselves of the opportunity to hear these noted speakers.

The Auburndale Woman's Club is opening a "Trading Post" for the benefit of the club ladies and their friends. Articles can be brought to the Post for sale, thus benefiting both the club members and their friends. The "Post" will be held in the building at the corner of Lexington and Auburn streets, and will open November 18.

During the business session, Miss Jane Mansfield, vice-president, reported on the annual fall dessert bridge which was held at the Hunnewell Club. Mrs. Herbert Hopkins gave a graphic account

The Community Service and War Work Committee report was given by Miss Rhoda White, co-chairman. Volunteers were recruited for assisting at booths in the Newton banks for the selling of war savings stamps; and a request has come for a Junior to lead a Girl Scout Troop. A silver collection was taken to apply towards the Chelsea Naval Hospital, which the Senior Club is sponsoring. Miss White also arranged for members to again go in a group to the Red Cross Blood Donor Center. It was voted to contribute half of the proceeds of the bridge to the Rebecca Pomroy House through Miss Helen I. Sanderson, Executive Director.

Mrs. Alvie Jorgensen, chairman of the Music and Drama Committee, has procured the Federation contest rules and try-out dates will be announced soon for the contest play. Miss Virginia Goodale, chairman of the Social Committee, announced further plans for the formal Officers' dance at the Crystal Ballroom of the Hotel Puritan, Boston, on November 18.

Mr. Charles Dasey, of Newton Highlands, representing the Speakers Bureau of the Social Committee, Boston United War Fund, The Club's contribution was presented to him to turn over to the Newton Community Chest. Mrs. Kimball, the main speaker, who resides in an apartment on T Wharf in Boston, spoke on "T Wharf, Past and Present." Her talk took members back to the days when Boston Common was swamp land and the tides swept up over Faneuil Hall proper, to personal incidents and happenings before the war, and present censored war time activities.

Special guests included the Advisory Committee, Mrs. Herbert B. Dwight, chairman, Mrs. George Sampson and Mrs. Arthur Lord; Miss Adelaide B. Ball, President of the Newton Federation of Women's Clubs and Mrs. John L. MacNeil, founder of the Junior Club. The Remembrance Committee was in charge of the anniversary meeting. Miss Hazel Noyes, chairman, presided at the refreshment table which was decorated in white and silver. The three-tier birthday cake with five candles was served by Miss Marjorie W. Aldrich, a past president.

**CABOT AGAIN HEADS NEWTON RED CROSS**

Charles Raymond Cabot was re-elected chairman of the Newton Chapter, American Red Cross, at the annual meeting held last evening in War Memorial Hall. It was announced that Charles B. Floyd has been appointed chairman of the 1945 Red Cross War Fund committee for the Newton Chapter.

The program included an address of welcome by Mayor Paul M. Goddard, and the presentation of the annual committee and corps reports.

**ALDERMEN DISAGREE ON CONVERSION PLAN**

The recommendation of Mayor Paul M. Goddard, at the request of the School Committee, that the Board of Aldermen appropriate \$6,500 for the conversion of the vacant Franklin School building on River street, West Newton, has struck a snag in the board.

The aldermen have held up action on the matter after lengthy debates in executive session, during which the members failed to reach an agreement.

The proposal that the general department of the Trade School be moved from the Hamilton School, Newton Lower Falls, was first made in a petition to the School Committee several years ago by residents of Newton Lower Falls.

At that time the School Committee considered the transfer of the department to the old Franklin School on River street, but no action was taken. The building has been vacant since the erection of the new Franklin School on Derby street.

The \$6,500 appropriation was requested by the mayor for the Public Buildings Department "for the cost of alterations and repairs to the old Franklin School on River street to accommodate the General Department of the Trade School now located at the Hamilton School."

The recommendation was received at the board meeting Oct. 9 and deferred to the public buildings committee. The matter must also be considered by the finance committee before the board may act on it.

**COMMITTEE PLANS 'BABY' BOND DRIVE**

Mrs. Edgar P. Hay, chairman of the Women's Division of the Newton War Finance Committee, announces a new campaign, "Buy a Bond for Baby and Watch Them Both Grow."

A special United States Treasury Certificate in colors and designed by Walt Disney will be given with every bond purchased for baby. David Ryan Landrey of 33 Chesterfield road, West Newton, was the first baby to receive a certificate in Newton. The bond was purchased by his grandfather, William F. Ryan, and accompanying the gift was a note, "You are too young to bear arms, but not too young to help finance your country in time of need. By helping now you may not have to bear arms later."

**WRAP PACKAGES FOR MEN OF PORT COMPANIES**

Members of the Ladies' Guild of St. John's Church in Newtonville helped wrap 100 Christmas packages which Newton Red Cross is to distribute to the Port Companies. The work was done under the supervision of Mrs. Edward J. Cannon, chairman of Camp and Hospital Service.

"These gifts will go to the 'forgotten men' in the service," said Mrs. Cannon. "We want to be sure that every boy is remembered at the holiday season." Newton Red Cross has pledged itself to collect 200 of these gifts, to be valued at about 50c and to contain such articles as razor blades, toothpaste, cigarettes, writing paper.

**BRUSH FIRES QUICKLY EXTINGUISHED**

The firemen of Engine 3, Newton Centre, didn't have far to go to extinguish a brush fire last night. A citizen who discovered the blaze on Tyler terrace, near Centre street, hastened to the fire station on Willow street and reported the fire. The call was received at 8:49 P. M. and the task was finished at 8:55 P. M.

Engine 1 extinguished a brush fire on Grasmere street, Newton, after receiving a call at 5:38 P. M. The company returned to quarters at 5:48 P. M.

**KIWANIS CLUB HEARS TALK ON RAILROADS**

The contributions of the railroads to the war effort and their prospects for the future were discussed by William T. Gaynor at the meeting of the Newton Kiwanis Club last Tuesday at the Newton Y.M.C.A.

Frank Bartels, program chairman for October, introduced Mr. Gaynor, who is assistant advertising manager of the New York Central Railroad. Mr. Gaynor spoke about the historical background of the Boston and Albany branch of the New York Central and told how it was inaugurated in 1934. The Boston and Worcester Railroad which was the beginning of the Boston and Albany line to list Newton as its western terminus with the railroad station located in the old Davis Tavern, which is still standing.

Mr. Gaynor told about the western advancement of the railroad and how the crossing of the Berkshires was engineered by Maj. John Whistler, father of the famous painter.

Mr. Gaynor told some of his personal experiences as a train escort on a troop train which was a part of a sixty train convoy moving an entire mechanized division. He also told about serving in a similar capacity on a train carrying German prisoners of war.

**VANDALS INVADE VACANT HOUSE**

A vacant house at 25 Holman road, Auburndale, was entered by vandals and the intruders tampered with the electric apparatus, according to a complaint received by the police from the Howe real estate concern.

It was found that the culprits forced an entrance through a porch door and disconnected the wires of both the electric meter and the motor of the oil burner.

**ASKS CONSTRUCTION OF ROADWAY**

A petition for the construction of a roadway in the lane extending southerly from Glen avenue, Newton Centre, serving properties at 106, 108, 110 and 112 Glen avenue, has been filed at City Hall by Chester Perrine and other property owners on the street.

The petitioners ask that the lane be laid out, graded and accepted under the law authorizing the assessment of betterments. The Board of Aldermen will hold a hearing on the matter.

Charles D. Train, Inc., has applied for the construction of a drain and sewer in Green Park, Ward 7, from Waverley avenue westerly.

Mr. and Mrs. C. Caruso and others have petitioned for the construction of a drain and sewer in Stratford road, Ward 3, from Fernwood road to near Cumberland road.

Hearings also will be held by the Board of Aldermen on the drain and sewer petitions.

**HONOR ROLL TO BE ENLARGED**

For the second time since it was established, the Honor Roll at Newton City Hall is to be enlarged, because of the fact that the number of names of service men and women will soon exceed the capacity of the present structure.

The present capacity is 8,000 names and the number has already reached 7,800. Plans have been drawn for the addition of a panel on each end of the present structure, so that space for 2,000 more names will be provided.

The number of gold stars, for men who have given their lives, is thus far 104, besides 38 who are still officially listed as missing. It is estimated that the number of Newton men and women in the service is over 8,000, including a number whose names have not yet been reported to the Honor Roll Committee.

To provide for the enlargement of the Honor Roll, it is expected that the city government will soon be asked to appropriate funds for the project. The Honor Roll is located on the City Hall grounds at Walnut street and Commonwealth avenue.

**CHRISTMAS SEALS SALE ARRANGED**

Preliminary plans for the sale of Christmas Seals were made at the meeting of the Newton committee at the Family Service Bureau office in Newtonville last Friday. The sale will start officially on Nov. 27.

Mrs. Marcus K. Bryan of 14 Ridge road, West Newton, is general chairman of the committee, and the following are village chairman: Miss Grace L. Rogers, Newton Centre; Mrs. Fred T. Field, Newton; Mrs. Philip O. Ahlin, Newtonville; Miss Elizabeth Kilburn, West Newton; Mrs. Roger Gilmore, Newton Highlands; Mrs. Jules Pettimert, Chestnut Hill; Mrs. G. Louis Marcy, Newton Upper Falls; Mrs. Henry W. Webster, Waban; Mrs. William A. Jarvis, Auburndale; and Mrs. Frederick A. Gilroy, Newton Lower Falls.

**217 STUDENTS AT SUMMER SCHOOL**

The final report of the summer school conducted at Newton High School, issued yesterday by Dr. Homer W. Anderson, revealed that one-third of the students were from other cities and towns and that the tuition received was more than ample to cover the expense involved.

The number of students was 217, of whom 72 were out of town residents. The amount received in tuition fees was \$2,927 and the cost was \$2,800.

The 217 students included 96 from Newton High School, 49 from junior high schools, 25 from Watertown, 11 from Waltham, 5 from Needham, and 81 from 15 other places.

**Sports In A Nutshell**

By Bill Sullivan

The Montreal Canadiens defeated the Bruins 3-2 in the first game of the 1944-45 season. It was quite a thriller as Montreal scored in the first period and then sank two more goals in the second period when Jack Schewchuck and Dit Clapper were out on penalties. Then Boston got busy, scoring twice in the second period; first Ken Smith got one, then Norm Macdonald scored the second. Neither team could score in the final period.

The Detroit Red Wings pasted the puck into the Bruin's net seven times handing the Bruins quite a licking as Boston only scored once. Ken Smith scored the Bruins only goal unassisted. Detroit scored 1 in the first, 2 in the second and four in the final period.

Toronto took the Bruins for another ride Saturday 7-2. The Leafs scored 2 in the first, 2 in the second and 3 in the third. Boston scored 2 in the third. Ken Smith took the first, and Bill Jennings scored the second. Despite the 7 goals, Harvey Bennett played a good game in the net as the Leafs had 41 shots at the net. Boston had 26 shots with McCool playing a fine game in the net for Toronto.

The Bruins came to life Sunday night in Chicago and beat the Blackhawks 6-3. Herb Cain scored 3 goals and Bill Cowley 2. Boston scored 3 times in the first period. Cain got the first on assists from Cowley and Jennings. Cowley scored the second, unassisted, and Cain the third with an assist by Cowley. Caladine scored the fourth goal in the second with assists by Gladu and Jackson. Cowley pasted in the fifth goal on an assist by Clapper and Herb Cain sank the final goal on a pass from Cowley. This was the first game Ken Smith failed to score.

The Bruins open in Boston Tuesday night and their victory over Chicago will help give the hockey fans some encouragement as they watch the Bruins lose 3 straight.

Toronto now lead with 4 won and none lost; Montreal second, 3 won, 1 lost; Detroit 2-2; Boston won 1, lost 3; Chicago 1 won, lost 2; and the New York Rangers last with 3 games lost and no wins.

The Yanks won their first game this season by beating the Brooklyn Tigers 17-14 at Brooklyn. Reynolds and Manders scored touchdowns for Brooklyn and Crowley scored the final goal on a pass from Morelli scored touchdowns for Boston with Lio winning the game for Boston on a field goal from the 17 yard line. Lio scored both points after touchdowns for Boston and Kinard did the same for Brooklyn. Morelli ran 25 yards for his touchdown while Crowley

made 30 yards on his run eluding Tony Falkenstein who tried to stop him on the 15 yard line.

Trailing 13 to 0 Dartmouth started rolling in the second half and beat Brown 14-13. Tredemann scored both touchdowns for the Bruins and Bennett and Bonk scored the touchdowns for Dartmouth, with Lewis scoring the points for Dartmouth after each touchdown.

The Navy put it all over Penn beating them 20-0 and the way they were clicking Notre Dame will have its hands full when they meet.

A second hurricane blasted Newton yesterday but true to the oldity of nature it struck but at one spot, Nickerson field.

A powerful Newton eleven, led by its outstanding defensive line, the Bruins, struck the Bruins all the fury it could muster to pulverize Medford 25 to 0. Bob Di Blasio, on the first play from scrimmage, snared a short pass from Bob Scanlon and streaked 67 yards for the initial score. Again, Di Blasio did the same thing in the first half, the six foot two inch Di Blasio tucked away two successive passes, one from Phil Bolster and the other from Bob Scanlon, to go over standing up. The third tally came after a sustained drive, the last nine of which Scanlon slipped off tackling cut back neatly and scored. Newton's scat back, Freddie DeAngelis, scored the final marker on a fake pass going over from the Medford five.

Defensively, Newton's line rolled over Medford's forward wall with the fury of a storm-lashed sea. The play was so bruising that toward the final whistle Medford's linesmen were constantly sprawled on the field with sheer exhaustion from the terrific battering they were subjected to.

Boys have an excellent chance of going through without another defeat and they can practically be assured of it if they play as they did this past Saturday.

**WILL ENFORCE HUNTING ORDINANCE**

Complaints of shooting in the Oak Hill section of Newton since the hunting season opened have led Acting Chief Nicholas Veducio to order members of the force to enforce the city ordinance concerning shooting within the city limits.

The ordinance prohibits shooting on private property without the consent of the owner and on streets or other public places without a permit from the Board of Aldermen.

Residents of Oak Hill have complained that since the season opened last Friday, hunters have appeared in the district and shooting has been going on, particularly in the early morning.

**Auto stolen at Newton Corner**

An auto owned by Walter C. Queen, 341 Newtonville avenue, Newtonville, was stolen early in the morning while it was parked in front of the restaurant in Newton Corner square.

The theft was reported to the police by Edward McGuire, 24 Crafts street, Newtonville, who was in charge of the vehicle at the time. He said that the car was stolen about 12:30 a.m.

**FLOYD EXPLAINS CITIZENS' ADVISORY COMMITTEE WORK**

Charles B. Floyd, chairman of the Citizens' Advisory Committee, explained just how his Committee functions to aid the Returning Veterans at a meeting of the Newton Community Council.

Said Mr. Floyd: "The function of the Citizens' Advisory Committee for Returning Veterans is primarily one of co-ordination. There are many different agencies in the Community Council which offer different types of service, but there is no one organization set up to co-ordinate these various services. We familiarize ourselves with all the aids offered to returning service men, the GI Bill of Rights, the services of the Veterans Administration, what State and City organizations offer, so that we can guide them toward right counsel."

"In the letter which the Citizens' Advisory Committee sends to a Newton man as soon as it is known that he has been discharged, it offers two services: a free medical examination, and a free photostatic copy of his discharge papers. These services are made possible through the co-operation of city departments. However, all problems of the ex-serviceman are of interest to the Committee, and every effort is made to refer him immediately to the proper established agency which will be able to solve the problem completely and finally."

**NINE DRAWN FOR SUPERIOR COURT JURIES**

Nine Newton men have been drawn for jury service at the Superior Court, Cambridge, and notified to report Dec. 4.

Those drawn are as follows: Civil business, first session: Charles E. Supper, 308 Cypress street, Newton Centre; William C. Haber, 163 Upland road, Newtonville; Harry F. Bruen, 69 Reservoir drive, Newton Centre.

Civil business, second session: James K. Bonnar, 49 Judkins street, Newtonville; Arnold A. Robert, 11 Mayflower terrace, Chestnut Hill; Clark E. Woodward, 101 Homer street, Newton Centre.

**Criminal business, first session:** Leland Jay Mott, 12 Boylston road, Newton Highlands; Harold G. Carter, 65 Harding street, West Newton; Albert T. Carpenter, 42 Tyler Terrace, Newton Centre.

**REGISTRATION MARK REACHES 42,507**

Final figures sent to the Secretary of State yesterday by the City Clerk's office revealed that the number of persons registered to vote in Newton is 42,507.

The total registration at the time of the state primaries last July was 35,584 and the number registered since then was 6,923.

The registration figures thus are the highest in the city's history, exceeding the previous high record attained in 1940, when the number passed the 40,000 mark for the first time.

**DINNER OPENS WAR FUND DRIVE**

More than 2,500 Newton citizens enrolled in the 1945 Greater Boston United War fund drive, made their calls during the weekend in preparation for the Newton Community Chest Campaign which will hold Monday night dinner at 8:30 P. M., at the Newton High School.

The dates of the campaign are shorter than usual, starting Oct. 30 and closing Nov. 14. The second week of the campaign will be devoted largely to following up those not reached in the first week.

Newton's share of the Greater Boston goal is \$308,000. The slogan for the campaign is "Show That You Care—Give." Newton has added as its slogan "Let's Show We Care."

At the opening dinner there were approximately 1,200 citizens of Newton who make up the volunteer group which will call upon every resident and businessman of the city to give what they can to make a contribution through the United War Fund to 17 local health and social agencies, 250 Greater Boston agencies, and the National War Fund which includes the USO, United Seamen's Service, War Prisoners' Aid, and 19 foreign relief groups.

**FIREMEN NO HELP DOG SAVES SELF**

Firemen of Ladder 1, Newtonville, were called out yesterday afternoon to rescue a dog that was trapped in a tree to make a dog named Cheesecake brook, off Albemarle road, but the animal managed to get out before they reached the scene. The department received the call at 1:46 P. M. and returned to quarters at 2:30 P. M.

Other calls received by the Fire Department yesterday were as follows:

3:47 P. M. Engine 4, to Walnut street and Clafin place, Newtonville, fire in leaves, fence and hedge. Returned at 4:07 P. M.

4:40 P. M. Engine 8, Linwood avenue dump. Returned 5:30.

4:43 P. M. Engine 1, leaves and brush, Walnut Park Country Day School, off Jackson road. Returned 5:09.

7:47 P. M. Box 118, leaves, Park street, near Bigelow Junior High School. Returned 7:59 P. M.

**Community Club**

(Continued from Page 1)  
Henry I. Harriman for the scholarship fund was very successful. An attractive choiceted afghan went to the highest bidder, Mrs. Malcolm Morse, of Waban, a member of the Newcomers Club. Mrs. Morse was one of 28 members of the Newcomers Club who attended the bridge, 5 of whom are also members of the Newton Community Club. The results of the rummage sale were also very gratifying and Mrs. John B. Valentine and her committee deserve great credit for the work involved in raising the sum of \$305 which will be used for Newton philanthropy.

Olga Robinson, wife of Dr. Hugh Robinson, will describe her many interesting experiences in North China at the next meeting of the Newton Community Club, which will be held in the Underwood School Hall on Thursday, November 9, at 2 p.m. Dr. Robinson was interned by the Japanese 29 months in Manila.

The Twelfth District Conference with Mrs. Richard H. Davis, Director, will take place at the Newton Centre Women's Club next Monday, November 13.

Russell H. Horton, son of Mr. and Mrs. G. L. Horton, 59 Otis street, Newtonville, has recently been promoted to captain. Captain Horton has been overseas for two years.

**UNDER THE HAT****AND FEATHER**

Total subscriptions received through Tuesday noon were \$227,845. This is 74 per cent of the goal of \$308,000, Newton's share in the Greater Boston United War Fund.

The Closing Night of the Campaign is next Tuesday, November 14th. Final reports must reach the Bank Headquarters Monday night, November 13, before 9 p. m. to be audited for closing night.

Final solicitation will take place this week end. If you have not been approached for your subscription, will you please call Chest Head-quarters L.A.S. 5120.

The Municipal Division has exceeded its goal. Mercantile has 83 per cent, Advance Gifts 83 per cent, Residential 62 per cent, and Manufacturing 34 per cent.

Residential Villages in the lead are Auburndale with 83 per cent, Newtonville with 81 per cent, Newton Highlands with 66 per cent, and Newton Centre, Chestnut Hill, and Waban Hill practically tied at 62.5 per cent each. Village Charts will be posted Thursday and Saturday with all increases.

Manufacturing has yet to receive subscriptions from the larger concerns on its list, and only minor returns have come in from employees.

The Campaign to date has been successful. The total goal can be reached, however, only by every individual, firm, and employee making a contribution and every worker covering all his prospects.

Let's all do our part NOW and get the job done over this week end!

**Raytheon Vets Hear Joseph H. Gillis**

The Raytheon Veterans' Association, made up of veterans of World War II working at Raytheon Manufacturing Co., recently heard Joseph H. Gillis, executive secretary of the State Commission of Rehabilitation and Re-employment, praise their organization and tell them that it should be designed on a permanent, rather than a temporary basis.

Speaking at a meeting in Municipal Hall, Brighton, Mr. Gillis told the group that their organization was highly valuable and important. He lauded the Raytheon group for being a pioneer in the movement.

Frank Gaziano of Waltham, a veteran, member of the organization, and former All-American football player at Holy Cross, showed moving pictures of the recent Boston Yanks-Washington Redskins football game. Gaziano now is a lineman for the Yanks. Col. J. H. VanHorn, Raytheon's manager of special services, and Stanley Marshman, director of motion pictures at Raytheon, supervised showing of pictures of fighting on Guadalcanal and of captured Nazi films.

**All Newton Music School**

On last Thursday afternoon, Miss Irene Forte, a director of music at the All Newton Music School, took a group of boys from one of the junior orchestras to the shop of Mr. Carlton Stanley, a violin maker of Newton Centre. On display were several violins in various stages of development, and Mr. Stanley gave a very interesting talk to the young musicians, explaining the various steps and the materials used in the making of fine violins. The boys were very attentive and appreciative of Mr. Stanley's kind hospitality.

Those in the group were Addison Ault and Charles Tinker from the piano department, Roy Tinkler, the clarinet department, and Paul Cuniff, Roy Fogelson, Richard O'Donnell, Allan Rollings, all from the violin department.

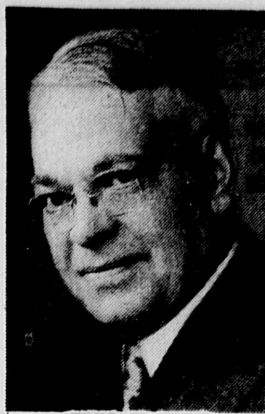

The regular monthly staff and faculty meeting of the All Newton Music School was held on Monday morning, November 6th, at the Clafin Headquarters in Newtonville. Among those attending were the Misses Chidsey, Crandell, Forte, Greene, Kyle, Mudgett, Tuckerman West, Mrs. Simpson and Mrs. Worth.

Interesting reports were made of the sight-reading and accompanying groups, which under the direction of Miss Irene Forte, are making such a decided contribution to the music experiences of the pupils of all grades by complementing the private lessons in instrument and voice.

It was also reported that the class in musicianship for pupils of high school age, a new group this season under the direction of Miss West and Mr. Forte, was meeting a real need in promoting the understanding of music students in what they play, and sing, and hear, as well as in teaching them how to listen with true appreciation.

Announcement and further plans were made for the Annual Christmas Concert, and the pre-holiday theory class and recital parties which will be held early in December.

It was agreed by all at the meeting that helping children to understand the meaning and purpose in what they are playing and practicing, goes far toward imparting to the young student the joy that comes from a knowledge of music.

FRED W. RUST

**"The Road Ahead And Bypaths"**

By Fred Winslow Rust  
(Bruce Humphries, Inc., Boston)  
\$1.25

Now that Thanksgiving and Christmas are on the way, the road ahead is more than ever in our minds. Happily enough, Fred Winslow Rust, our own townsman for more than thirty years, has published a third volume of poems called, "The Road Ahead and Bypaths." Beauty and appreciation of our everyday life are the harmonized keynotes and it is an inspiration to remind ourselves of these things at this time in this pleasing volume. I would be willing to wager that the two poems, called "Those Little Things" and "The Weakest Link" are so humanly universal in their insight that we all can take them to heart. After all, it is not always the utter perfection of an individual that gives us a lift. It is more often the fact that they are facing the same problems and making headway.

THOSE LITTLE THINGS  
I often think how happy and how peaceful life might be  
If it were not for the petty things  
That get the best of me.

Those little aggravations which fill up so many days  
And spoil my best intentions  
In the most vexations ways.

My more important problems,  
Looking backward I can see,  
Don't exact one-half the penalty  
That these demand from me.

And so from now on I propose  
To put them in their place—  
And tell them all just where to go  
Each time one shows its face.

THE WEAKEST LINK  
"No stronger than the weakest link!"  
I hear these words — they make me think  
Perhaps the weakest link is I!  
If so, I'll do my best to try  
To hold the links each side of me—  
Much sturdier links than I may be.

Links stronger still there are, I know,  
But if in weakness I let go,  
The strength they have will be in vain.  
For, giving way, I break the chain!  
This place is mine. Here I belong.  
My link can make the whole chain strong!

At this point I am tempted to quote Dr. Fostick. In one of his sermons he stressed the idea that the secret of a successful life was to flood the compulsory with the voluntary, or flood necessity with willingness, or starting with necessity make it an opportunity. Based on this idea I am delighted with a short verse called "The Weather."

THE WEATHER  
Why complain about the weather?  
Would we change it if it could,  
Knowing both the rain and sunshine  
Do to someone, somewhere, good?

Since we have no power to change it

And we know to wish is vain,  
While we much prefer the sunshine  
Let's enjoy the clouds and rain!  
As one human being to another  
Do not miss this little book. You will be well rewarded.  
CONSTANCE KEMPER.

**Life Insurance**

(Continued from Page 1)  
sumptions based on present experience, it is now possible to provide a death benefit of \$200 for babies from one month to six months, increasing \$200 a year thereafter to \$1000 at rated age 4. The maximum benefit of \$1000 is provided immediately in policies on children aged 4 and over. These increased death benefits will be made effective on policies already in force.

This is the second time within ten years that Savings Bank Life Insurance has increased death benefits on children. In addition, the Savings Bank Life Insurance system in 1944 inaugurated the plan whereby children in good health may obtain up to \$500 insurance without a medical examination. "This simplified method of obtaining life insurance on children has proved popular with parents throughout Massachusetts," Mr. Caldwell observed. "Since most of the policies have been issued at the youngest ages, the reduction of the minimum age from six months to one month seems likely to bring further substantial increases in the number of children insured without medical examination by the Savings Banks."

URBANA-CHAMPAIGN, Ill., Oct. 27—Pvt. Charles I. Brink of 43 Fairmount avenue, Newton, was among 51 soldiers in the pre-medical and engineering curricula of the Army Specialized Training Program at the University of Illinois who received certificates at graduation ceremonies here today. Private Brink was graduated from Newton High School in 1941. He has been assigned to training at the University of Illinois since July 12, 1943. Before coming here he had attended Norwich University at Northfield, Vt.

**Highlands Men's Club**

Following the highly interesting and informative talk by the annually-featured James H. Powers at its first meeting, the Men's Club of Newton Highlands will continue its attractive program at the session scheduled for Nov. 14, at the Congregational Parish House. On that occasion Dr. Hiram G. Woolf will address a capacity crowd on the subject "Life Under Two Dictators." The speaker, who served as chaplain to British War Prisoners in Germany, has experienced the tribulations and rigorous conditions prevailing in Italy before its liberation, and in Germany. He came to know the most sinister aspects of fascism by reason of his incarceration in both countries, including incommunicado imprisonment in the notorious Regina Coeli Prison at Rome for six months, as a preface to an imposed sentence of 30 years' imprisonment as an international spy.

Members will gather at 6:30 p.m. on Tuesday, Nov. 14, for the customary excellent catered dinner. The opening attendance of nearly 100 will very likely be matched by the members and guests who will assemble to hear the celebrated Dr. Woolf in his revelations of such great current interest. The Club considers itself most fortunate to be able to bring a speaker of this calibre to entertain and to inform its membership.

Program Chairman Frank Seely has also provided for twenty minutes of George Gillette's "Musical Whimsy" in a feature which demonstrates musically the value of teamwork and cooperation. This twin-bill promises well for the already demonstrated ability of the Club to extend full value to its constituents.

At this meeting there will be announced the winner of the \$25 War Bond prize offered for the member bringing in the most new, paid-up members between the dates of Oct. 19 and Nov. 14. There is considerable local interest in the Highlands toward making the Club a larger factor in that community's civic affairs; and a growing membership is resulting. The organization is now recognized as a reliable and effective unit in the enterprising Highlands village.

The Navy cook had just whipped up orders of fried eggs for a hungry mob of sailors. Worried by his herculean efforts, he sat down, yawned, lit a cigar and wrote a letter to his sweetheart.

"Darling," he began, "for the past three hours shells have been bursting all around me."

## Can Send Messages Now To Prisoners Of War In Philippines

Home Service of Newton Red Cross has just announced that they can now accept messages for U. S. prisoners of war and civilian internees known to be held in the Philippines, to be delivered as soon as the islands are liberated. This service is designed to bring to any prisoner liberated by United States forces news of home as soon as possible after he is free. Because letters to men and women in Japanese prison camps have had to be sent across Siberia, news of home has taken six months or more to reach them. Now, in addition to food, clothing, and medical treatment which liberated prisoners will receive from the Army, the Red Cross hopes to bring to them news of their families and friends.

Home Service further reports:

(1) One message will be accepted from any person in this country through November 30th. The message will be held by National Red Cross and transmitted as soon as the Philippines are liberated.

(2) Messages will not be subjected to censorship regulations governing correspondence to enemy countries, but to regular Army overseas mail censorship.

(3) Messages are not limited to 25 words, but can be sent on both sides of Form 1616, which can be obtained from the Home Service Department at the Newton Red Cross Chapter House, 21 Foster street, Newtonville.

(4) No messages can be accepted for men listed as missing in action, but only for those known to be prisoners of war or civilian internees.

While Red Cross does not guarantee delivery, every effort will be made to reach the addressees as soon as possible. Newton Red Cross urges all families not only to submit these special messages during the month of November, but also to continue writing at regular intervals by the regular prisoner of war mail.

### ODT Urges Early Sending of Packages For Christmas

As the war against Germany and Japan approaches new heights of intensity, Uncle Sam is taking stock of the transportation situation as it will affect the handling of the record Christmas traffic expected this year. He does not propose to allow it to interfere in any way with the huge flow of vitally-needed supplies constantly enroute to American and other Allied forces overwhelming the enemy on battlefronts all over the globe.

The Office of Defense Transportation has decided that a solution of the problem is to be found by urging the American public to complete their sending of Christmas packages by December 1. The O.D.T. has asked the railroad, the Postoffice and the Railway Express Agency, among the nation's principal package carriers, to assist in the drive, according to word received by H. J. Collins, Commercial Agent for the Railway Express in this territory and by Dr. R. Duguid local express agent.

"I feel certain," said Mr. Collins "that our citizens understand the vital need for greater advancing all holiday shipping this year-end. With transportation facilities already taxed to the limit, delay in forwarding Yuletide gifts at home may create a 'bottleneck' that will result in delays in transit and delivery and even hamper the war effort."

### Norman Foster Will Be Soloist

Norman Foster, pianist, who recently was awarded a scholarship by the Musical Guild of Boston, is to be soloist at this organization's opening concert of the season this coming Sunday afternoon, November 12th, at the College Club. He will also open the season for the Music Lovers' Club at New England Mutual Hall on Tuesday, November 14th.

### Honor Newton Banks By Appointment

Banks of Newton have been honored through appointments made by W. Randolph Burgess, president of the American Bankers Association, which include Joseph Earl Perry, president, Newton Savings Bank, as a member of the Committee on State Legislation. Mr. Perry is also a member of the Subcommittee on Model State Banking Code.

The Association's program reflects the changing and expanding needs of the public for financial aid through the work of its committees, commissions, councils, divisions, and sections. Work done by these groups not only results in improvement of local banking facilities, but aids the banks to contribute leadership and to assist in projects for community development outside of banking.

### Prof. Mather To Conduct Seminar

"The Construction of the Peace" will be the subject for a Seminar being conducted by Professor Kirtley F. Mather of Harvard University for ten Thursday evenings during the winter at the Newton Y. M. C. A. The sessions start November 16th at seven-thirty o'clock and will be held on alternate Thursdays.

The Seminar is sponsored jointly by the Newton Council for a Better World Order and the Newton Y. M. C. A. and is designed especially for teachers and possible leaders of neighborhood discussion groups.

This is the second year that Dr. Mather has offered this Seminar in the community and it has become one of the most popular study groups. While Dr. Mather is the leader, the members do considerable reading and studying and bring their results to the group for discussion. The study this year will be around current subjects and will include:

"Basic Conflicts in Aims and Methods Revealed in Recent Developments."  
"The Future of Germany."  
"What the Soviet Union Wants."  
"Italy and France as Testing Ground for United Nations' Aspirations."  
"British Plans for Europe, 'Near East, and Northern Africa."  
"The Future of Japan."  
"China and the New World."  
"The Status of Colonial Empires."  
"Security for the United States."  
"What Can Reasonably Be Expected Now."

Registrations are limited to twenty-five people and a number of citizens have already reserved places for the course. Some of the early enrollments include:

Mr. Arthur Robinson, Mr. Stewart Holmes, Mrs. Malcolm Green, Miss M. Louise Walworth, Mrs. William Barber, Mrs. Raymond W. Blaisdell, Mr. Raymond W. Blaisdell, Miss Helen Miles, Miss Frances Thumlin, Mrs. Dushan Vuyavovich, Miss Mary Gianferante, Mr. Everett M. Brooks, Mr. Frederic A. Gilroy.

### Radiocasting Of Christian Science Programs Started

As a progressive step in the radio-casting of Christian Science programs, beginning Saturday, November 4, 1944, weekly programs prepared in The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, under the direction of The Christian Science Board of Directors will be put on the air by more than sixty-four radio stations throughout the United States. The musical selections will be by the soloist and the organist of The Mother Church, and the church organ will be used. The programs can be heard in this vicinity every Saturday from 12 to 12:15 over Station WNAC, Boston.

### Frank A. Day Jr. High School News

The Halloween Party on Tuesday was a huge success. The auditorium was attractive with the original and appropriate decorations done by home room volunteers. Mr. Read was a fine master of ceremonies and Baron Hugo's orchestra played for the dancing. Patronesses were Mrs. Walter Keene, Mrs. Ralph Leach, and Miss Johnstone, our school principal.

November 1 started our new bond and stamp drive. Day is going to raise \$4,500 in six weeks, the money to be used in buying 20 army mules. Already some home rooms have their mules pastured in the corral, our first floor bulletin board.

Congratulations are due to home rooms 9, 12, 19, 20, 21 and 25. They have a perfect record for punctuality the past week.

The assembly on Friday, November 2 was a moving picture called "Red Feather Magic" a timely showing of the benefits brought to so many by our United War Fund gifts. The last part of the meeting was a brief talk by Mrs. Joseph Morrison on the Red Cross with special emphasis on the constant aid given to war prisoners. The exhibits of the contents of packages sent these men was extraordinary.

travelling interesting. Over twenty-five girls have volunteered to knit afghans for the Red Cross. These will go mostly

to our wounded men in the hospitals. These girls give two afghans a week under the direction of Miss Tobin, one of the faculty.

## Submarine To Be Launched Sunday

### A PROCLAMATION

In view of the fact that the  
Citizens of Newton have spon-  
sored the purchase of the sub-  
marine U.S.S. Catfish through  
War Bond subscriptions during  
the Fifth War Loan, the New-  
ton War Finance Committee has  
requested the Norumbega Coun-  
cil, Boy Scouts of America to  
represent the Citizens of New-  
ton on the occasion of the  
launching of the U.S.S. Catfish,  
and to present to the U.S. Navy  
the plaque naming the City of  
Newton as sponsor—the plaque  
to be placed on the submarine.

As Mayor of the City of New-  
ton, I do therefore delegate the  
Norumbega Council, Inc., Boy  
Scouts of America to represent  
Newton's Citizens at the launch-  
ing ceremonies of the U.S.S.  
Catfish at New London, Con-  
necticut on Sunday, November  
19. And particularly Council  
President James C. Walton,  
Scout Commissioner F. Brittain  
Kennedy, Eagle Scout Henry S.  
C. Cummings Jr., Air Scout  
Parker Mangelsdorf, Sea Scout  
Joseph Bott, and Cub Michael  
Doyle—all of whom will take  
part in the launching ceremonies  
upon the sponsor's platform.

Paul M. Goddard, Mayor  
City of Newton  
Nov. 15, 1944  
9:30 a.m.  
City Hall  
Newton, Mass.

## Craft Purchased By Newton Citizens In War Bond Drive

Acting on the request of the  
Newton War Finance Committee,  
Scouts and Leaders of Norumbega  
Council will take part in the  
launching of the submarine U.S.S.  
Catfish at the Electric Boat Co.  
yards in New London, Connecti-  
cut on Sunday, November 19.

As a salute to the people of  
Newton in purchasing enough War  
Bonds in the Fifth War Loan  
Drive making possible this deep  
sea demo of devastation, Newton  
may well be proud of the amount  
raised, \$10,109,000—117 percent,  
in its War Bond Drive of June  
and July, 1944. James B. Melcher  
of Newton and Frank L. Rich-  
ardson of Waban are co-chairmen  
of the War Finance Committee.  
The quota for the Sixth War  
Loan Drive is \$7,723,000. Start-  
ing with the Second War Loan  
Drive, when quotas were first es-  
tablished, the following was at-  
tained: Second War Loan—\$6,363,  
000; Third War Loan—\$7,416,000;  
Fourth War Loan—\$8,364,000—  
an improving record of achieve-  
ment.

## Very Rev. MacKenzie Appointed Pastor Of Sacred Heart Church

Among several appointments  
made this week by Archbishop  
Richard J. Cushing was the ap-  
pointment of Very Rev. Eric F.  
MacKenzie as pastor of the Sa-  
cred Heart Church, Newton Cen-  
tre and the assignment of Rev.  
Bernard Winn, D.D., assistant  
pastor of the Sacred Heart Church  
as chaplain of the Carney Hos-  
pital in South Boston.

Very Rev. Eric F. MacKenzie  
who will assume his new pasto-  
rate on November 22, has been pas-  
tor for the past year of St. Paul's  
Church in Wellesley. He was born  
in Boston and was graduated from  
Boston College in 1914. He at-  
tended St. John's Seminary and  
was ordained to the priesthood in  
1918. He spent two years in ad-  
vance study at the Catholic Uni-  
versity in Washington returning to  
St. John's Seminary as a profes-  
sor where he remained for 23  
years. He will be succeeded in  
the Wellesley parish by Rev. Rob-  
ert H. Lord, vice rector of St.  
John's Seminary.

## Newton Trust Co. and Waltham National Bank Plan Merger

## Aldermen Refuse Funds For Repairs To Franklin School

The Newton Board of Aldermen  
on Monday night supporting a ma-  
jority report of the public build-  
ings committee refused to ap-  
propriate the sum of \$6,500 requested  
by Mayor Paul M. Goddard for  
alterations and repairs to the old  
Franklin School building on River  
street, West Newton. The School  
department had made a request  
for these funds as the plans were  
to transfer the general depart-  
ment of the Newton Trade School  
from the Hamilton School in New-  
ton Lower Falls to the old Frank-  
lin building.

The reconstruction of Wash-  
ington street between the Boston &  
Albany railroad bridge and Bea-  
con street was authorized and the  
Board appropriated \$12,500 for this  
project at the request of Mayor  
Paul M. Goddard.

The following appropriations  
were also granted:—  
Street Department, construction  
of streets under the betterment  
law:  
Fuller terrace, West Newton, \$5,-  
900.  
Hickey Cliff road, Ward 5, \$4,-  
500.  
Hemlock road, Ward 5, \$5,000.  
Gambier street, Auburndale, \$4,-  
400.  
Farmington road, West Newton,  
\$8,400.  
Russell road, West Newton, \$4,-

Islington road, Auburndale, \$7,-  
800.  
Oakmont road, Newton Centre,  
\$5,400.

## The City of Newton, Massachusetts

By His Honor  
PAUL M. GODDARD  
Mayor

The year 1944 is the fortieth  
anniversary of the founding of  
the National Tuberculosis Asso-  
ciation and the sale of the first  
Christmas Seal to support a  
health program.

Although the death rate from  
tuberculosis has declined sev-  
eral years, much can still be done  
to save the lives of thousands  
of our citizens each year. Fur-  
thermore there is the danger that  
the incidence of tuberculosis may  
increase in time of war.

The Massachusetts Tubercu-  
losis Association is constantly  
waging its effective battle. Let  
us cooperate and assist by pur-  
chasing Christmas Seals through-  
out our City, and in this way  
give our whole hearted support  
to this very necessary work.

## CONSOLIDATION PLAN REPRESENTS 50 MILLION DOLLAR PROPOSITION

Vastly Increased Capital and Assets Will Permit An  
Enlarged Scope of Business Dealings In Territory Served

During the last several weeks  
representatives of the Boards of  
Directors of the Waltham National  
Bank and the Newton Trust Com-  
pany have discussed plans for a  
merger of the two banks.

It is the belief of the Directors  
of both banks that the new bank,  
with increased capital and assets,  
will permit a much broader scale  
of good banking service in the ter-  
ritory served.

In all outward aspects the mer-  
ger will present little or no dif-  
ference to the public, for all phys-  
ical properties of either institution  
will continue in operation as heret-  
ofore and no changes in personnel  
of either bank is planned.

For the banks the consolidation  
plan represents a 50 million dol-  
lar proposition, with capital and  
assets so vastly increased as to  
permit an enlarged scope of busi-  
ness dealings. The plan has been  
approved by the respective boards  
of directors and its adoption by  
the stockholders is recommended.

The consummation of such a plan  
is dependent upon the approval of  
State and Federal banking authori-  
ties and may not, therefore, become  
effective for several weeks.

Working on arrangements for  
the consolidation were committees  
from both banks, with the Wal-  
tham members being William J.  
Flynn and George P. Davis and  
the Newton members being Frank  
L. Richardson, William M. Cahill  
and Benjamin V. Guesney.

## Former Fire Dept. Member Wounded

Pfc. Joseph F. Fitzsimmons,  
member of the Newton Fire De-  
partment on military leave, has  
been wounded in action in Ger-  
many, according to word received  
by his wife, Mrs. Ruth (McDon-  
ald) Fitzsimmons of 19 California  
park, Watertown.

Pfc. Fitzsimmons, who was over-  
seas for about two months before  
he was wounded, is now in a hos-  
pital in England. He was grad-  
uated from St. Charles High  
School in Waltham and is one of  
five service sons of Mr. and Mrs.  
Joseph Fitzsimmons of 23 Lowell  
street, Waltham. Three of his  
brothers, John, a member of the  
Newton Police Department; Wil-  
ham and Richard, are in the South  
Pacific, while the fourth, James,  
is with the Air Transport Com-  
mand.

Special mention was made of the  
Nurse's Aides who have given an  
outstanding number of hours of  
service since they entered the  
Corps. Mrs. Kenneth Crafts has  
completed more than 1500 hours,  
and the following Aides have given  
over 1000 hours of service: Mrs.  
Wiley Brewster, Mrs. Richard

## ABOUT SERIES "G" U. S. WAR BONDS

Many Massachusetts citizens are unaware of the at-  
tractive provisions of United States Savings Bonds  
Series G. We do them a disservice not to bring these  
squarely to their attention. The outstanding features  
are:

- Interest by check twice a year at the rate  
of 2 1/2% per year.
- Denominations as low as one hundred dollars.
- Due in twelve years, or fourteen years short-  
er than the twenty-six year 2 1/2% general  
market bonds offered in the Drive at the  
same price.
- Cashable in whole or in part after six months  
at guaranteed prices on the first day of any  
month, upon not less than one month's  
notice.
- Payable at face value and accrued interest  
to redemption date if holder dies before the  
twelve years are up, provided request is made  
within four months of owner's death.

For these reasons, no one purchaser may buy  
more than one hundred thousand dollars of  
Series G Bonds in any one year.

## \$706,000,000

Massachusetts will be ready for the Sixth War Loan, which opens next Monday, with an organization in which every city and town in the State has its own local War Finance Committee. Most of these committees are substantially unchanged from the successful previous War Loan drives.

As in the earlier campaigns, the stress will be on War Bond investments by individuals, with the popular Series E war savings bond regarded as the most important of the seven securities offered. This state's quota for Series E sales will be \$87,000,000.

For sales to individuals of all types of Sixth War Loan bonds, the goal will be \$173,000,000, a figure almost equal to sales to individuals in the Fifth War Loan. The Massachusetts over-all quota, for war bond investments of all kinds during the drive, will be \$706,000,000. This is slightly less than the quota for last summer's Fifth War Loan, and reflects the lowering of the national quota from the Fifth's \$16,000,000,000 to the Sixth War Loan's \$14,000,000,000.

The steadily increasing cost of the war in the Pacific has been cited as the major factor in the government's decision to appeal at this time for more extra war bond buying. Because of the vast distances involved and the expanding number of troops and ships in action against Japan, the Pacific phase of the war is expected to be the more expensive part during the next few months.

Special bond rallies, a touring Navy Show, and direct appeals by returned fighting men who have seen at first hand what War Bonds buy will feature the Sixth War Loan in Massachusetts.

## Memorial Services For Sgt. Paterson

Memorial services will be held in the Central Congregational Church, Walnut street, Newtonville, at 2 o'clock, Sunday, Nov. 19, for Sgt. Lester Frederick Paterson, A.A.F., killed in action over Yugoslavia, May 29, 1944, husband of the former Louise Hickie of Waltham, and son of Mr. and Mrs. Lester A. ## NEWTON In The Past

55 Years Ago  
Newton Graphic, Nov. 15, 1889

Sunday, Nov. 24th, is Hospital Sunday. Collections are asked in all the Newton churches on that day, or on some other convenient Sunday. Last year about \$2200 was contributed.

The scholars of the Newton High School, feeling the great necessity of a reference library, are circulating a subscription paper to raise funds for this object. The scholars are much inconvenienced by the lack of reference books, and it is hoped they will be supported in this worthy cause by the citizens of Newton.

The city will probably commence the electric lighting of many of the streets, mostly where the lamps are in use, about Dec. 1st. (Newton Highlands item).

The loose paper near the billboard may be the means of starting a nervous horse one of these days.

50 Years Ago

Newton Graphic, Nov. 18, 1894

The first in the course of free lectures provided for the school children of this city by the will of the late Charles Read took place at Elliot hall, Newton, Wednesday. Nearly 1000 children and adults were present. The lecturer was Rev. Henry G. Spaulding, who took as his subject, "Pagan Rome."

Cototest goes one-third farther than last year or better. Therefore the cheapest shortening to use.

Telegrams by mail are a novelty, but, that's what happened here after the big storm. The Western Union lines were not straightened out wholly until the middle of this week.

25 Years Ago

Newton Graphic, Nov. 14, 1919

The sixth grand concert and ball of the Newton Police Benefit Association was held in the State Armory at West Newton, Wednesday night. Chief Frederick M. Mitchell was floor marshal and the assistant floor directors were Charles H. Tainter, Henry F. Tibbetts, John H. Shaughnessy, Andrew E. Moran and Nicholas Veuccio.

It is certainly good news to announce this week that while so many places in and around Boston have failed to make their quota on Red Cross memberships that Newton has maintained her splendid reputation in this respect and has gone "over the top."

The November meeting of the Newton Board of Trade will be held next Tuesday evening at the Newton Club, Newton. Mr. Roger W. Babson of Wellesley will speak on "The Labor Problem."

## UNDER THE HAT AND FEATHER

Newton has raised \$324,760 for the Greater Boston United War Fund. This is 105 per cent of Newton's goal of \$308,000.

The Municipal Division raised 113 per cent of its goal; the Mercantile Division, 111 per cent; the Residential Division, 104 per cent; and the Advance Gifts Division, 103 per cent. With an increased goal in the Manufacturing Division of 20 per cent over last year, the Division met its goal.

Every village in the Residential Division reached its goal, Waban Hill leading with 107.5 per cent, followed by Oak Hill, Lower Falls, Auburndale, Newtonville, and Newton, all over 103 per cent.

Newton Highlands led the Advance Gifts Division, being the first to go over, followed closely by Oak Hill, Auburndale, and Newton.

The final report of the Municipal Division shows the School Department reached 114 per cent of the goal and the General Department, 111 per cent. Leading in the General Section were the Library, Street and Police Departments, all over 112 per cent.

Outstanding in the Mercantile Division were the Chest Agencies, that reached 143 per cent of their goal. Package Stores, Taverns, Banks, Bank Employees, and Special Accounts all went substantially over their goals. All of the seven villages with Mercantile teams also went over the top.

The Manufacturing Division received splendid support this year from Newton corporations, reaching \$30,102. The 1944 campaign total subscriptions were approximately \$25,000, and 1943 subscriptions were about \$20,000. Support from industry to the Community Chest and the War Fund is outstanding.

The Victory meeting held Tuesday, November 14, was an outstanding success. In appreciation of the services rendered by Thomas E. Shirley, chairman, the campaign organization presented him with a pair of handsome tooled leather book ends.

As many cards still are outstanding in the hands of the workers, it is expected that Newton's final total will be substantially in excess of the present figure of \$324,760. The present total is the highest ever raised in Newton.

The closing date of the Greater Boston United War Fund will not be until Wednesday, November 22. With \$2,000,000 more still to be raised, contributions will still be welcomed. Newton will be glad to do "more than its share."

## Bridge Party to Benefit Hospital

For 18 consecutive years the Women's Association of the Massachusetts Osteopathic Hospital, Jamaica Plain, has held a bridge party for the Hospital benefit. This year, as announced through Newton Auxiliary of the Association, it will be held this Saturday, Nov. 18, in the Hotel Vendome, Boston, at 2 p.m., with Mrs. Clifford O. Mooney, 69 Highland avenue, West Newton, in charge of a cake and candy table.

In the Newtons, information concerning the bridge may be had of the Auxiliary president, Mrs. John S. Merrill, 37 Hinckley road, Waban, or Mrs. Mooney.

The Women's Association consisted of but one group when the first of these bridge parties was held, in the year before the Hospital opened its doors. It has now grown to comprise twelve separate Auxiliaries which, in addition to supporting events conducted by the Association as a whole, put on independently a wide range of projects in aid of the hospital.

## Politics With Color

by P. W. C.

### The Election

Last Sunday night I heard something on the radio which disturbed me very much. It was this. One of our veteran commentators, a very capable, conservative and sound analyst of current events as well as politics, made the statement that the speech in America, especially over the air waves, appears to be seriously menaced. Realizing that this particular expert had been frankly critical of the administration during the recent campaign, it occurred to me that the heat had been turned on and he had been told by someone to mend his ways. In this connection, did my readers notice that the great majority of the radio commentators favored Mr. Roosevelt. Among them was Drew Pearson, whom the White House had labeled a "chronic liar" not so many months ago. That doesn't make sense, does it? Furthermore, Pearson naively advised us all Sunday night that he was too big a man to hold anything against our Commander-in-Chief in war time. I think there is something rotten in Denmark. The men in our armed forces certainly do not expect to come back to a United States in which free speech, either in the press or on the air has been curbed. This situation should be watched very closely.

Let us now consider the election once more. There are so many angles and so many contents to discuss that I shall have to take them up piece-meal. Probably the most significant development of all is the emergence of the PAC of the CIO as a political power of far more influence than the Democratic party, whose chestnuts it pulled out of the fire on November 7. Frankly, I can see no future whatsoever for the Democrats as a party. The winning combination on November 7 consisted of Mr. Roosevelt and organized labor, as exemplified by the CIO. Remove Mr. Roosevelt from the scene and Democrat is sunk, insofar as a major party is concerned. If you doubt that statement, watch carefully what transpires during the next four years.

Next in importance, as your columnist views the over-all picture, is a development which is giving professional politicians a real headache. I refer to the growth of the so-called independent voters and the members of the two major parties to vote the straight ticket. The old days, when a staunch Republican was told to vote for the devil himself if he wore a Republican label, are gone forever. It is just as we

Consider what happened in our own state. Who ever heard of a Democrat coming up to Boston on election night with a plurality of approximately 100,000 votes? The C.O.P. has always conceded Boston to the Democratic candidate by anywhere from 60,000 to 85 or 90,000 votes. The average Republican entry could always spot his opponent the normal Boston plural.

OUTSIDE that city he would have enough votes to more than offset it. Not so this year. Why? I gave several reasons last week. Here are one or two more. Let developments that Mayor Tobin drew up in his search for votes. Both men covered the state in a broad sense. Tobin, however, gave it a more intensive coverage. In one instance, Cahill did not bother to do much of anything whereas Tobin showed up in a "small town" and took the trouble to shake hands with nearly 1000 people. That's the way to get votes. You don't do much business by making a speech at a Republican committee meeting or at a Rotary Club. It is the constant personal contact with storekeepers, housewives and the man-on-the-street that makes votes. That is where Tobin was smart and it paid big dividends.

Another point. Tobin came up with a program of his own for carrying on the affairs of state. Cahill talked chiefly about the record of the of the present administration at the State House and in the government services during the early-Hitler regimes. In other words, Tobin appeared to be more original and constructive than Cahill. That is what the non-politically minded voters want to hear.

### Congressman Herter

Our very capable and deserving Congressman in the Tenth district, Christian A. Herter, won a smashing victory over his 1942 opponent, City Councilor Bill Carey. Perhaps one reason was the atrocious campaign circular put out by Carey. It gave a very unfair and inaccurate, to phrase it politely, picture of Chris Herter. He was made to look like a cold-blooded and utterly heartless individual who seldom cast a decent vote or took a progressive stand. Even the Democrats couldn't swallow that attitude. It seldom pays to deliberately misrepresent a high-minded public servant. Congratulations, Congressman, on your well-earned victory. We understand the margin was something like 17,000 votes. You, too, appear to have received a mandate.

## HALF-PAST VICTORY.

The clock of the war is in the custody of our American women. They can push the hands ahead by working to their utmost on the production front or they can postpone the hour of victory by lack of interest. Did you ever stop to think what a tremendous responsibility each woman has — when the length of this war can be influenced by her decision to do war work or not to do it? At Raytheon's Radio Receiving Tube Division, Newton, the employees have decided "to do it" — and do it right. They have chosen one of the most vitally needed products to work on, Electronic equipment. They have chosen more of the most pleasant places to work in, Newton Raytheon. And they have chosen the most important persons to work for — their own men in service. It's going to be a long tough winter for the overseas boys; but it will be still tougher if the women aren't using these precious months for war work. You have no idea how proud the boys are of their wives, sweethearts, and mothers who work at Newton Raytheon. They think more of the sacrifice the folks at home are making than of their own magnificent fighting. With this in mind, our "Rays" have determined to use every bit of their energy to wind up the clock of victory and bring the hour of peace nearer.

SEABEE TELLS OF INVASION OF PELLERU. The following letter was written by Lindell E. Turner, S. 1-c of the Seabees, brother of Evelyn Turner, 4 Mead street, Allston, an employee of the Chemical Laboratory, Newton Plant. "Dear Folks:

There's so much to tell... so I'll start at the beginning. "D" Day was the 15th of September. Early that morning we lay at anchor off the island of Peleliu. The water around us seemed filled with our landing barges, ships, and boats of all descriptions. Formation after formation of planes dive-bombed and strafed it until the whole island seemed one mass of smoke and flame. It seemed to us, watching, that nothing could stay there and remain alive. However, we found later there was something very much alive that lived through it, and that something was Japan. We've killed about 7,000 in date, and personnel assisted in more cases I know of for sure.

"The first wave assault troops landed at 8:30 (H-Hour). The ships ceased their bombardment temporarily, while the planes redoubled their effort at strafing the beach. We could dimly see the beach. The shells landing all around our amphis. At 10:00 AM my landing boat was called. One of our boys was shot in the chest — dead — before we reached the beach. Bombs, strafing of planes, fluttering sounds of mortar shells, over head, their sharp explosion as they hit the beach and water, the whine of bullets, and the cracking of guns.

"The Marines had penetrated here only about 100 feet inland, if that. We were practically on the front lines. Down the beach we went, crouching, ducking, hitting the deck now and then — we had to get our assignment. We went in about 100 yards and dug in. "Then the shell fire abated somewhat and for a while we had a breather. Then all hell seemed to break loose. It was a Jap counter-attack spearheaded by tanks. The Marines were ordered to retreat to our line and boy oh boy and things sure looked bad. Another 100 yards and we would be in the water. But our tanks, 37 M.M. cannons, and mortar batteries had not been idle. They stopped the tanks, practically wiping them out before too much damage was done.

"They started the counter-attack about 4 P.M. We stayed there all night shooting at one another. At dawn the planes came to our aid with strafing. Our tanks and Marines, God Bless 'em, went to work and pushed the Japs back across the Air Strip. We really went to work carrying supplies and ammunition, and in the days following, acted as stretcher bearers. We worked like heck half the night and all day for a week. And every now and then they would drop those mortars. Some of the sights I have seen I want to forget. It seemed as though I was carrying a ring of horse shoes around my neck. Once the concussion of a shell burst so close that it practically knocked me off a medical supply truck which I was unloading. I only received a small bruise on my shoulder where I hit the ground, but my ears rang all night.

"Don't worry, I'm in the best of health, really. They say that this was the best fortified island our forces had struck so far. It was a Jap naval and air base. There were concrete pill boxes everywhere and in the middle are a bunch of hills just honeycombed with caves and underground fortifications. It was from them we were shelled intermittently for 7 or 8 days.

"They are still fighting in those hills but it is almost over."

## Dining With Jane and Bill

Bill—Say, Jane, why don't we have boiled onions for dinner  
tomorrow night?

Jane—Well, O.K. That's an idea. We haven't had them  
in ages.

Bill—I just finished reading in the paper that there's a  
large supply of onions this year, so they ought to be a good buy.

Jane—Yes, there seemed to be lots of them in the store  
today when I was marketing.

Bill—Of course they do smell up the house. It's a good  
thing we're not having company.

Jane—I was just getting around to that, Bill. I learned at  
the Nutrition Center that strong-flavored vegetables give off  
very little odor if they're cooked until just tender instead of  
boiled until soft and mushy.

Bill—It seems to me I do remember something about their  
containing sulphides that break down and cause the odor. Did  
they mention that at the Center?

Jane—Yes they did, and they also suggested how to cook  
them. The young new ones need very little water and can be  
cooked in a covered pan. The older ones should be covered  
with water and the top left off the pan.

Bill—Uhm. A good thing to know. At that rate I will  
hardly be able to tell what vegetables are cooking when I come  
home tomorrow night. Another thing about onions—I hate to  
ask you to fix them when they make you cry so.

Jane—Oh, there's a trick to that too, Bill. I peel them  
under water now and that keeps me from crying. Also if you  
breathe through your mouth while fixing them, it keeps you from  
inhaling the fumes, or whatever they call it, and in that way  
you don't irritate the tear ducts.

Note—What do onions have to offer in food value? One  
medium onion contains about 6-10 milligrams of ascorbic acid  
(vitamin C). The recommended allowance for an adult is 75  
milligrams per day. A serving of onions can contribute a fair  
share of ascorbic acid to the diet.

Other good sources of ascorbic acid are: Citrus fruit, 55  
milligrams; tomatoes, half cup, 20 milligrams; cabbage, raw,  
1 cup, 50 milligrams.

## What did you do with the first dollar you ever earned?

Did it go for a celebration, that hat you'd had  
your eye on, a musical comedy, a box of candy  
for your best girl — or did you realize the full  
significance of what it meant to be earning your  
own money for the first time? If you did,  
chances are you saved that dollar, started a  
bank account with it, and watched it grow  
and multiply through the years.

Those who have set aside a small amount of  
money regularly each week in a mutual savings  
bank can tell you how quickly the dollars add up.

Systematic saving now will bring within your  
reach the important things in life every man  
and woman wants. Isn't that worth saving for?

## "I Am Spend-THRIFTY"

Not only do I buy and hold all the War Bonds I can and put my extra dollars in the bank for emergencies—but I make certain that I pay no more than ceiling prices for anything I buy.

I plan my saving and plan my spending so I will be able to get the things I want at the right time and the right price after the war.

I'm not helping to drive down the buying power of U. S. money.

My dollars are not competing with other people's dollars for scarce goods. I am spend-THRIFTY!

## Newtonville Woman's Club

Nola Luxford, actress, war-correspondent and writer, formerly of New Zealand will be the speaker at the President's Day program of the Newtonville Woman's Club to be held on Tuesday, November 21st, at 2:30 p.m.

Elva R. Boyden, former member of the English Opera Company with Morse Hathwaite, accompanist, will furnish the musical program.

In connection with the observance of President's Day in the Newtonville Woman's Club on Tuesday, November 21st, the Art Committee of the Club is arranging a Community Art Exhibit to be seen in the reception room during the coffee hour and also immediately after the program.

Twenty-seven artists living in Newtonville have been invited to show an original drawing or painting in either water-color or oil, and a very interesting and varied exhibit is expected from this talented group, which includes not only professionals but others who have discovered in this phase of art a fascinating and delightful hobby.

The Art Committee consists of Mrs. Charles H. Abrams, Jr., Mrs. Otho M. Fish, Mrs. Carl B. Horton, Mrs. Frank E. Morey, Mrs. H. Stange, Mrs. Frank A. Wightman, and Mrs. Philip E. Goodhue, Chairman.

Coffee will be served in the social hall at 1:30 by Mrs. John F. Driscoll, Hospitality Co-chairman assisted by the committee. Mrs. Albert P. Everts, Mrs. Frank L. Nagle, Mrs. James L. Richards, and Mrs. Fred W. Rust will be pourers.

The guests of honor are Mrs. Herbert F. French, American Home Chairman, G.F.W.C., Mrs. Edna Troland, President, M.S.F.W.C., Mrs. Richard H. Davis, District Director, and Miss Adelaide Ball, President N.F.W.C.

The board members will act as hostesses to our other invited guests, the presidents and another officer from the clubs of the 12th district and neighboring clubs.

## Recent Shower

A baby shower was given Mrs. Paul R. Viles last Monday evening at the home of Mrs. Isabelle Murray on Rangely road, West Newton. The dining-room was decorated in pink and white and a lovely bouquet of white chrysanthemums and gladioli. Refreshments were served.

Mrs. Viles received many beautiful gifts. Guests were from Hyde Park, Cambridge, Boston, Brighton and Newton, Corporal Paul R. Viles of 6 Orchard street, Newton, is now with the Air Transport Command in India.

## War Fund -

(Continued from Page 1)  
be exceeded substantially. When the total of the five Divisions was added, the grand total was even beyond the fondest hopes of the Chairman, who had been so busy during the evening greeting guests that he had not been able to keep up with the returns as they came.

The Municipal Division made 113% of its goal; the Mercantile Division 111%; the Residential Division 104%; and the Advance Gifts Division 103%. The Manufacturing Division, which on Monday morning found itself with only 80% of its goal in hand, put on an intensive effort Monday and Tuesday to arise an additional \$6000 and reported this amount obtained with a surplus of \$102.

A presentation of a pair of handsome tool-leather book ends was made to Tom Shirley by Clark E. Woodward, President of the Chest, in appreciation of his untiring efforts and outstanding performance. In making the presentation, Mr. Woodward paid high tribute to Mr. Shirley and stated that he had now joined the ranks of successful Campaign Chairmen, including A. Leslie Harwood, Maynard Hutchinson, William V. M. Fawcett, Neil Leonard, and Charles B. Floyd, and that while he could not say Tom was a better Campaign Chairman than his predecessors, he could say that he had raised more money.

Mr. Shirley, in accepting the gift, said that the campaign was successful only because of the fine spirit given by the workers and subscribers throughout the City and that he felt he had been very fortunate that the Division Chairman had accepted because he was certain that with the support he knew he could count on from them, the Campaign could not help but succeed.

Mrs. D. Allen Smith, Chairman of the Events Committee, was in charge of the social part of the evening. Seiler served dessert and coffee to the large gathering in attendance, and Phil Chaffin entertained during the evening with the accordion. In appreciation of the unselfish and co-operative assistance given, in preparation of and during the campaign, by Miss Katherine C. Walker, Executive Secretary of the Newton Community Council, Miss Alice McKean, and Mrs. Patricia Henderson, secretaries at the Chest office, corsages were presented to them by Mr. Shirley.

In closing the meeting, Mr. Shirley stated:  
"We are very happy tonight in the knowledge that Newton has again raised its goal in the Greater Boston United War Fund. We should remember, however, that there are a great many people who have not yet made subscriptions. Inasmuch as the Greater Boston Fund does not have its closing night until November 22 and as every dollar that can be raised will be used profitably by our Red Feather Agencies, the USO, and other National War Fund groups, we should not consider our job done until we have called on and received a subscription from every prospect on our list who has not yet subscribed."

## Junior Red Cross In Record Collection

The elementary school children of Newton have established quite a record, it is reported by Miss Jane Wyman, chairman of Junior Red Cross. They have collected 265 bags (about the size of onion bags) of milkweed pods which will be used in the manufacture of life jackets. This project was started early in the school term, and has been carried on most successfully.

"The Juniors are now in the midst of their annual membership campaign and have the surplus of life jackets. Through their contribution to the National Children's Fund, they are able to assist in the rehabilitation of children abroad," said Miss Wyman. Soon the elementary school members of Junior Red Cross will pack gift boxes containing health and educational articles for shipment to the liberated countries of Europe.

## Auburndale Woman's Club

The Executive Board of the Auburndale Woman's Club is sponsoring a Trading Post which will open on Saturday, November 18th in the store formerly occupied by the Newton Trust Company in Auburndale square.

This unique project will be a major event of the year because it will benefit all members of the club who wish to bring to the Trading Post their salable merchandise. Individual tags will be placed on all objects, prices of which will be determined by the owner. One third of the purchase price will be turned over to the club treasury, two thirds returned to the original owner.

A committee of 60 women has already acclaimed the Trading Post and since it is planned to create the atmosphere of a smart gift and antique shop. Many precious pieces of jewelry, antique furniture, and other objects of art have already been offered.

The entire membership of the club and friends in neighboring towns are going through their homes to determine which of their treasures and possessions they would like to turn into cash to help the club treasury with its many philanthropic activities.

On Friday, November 17th the Trading Post will be open to the public for inspection only.

A charge of 10 cents admission or a membership card, presented at the door will be required on this day only. No sales will be made that day.

Saturday, November 18, has been set for the official opening day, hours 10 a. m. to 5 p. m., and each day, excepting Sundays, holidays for a period of three weeks. Mrs. Louis P. Billings and Mrs. Herbert Farrier are co-chairmen of the committee in charge.

## W. Newton Womens Educational Club

The Educational Garden Club of West Newton holds its meeting on Monday, November 20, at the home of Mrs. C. Warren Howe, 161 Randlett Park, West Newton at 1 o'clock. Mrs. Percival Waters will be co-hostess. Dessert and coffee will be served followed by a business meeting. Mrs. Patricia Dunne will give a Review of Garden Books which is of interest to Garden Club members.

## Admiral King On "Meet Your Navy" Radio Program Sat.

As the main attraction of the broadcast program "Meet Your Navy" on the Blue Network, Saturday, November 18, at 7:30 p.m., Admiral Ernest J. King, Commander-in-Chief of the U. S. Fleet, will speak. This program is heard locally over Station WHDH, Boston.

The "Meet Your Navy" program, which is reaching a live audience of millions of friends and relatives of Naval personnel, are broadcast from the Great Lakes Naval Training Station in Chicago, Illinois. Such Bluejacket talent as bands, instrumentalists, soloists, and famous Navy choir highlight the program, and this week, in having Admiral King featured with these talented artists, it should prove to be a broadcast which every American will want to hear.

Admiral King has had a long and colorful career. Appointed to the Naval Academy from Ohio in 1897, he graduated just in time to serve in the Spanish American war.

In World War I he served as Assistant Chief of the Staff, Admiral Henry T. Mayo, U. S. Navy, Commander-in-Chief of the United States Fleet, and for that service was awarded the Navy Cross. In 1923 he commanded the submarine Base, New London, Conn., and supervised the salvage operations of Submarine S-1, which sank off Block Island in September 1925. For that service he was awarded the Distinguished Service Medal. After the sinking of the Submarine S-4, off Provincetown, Massachusetts, in December 1927, he commanded the Salvage Force and was awarded the Distinguished Service Medal, Gold Star, for that difficult task.

In 1927, Admiral King qualified as a naval aviator at Pensacola, Florida, and in 1928 was appointed Commander, Aircraft Squadrons, Scouting Fleet. He served as Assistant Chief of the Bureau of Aeronautics during 1928 and 1929, and was in command of the USS Lexington until 1932, when he attended the senior course at the Naval War College. He was appointed Chief of the Bureau of Aeronautics, Navy Department, in May 1933.

Admiral King served as Commander, Aircraft, Base Force, from June 15, 1935, until October 1, when he assumed command of Aircraft, Scouting Force. He was Commander, Aircraft, Battle Force, with rank of Vice Admiral, from January 29, 1938 to June 24, 1939, and on August 1, 1939, reported for duty as a member of the General Board. He assumed duty as Commander, Patrol Force, United States Fleet on December 17, 1940, and on February 1, 1941, became Commander-in-Chief Atlantic Fleet, with the rank of Admiral.

December 20, 1941, he became Commander-in-Chief, U. S. Fleet, and March 9, 1942, he became Chief of Naval Operations. He now holds both commands.

Admiral King has received the following decorations in addition to the Navy Cross: the Distinguished Service Medal and the Gold Star for his second award: Sampson Medal, Spanish Campaign, Mexican Service, and Victory Medal.

It is generally conceded that he has been the brains and motive power behind our entire Naval effort, and as such, deserves the unstinted praise of every American citizen.

## Newton Upper Falls Garden Club

The Newton Upper Falls Garden Club met at the home of Mrs. Donald F. Plimchaugh of Rockland place, Newton Upper Falls on Monday, November 13.

A covered dish dinner was enjoyed by twenty-four members. Mrs. Plimchaugh was assisted in serving by Miss Madeline Sears and Miss Alice Jones. Mrs. A. W. Flint, as co-hostess President, presided at a short business meeting. It was voted to make and donate by the members, twenty Christmas wreaths for the Veterans Hospital in Brighton. The members will also assist and serve afternoon tea in the new children's reading room on Monday November 20, at the Ralph Waldo Emerson School.

## Catherine Paine Speaks To Stoneham Rotary Club Tuesday

Catherine J. Paine of Newtonville was dinner guest and speaker at the Stoneham Rotary Club, Old Fellows Hall, Stoneham, Tuesday, Nov. 14.

Miss Paine is an agent of the Massachusetts Department of Labor and Industries. She addressed the members of the club and their guests on the problems of both labor and industry and of the benefits that have accrued to society in this State by the operation of the Department.

## Recent Engagements

Mr. and Mrs. Robert Hall Garratt of 72 Perkins street, West Newton announce the engagement of their daughter, Miss Dorothy Burr Garratt to Lt. Harry L. Gayer Jr., USAAF, son of Mr. and Mrs. Harry F. Gayer of Weston. Miss Garratt attended Beaver Country Day School and was graduated from Mt. Vernon Seminary, Washington, D. C. She is now attending the Garland School, Boston. A debutante of the 1942-43 season, she is a provisional member of the Junior League.

Lt. Gayer was graduated from Berkshire School in 1942 and entered the Army Air Corps the same year. At present he is an instructor at Luke Field, Phoenix, Arizona.

Mr. and Mrs. Roger Flint of 15 Victoria Circle, Newton Centre, announce the engagement of their daughter, Miss Ruth Flint to Duncan M. Fitchet, USMCR, son of Mrs. Seth Fitchet of 992 Beacon street, Newton Centre, and the late Dr. Fitchet.

Miss Flint was graduated from Chapel Hill School and is now a junior at Wellesley College. Mr. Fitchet has completed the Marine V-12 training and will graduate from Dartmouth College. He will be stationed at Parris Island and later at Quantico, Virginia.

Mr. and Mrs. Charles W. Buford of 30 Berwick road, Newton Centre, announce the engagement of their daughter, Miss Genevieve MacDonald, USNR (W), to Mr. Charles A. Brown, Jr., USMC, son of Mr. and Mrs. C. A. Brown of New Haven, Ct. Miss MacDonald was graduated from Sacred Heart Country Day School and attended New Rochelle College. Mr. Brown attended Brown University.

## Lucy Jackson Chapter D.A.R.

Miss Katherine R. Briggs, National Vice Chairman of American Indian Committee spoke on "Indians of To-day" at the meeting of Lucy Jackson Chapter, D.A.R., on November 13th at the Chapter House in Newton Lower Falls.

Mrs. Maurice Strauss of the Newton Red Cross gave a short talk on Red Cross Service to Prisoners of War.

There was an Exhibit and Sale of Indian Arts and Crafts.

At the social hour following the program a committee of fifteen ladies chaired the Chairmanship of Mrs. George W. Eyleshymer served refreshments.

## Auburndale Review Club

Mrs. Stephen E. Wright is the hostess for the Auburndale Review Club at its meeting on November 21. She will also have an interesting part in the program, following her paper given at a previous meeting on Pacific Pioneers, for she plans to read extracts from the diary of her great grandmother, Laura Fish Judd, a pioneer in Honolulu, wife of a medical missionary.

Mrs. James G. Patterson is to present a paper showing the part which the China and India trade had in the development of America. Her title is "Gold of Ophir".

The program ends with a review of Roy Chapman Andrews' autobiography, "Under a Lucky Star" to be given by Mrs. Charles E. Valentine.

## "Gallon Club" Members At Local Red Cross Party

A party in honor of the 59 members of the Newton "Gallon Club" was given on Wednesday evening, November 15, at the Newton Red Cross Chapter House. Mrs. C. Terry Collins, chairman of Newton Blood Donor Service, was in charge of arrangements, and the group was congratulated by Miss Anastasia Kirby, assistant to the director of the Boston Blood Collection Center.

Village groups were formed and the members were told that they would be looked upon as the nucleus of a recruiting team to obtain new blood donors from their immediate neighborhood, and to try to see that Newton donors go to the Center, insofar as possible, during the first week of the month.

Mr. Arthur A. Hunt and Mr. Albert Carpenter were introduced as the first Newton "Two-Gallon Clubbers" and the "Gallon Club

## Tower - Burgess

On Saturday, November 11, Miss Mary Alice Burgess became the bride of Corp. Charles Sumner Tower, U.S.M.C., son of Mr. and Mrs. Lewis Tower of Hingham, in the Rectory of the Church of Our Lady, Newton. The four o'clock ceremony, performed by the Rev. Russell T. Haley, was followed by a reception at the home of the bride's parents, Mr. and Mrs. Charles E. Burgess of 51 Newtonville avenue, Newton.

With her gown of ivory brocade, the bride wore a fingertip veil from a Juliet cap trimmed with seed pearls and carried Eucharistic lilies and sweet peas. Her maid of honor, Miss Mary R. Hesley of Newton Lower Falls, was gowned in aqua brocade, and carried pink chrysanthemums which matched her headdress. Leonard Mullen, a cousin of the bride, was the best man for Corp. Tower.

Following a trip to New Hampshire, Corp. and Mrs. Tower will make their home, for the present, at the Portsmouth Navy Yard, where he is stationed.

## New Telephone Books Ready For Distribution

School boys, school teachers and housewives in their spare time between now and early December, are going to deliver this year's new telephone directories serving the Greater Boston area. They are stepping in to pinch hit for about 300 full-time delivery men who, but for the wartime shortage of manpower, would normally do the job. They are receiving their know-how and guidance from the relatively few experienced distributors still available. Altogether, the corps of part-time delivery people will number between 700 and 800, according to F. J. Campbell, manager of the New England Telephone & Telegraph Company.

The directories to be delivered are the 1944-45 issues of the Boston and Vicinity Directory, distributed to all telephone customers in the metropolitan area, and five smaller localized directories, each confined to a particular district in the area. Among these smaller directories is that for the Newton District, delivery of which along with the Boston directory will start about Nov. 20, 1944.

Newly included in dialing information in the introductory pages of the Boston directory is a description of a new signal of a siren-like sound, which is being put into use the middle of this month as a means of informing dial telephone users when, as occasionally happens, their misdialing forms central office above violations not existing in the dialing area. The distinctive rising and falling pitch of the signal would be heard, for example, if instead of LIB for Liberty, LBI were dialed.

In the whole metropolitan area, Mr. Campbell said, about 475,000 copies of the Boston directory and about 100,000 copies of the directories for local districts will be distributed. These figures, he said, would be considerably higher were it not for the fact that many customers with more than one telephone are getting along with fewer than their normal number of directories, based on one per telephone, in order to help save paper.

Also to help relieve the critical paper situation, the teen-age boys and their elders are going to recover for salvage all the old 1943-44 directories they possibly can. Last year the recovery effort resulted in reclaiming about 70 per cent, or nearly 25 tons, of the old books. As good a record, or a better one, is being aimed at this year.

Where old books cannot be recovered at delivery time, customers themselves are urged to look after the matter of prompt disposal into salvage. Such action, it is pointed out, also prevents old directories being used for calling purposes with the possibility of calling numbers that have been changed. Before they discard old books, customers are cautioned to make sure nothing of value is tucked between the pages.

As one of the largest telephone directories in the United States, the Boston directory contains approximately 387,000 listings in 816 white pages. The yellow pages (Classified Directory) number 564. All listing revisions include changes arranged for prior to October 4, 1944. Including the cover and introductory pages containing general information, the new Boston directory has 1384 pages.

Besides the Boston directory's distribution in its normal area, it has a wide circulation throughout the country. During the war years special attention is being given to its distribution to centers where service men and women go particularly for the calls they make. Many of these centers, in training camps and cities, are sponsored and operated by the telephone companies. The directories are also furnished to military and naval hospitals where special bedside telephone facilities are available to the war wounded.

To help maintain the high standard of listing accuracy, Mr. Campbell says it is a standing request of his company that telephone customers check their listings upon receipt of each issue of the directory and report any inaccuracy, even the slightest, to the telephone business office. The old directories now to be replaced are rated extremely high in accuracy, the Boston directory, for example, being 99.97 per cent accurate.

## A Much Travelled Book Returns Home

A young soldier recently brought back to the Newton Free Library one of its books which must hold the record as the most travelled book in the library. The book is a Glossary of Architectural Terms which was added to the library back in 1876 when the library was young and small. It apparently left its home in Newton in 1937 and in the intervening years has been to the Solomon Islands and back, been captured by the Japanese, rescued by the Seabees, looked after fondly by several young men, interested in architecture and with kindly feelings to a New England book so far from home and through their kindness carefully returned to its home post. According to the record of its travels made by Albert Nemoede, USNR of Chicago, the book returns from the Isle of Banika, Isle of Nissan, it flew to New Hebrides, traveled by boat to San Diego, by train to Philadelphia, to Chicago, to Boston, to Newton. It is but little the worse for its long travels and unusual adventures.

## Church Plans Two Day Penny Sale

Saint Ignatius' Church, Chestnut Hill, will hold a Thanksgiving Penny Sale on Tuesday and Wednesday evenings, November 21st and November 22nd at 8 P.M., in the Boston College Auditorium, in aid of the Building Fund for the New Saint Ignatius' Church.

## Newton Hospital Aid Directors Meet

Climaxed by the vote for an appropriation of \$2500 toward the establishment of a baby-formula room for the obstetrical department of the Hospital, the Newton Hospital Aid Association directors met Tuesday morning, Nov. 14th. Tables along the sides of the spacious lounge of the nurses' home, which is used for the eight monthly meetings of the board, held articles donated for the Treasure Sale. Presided over by Mrs. Theon B. Walker, and with Mrs. Carlos T. Pierce acting as secretary to complete the term of Mrs. Lawrence Allen who recently resigned, the usual reports of the association treasurer, chairman of the Benefit Shop and chairman of the Coffee and Gift Shop are given, and a very interesting resume by the month's chairman of the hospital visiting committee. At the close of the report Miss Mabel McVicker, superintendent of the school of nursing presented the head of the baby-formula room, a need which has become acute, due to the increased hospital census of the obstetrical department and to the increased enrollment in the school of nursing.

Mrs. Francis F. Williams, chairman of the Benefit Shop, in behalf of her committee, thanked those who had contributed so generously to the treasure sale, which is held annually to benefit the Shop. She has two ambitions for the shop, a wheel chair and a bedside toilet chair which can be rented or loaned as the need may require. Miss Ethel Woodberry, treasurer of the shop, gave the year's financial report.

Mrs. Walter L. McGill, chairman of the Coffee Shop, said that October—the fourteenth month since the shop opened, is the banner month to date, with 7528 customers. The menus have been enlarged and the specials for luncheon and dinner have proven very popular.

Mrs. Frank R. Clark, general chairman of the membership drive which is in progress at this time announced that the village chairmen were active and cooperative and that the number gained by their efforts to increase the membership in the Aid Association will be announced next month. The chairmen from each village helping in this membership drive are: Mrs. Benjamin W. Pepper, Auburndale; Mrs. Frederick S. Ernst, Chestnut Hill; Mrs. Carlos T. Pierce, Newton; Mrs. Herman F. Wells, Newton Centre; Mrs. Herbert G. Dunphy, Newton Highlands; Mrs. Mollie Ames, Newton Lower Falls; Miss Madeline Cobb, Newton Upper Falls; Mrs. Dana B. Clark, Newtonville; Mrs. Francis F. Munroe, Waban; Mrs. Winthrop G. Dow, Wellesley; and Mrs. Edward W. Pride, West Newton. The Wellesley members of the board of directors are having a coffee this week, for Wellesley residents, it was announced, to promote membership in the Aid. Invited are those who are volunteers at the hospital either as aides, dietitians, Grey Ladies or in the Coffee Shop.

Mrs. Benjamin D. Miller, in her report of the visit she and Mrs. Orville Forte made to the hospital this month under the escort of Mr. Hartman, superintendent, told of the medical library, which is one of the new projects of the hospital, and of the occupational therapy rooms which are now being set up, with the assistance of Miss Helen Washburn, occupational therapist. In one room will be a loom, ceramics, metal working, and all sorts and types of occupational work. An open porch will be added to the rooms in the summer time. Patients may have the work either in their own rooms or wards or be taken to the therapy rooms. This progressive step in hospital equipment is creating much interest. Mrs. Miller said that one of the new services to mothers of new babies, mothers whose husbands are in the service, is a picture of each mother and child taken in their hospital room, the service man's portrait on the bed-side table an important feature in each picture. Under the picture which is mailed to each new service father, the lines read "We thought you would like to know that your wife and child are doing nicely. We are sending you this picture with our compliments and good wishes. Cordially, the Medical Staff, the Nurses and all the personnel of the Newton Hospital."

At the close of the meeting coffee was served. Mrs. Henry F. Keever and Mrs. Benjamin W. Pepper were hostesses and Mrs. Ernest F. Drew and Miss Florence E. Tower were their assistants.

## Teachers Speakers At Wheelock College

Mrs. Elizabeth Peterson of the Guidance Department of the Newton public schools and Miss Gladys Mackin of Newton were among the six classroom teachers who spoke to the juniors at Wheelock College Thursday afternoon (Nov. 9) on "Discipline, Its Meaning in the Life of the Child."

It was the third in a new series of general discussions by men and women, active in the field of childhood education, who bring before the young women the practical aspects of the profession. The program, in which both faculty and students participate, is designed to help the students develop a curriculum for children that suits their learning experience.

Following the discussions the juniors meet for further study in small groups selected by the faculty and under the direction of an elected student leader. Each previous discussion is evaluated and new questions raised, which faculty advisors are available to answer, if the juniors wish.

Buses will leave Cleveland Circle at 7:15 and 7:40. The following committees are in charge: General Chairman, Dr. Mary Moore Beatty; In charge of Donation Books, Mrs. John L. Foley; Publicity Committee, Dorothy D. Storey and Edward H. Costello, assisted by the several members of the parish.

# STRAIGHT TALK

## ABOUT THE

# SIXTH WAR LOAN DRIVE

**AS WE MOVE** closer to victory, it wouldn't be surprising if you were saying to yourself—"What's the big idea of asking for all this additional money now? Isn't the war almost over?"

No sir, it is not! Not by a long shot. Of course, for many months now you've heard mostly about the war with Germany, where our greatest effort is concentrated. That's why many people have the idea that the war's practically over.

But make no mistake about it—nothing could be farther from the truth! The Japanese war is a tremendous undertaking, and victory will come high. We'll have to fight every inch of the way.

### Everything Costs More—in the Pacific War

The European war is expensive, but almost everything in the Pacific war will cost more. Take transport costs, for instance: Because of the longer distances, the same amount of freight costs 25 per cent more when shipped to the South Pacific than to Europe. And it takes twice as many cargo ships in the Pacific to support a task force of a given size because turn-around time is twice as great!

### More Planes . . . Tanks . . . Ships . . . Oil

In addition, we shall need more of everything. More B-29 Superfortresses that cost \$600,000 each. More P-47 Thunderbolts that cost \$50,000 each. More M-4 Tanks, with bulldozer blades, that cost \$67,417 each. More amphibious tanks—more aircraft carriers—more supply ships—more gasoline and oil than it took for the invasion of Europe!

### Care for the Sick and Wounded

And lest anyone forget, we shall need more battalion aid stations—more clearing stations—more evacuation hospitals—more convalescent hospitals—more hospital ships.

For many, many years the sick, wounded, and otherwise disabled veterans will require medical attention and care. That's the least Uncle Sam can do in appreciation of what they've done for us.

### Maintenance for Millions

Did you ever stop to think how much money it costs to maintain

the 11 to 12 million men and women in our army and navy? Whether the men are actually fighting or not, they must be fed, housed, transported from one training center or battle area to another, cared for in a hundred and one different ways. That all costs money and will continue to until the last man demobilized is back in civilian clothes.

In addition, millions of dollars will be required for mustering out pay, for various benefits and services voted by Congress to help the boys get started in civilian life.

These are reasons enough why patriotic Americans will want to buy heavily during the Sixth War Loan. But here are still more—

### Winning the Peace—for Your Country

If we're to win the peace as well as the war, the cost of living must be kept down and the purchasing power of money preserved. A reckless inflation that would necessarily be followed by the catastrophe of deflation—with its unemployment, bankruptcies, misery and heartache—must be prevented at all cost.

Let's make no mistake—a dangerous period lies ahead. The American people have nothing to fear, however, if they show in the future the same common sense they have shown in the past, and continue to put every penny over rock-bottom expenses into the purchase of more and more War Bonds.

### Winning the Peace—for Yourself

Want another important reason? Yourself! There isn't a better or safer investment in the world today than War Bonds. In helping your country, you are also helping yourself! Never in our entire history has it been so necessary to save as right now. We'll need money, individually, for education, repairs, replacements, retirement—and we'll need a lot of it.

As you can see there are many reasons, important reasons, why our Government must have the financial support of everyone, and have it for many months to come.

Let all Americans do their part—for their own sake, for their country's.

## Frank A. Day Junior High

Friday's assembly this week was in two parts—one an Armistice Day program and the last part of the period given to a ninth grade rally. Mary Jane MacMillan very ably introduced Mr. John W. Coughlin, a World War I veteran of the U. S. Navy.

The ninth grade rally brought the following candidates to the platform: for president, Richard Crosby; John Farina; vice president, Gerald Quinn; secretary, Marie Bastianelli; Celeste Lombardi; treasurer, Nancy Cushing. Estabrook Grove, Carol Hartford, Chairman for the rally was John Billings.

The Junior Red Cross drive has again been highly successful bringing in a total of \$167.17 to be sent to the local chapter.

Six new mules have entered the pasture in our bond and stamp drive, and the prospects for correcting the remaining four look bright. We are proud of our record for stamps and bonds. So far this year we have bought \$3,740.35.

Seventh grade soccer championship won by Room 24 on Thursday in a close game of 2-1 with Room 27.

**AN EIGHTH AIR FORCE STATION, ENGLAND**—Award of the Air Medal for "exceptionally meritorious achievement while participating in sustained bomber combat operations over enemy occupied Continental Europe" to 2nd Lt. Richard G. Buswell, 20, son of Mr. and Mrs. Francis L. Buswell, 321 Kendrick street, was announced recently.

A co-pilot of a B-17 Flying Fortress, Lt. Buswell is taking part in the heavy bomber tactics against targets in Germany and the occupied areas with a Fortress group that is a veteran unit on the European aerial front. He is a graduate of the Newton High School and has been serving in the armed forces since December, 1942.

**15TH AAF IN ITALY**—Sergeant Robert L. Haverly, 19, son of Mr. and Mrs. P. J. Haverly, 114 Tolman street, West Newton, Mass., gunner on a B-24 Liberator, recently was awarded his first Oak Leaf Cluster to the Air Medal.

T-5 Francis T. Callahan, USA, who has been stationed in Greenland for the past year, is spending a furlough at the home of his parents, Mr. and Mrs. Joseph P. Callahan of 25 Shorecliffe road, Newton.

## Births

To Flight Officer and Mrs. John J. Trumble of 25 Capital street, Newton, at the Richardson House, November 9, a son, John Joseph.

To Lt. Douglas V. Whitelegg, ACAVS, and Mrs. Whitelegg, a son, Clifford Paul, on Nov. 6, at the Station Hospital, Mitchell Field, Long Island, New York.

Lieutenant Whitelegg is about to leave for overseas duty. Mrs. Whitelegg and baby are going to live with his parents in his absence.

## Newton Man Participates In Leyte Operations

**ABOARD A COAST GUARD MANNED ATTACK TRANSPORT AT LEYTE ISLAND**—Special to the Graphic—Coast Guardsman Henry J. McDonagh, son of Mr. and Mrs. W. J. McDonagh of 58 Jefferson street, Newton, Mass., told today the experiences of his crew of a Coast Guard landing barge during the invasion of Leyte Island in the historic liberation of the Philippine Islands.

"We got some mortar and artillery fire when we hit the Leyte beach with the first waves of Army assault forces," said the crewman. "Some of the shells zinged over our heads so close we thought they had our serial number on them. But we got the troops ashore and we didn't lose a boat."

Of the Jap air resistance, the Coast Guardsman said: "We saw our first enemy plane at dawn on A-Day and from then on the Japs kept dropping in on us pretty regularly. It wasn't so bad when you could see the planes, but when it got dark and the ships started blanketing the harbor with heavy smoke screens, it was pretty rugged going in the small boats."

"Leyte may not have been the toughest invasion in the Pacific," concluded the Coast Guardsman, "but it was certainly the most exciting. It's pretty thrilling to be part of the largest naval force in history participating in one of the final knock-out blows against the Japs."

## \$200,000 Paid To City Treasury Savings Bank Announces

To many fortunate property owners in this area, November 1 was "just another day". Not for them a last-minute rush to pay their real estate taxes before the deadline! And the tax collector can chalk up a good mark beside each of their names, for there is not a single delinquent taxpayer among them.

"Because," says Mr. Joseph E. Perry, President of the Newton Savings Bank, "our institution has through the years paid the tax bills of thousands of citizens. This year, for instance, the aggregate real estate taxes paid by us in the area it serves amounted to some \$200,000. That means that home owners who financed their properties through our mortgage or life insurance departments, present no collection problems to the tax collector. Their taxes were paid promptly and in full, which means a saving of time, trouble, and expense to their communities. It means, also, that these residents have their financial affairs on a sound basis, so that they are in a position to be better, more useful citizens, and to contribute more to the growth and prosperity of their communities."

**SPAR Marion Shaughnessy**, of 946 Boylston street, Newton Highlands, has completed her indoctrination at the U. S. Coast Guard Training Station in Palm Beach, Florida. She has been assigned to New York for active duty as a seaman 2-c.

**AN EIGHTH AIR FORCE BOMBER STATION, ENGLAND**—Corporal Plynne E. Williams of Newton, ball turret gunner on a B-17 Flying Fortress, has been assigned to the 95th Bombardment Group, commanded by Colonel Karl Truesdell Jr., of Washington, D. C., and now is taking an orientation course on flying procedure in the European Theater of Operations, prior to beginning combat duty.

He is the son of Mr. and Mrs. Henry E. Williams of 86 Nonantum street, Newton, and attended the Brookline High School before his entry into service.

**WITH THE FIFTH ARMY, ITALY**—Pfc. James E. McHugh, 439 Parker street, Newton Center, and Pfc. John R. Lyons, 236 Webster street, Auburndale, have been cited by the 351st Infantry Regiment of the 88th "Blue Devil" Division and awarded the Combat Infantryman's Badge for actual participation in combat against the enemy with Lieutenant General Mark W. Clark's Fifth Army in Italy.

Standards for the badge are high. The decoration is awarded to the infantry soldier who has proved his fighting ability in combat.

**AN EIGHTH AIR FORCE BOMBER STATION, ENGLAND**—Sergeant George L. Parker, 31, waist gunner on a B-17 Flying Fortress, received his baptism in aerial warfare by participating in the Eighth Air Force's bombing attack in support of the Allied sky army's invasion of Holland.

Sgt. Parker is the son of Lester Parker of Lewiston, Maine. His wife, Mrs. Elizabeth Parker, lives at 6 Washington terrace, Newtonville, Mass. Before entering the Army Air Forces the combat gunner was employed as a clerk by Morgan Brothers at Newtonville. He is a graduate of Lewiston High School.

A member of the 3rd Bombardment Division, cited by the President for its now historic England-Africa shuttle bombing of German aircraft plants at Regensburg, Germany, in August of 1943, Sgt. Parker flew with one of the first waves of Flying Forts which knocked out Nazi resistance in preparation for the paratroopers' landing in Holland.

**KIRTLAND FIELD, Albuquerque, New Mexico**, Oct. 23—Second Lt. Richard H. Smith Jr., son of Professor and Mrs. Richard H. Smith Sr., 281 Park street, Newton, Mass., has reported for duty as a student in the B-24 Training Pilot School at Kirtland Field, 3007th AAF Base Unit, of the AAF Training Command, at Albuquerque, New Mexico. Lt. Smith was transferred to Kirtland from Luke Field, Arizona.

He is a graduate of Newton High School and attended the Massachusetts Institute of Technology for a year and a half.

## Guide For Veterans To Be Distributed Here By Committee

A large supply of the Government pamphlet, "Servicemen's Rights and Benefits," has been received at the office of the Citizens' Advisory Committee for Returning Veterans and will be given free-of-charge to any discharged veteran of World War II who wishes a copy. This booklet, described as "A handy guide for veterans of the armed forces and their dependents," covers the high spots of all benefits offered by federal law in a concise and readable form.

Section I gives a list of things a discharged man should do immediately after separation from the service. Under Section II, "Benefits for Veterans," are instructions as to mustering-out pay, insurance, the procuring of old jobs, how to get new jobs, getting government jobs, unemployment, education, vocational training, hospital and medical treatment, legal protection, income tax, claims for back pay, etc. Section III deals with "Benefits for Dependents," and gives details of jobs for dependents, pensions, social security benefits, back pay, allotments and similar matters affecting the families of service men and women.

The supply of pamphlets was sent the Citizens' Advisory Committee through the courtesy of Representative Christian A. Herter, and can be obtained by a written or personal request from the Committee office at 345 Walnut street, Newtonville (Newtonville Library Bldg., Highland avenue entrance).

## GOVERNMENT WILL GUARANTEE VETS DOWN PAYMENT ON HOME

G. I. Joe won't need a single cent in ready cash in order to buy his post-war home under the provisions of a Congressional act for servicemen which today received the wholehearted endorsement of Warner M. Allen, Executive Secretary of the Massachusetts Co-operative Bank League.

In a letter to the Bank League's 180 members, Mr. Allen urged every institution to openly express its willingness to participate in the operation of the "G. I. Bill of Rights" which makes possible the purchase of homes by eligible veterans without the usual down payment.

While warning that there are limitations which will exclude those veterans from the provisions of the act who cannot show a reasonable degree of financial stability, the Bank League official looked for enough of a stimulus to building from this act to promote a postwar housing boom.

He characterized the Bill of Rights as the broadest home purchasing program ever sponsored by a government that has been increasingly zealous in promoting homes for all.

In getting in on the bottom rung of this program, Mr. Allen said, co-operative banks have an unusual opportunity of securing their place in the postwar building boom. If properly administered, he saw no reason why it should not be possible to serve returning veterans capable of paying off a home mortgage, even though they do not have the ready cash for a down payment.

Co-operative banks were directed to Title III of the Serviceman's Readjustment Act recently signed by President Roosevelt referring to "loans for the purchase or construction of homes for the business property." Here the act specifies that if G. I. Joe can show himself qualified through the Federal Housing Administration for the usual mortgage loan on a new house, the Federal government will guarantee an additional loan to be used for a down payment, not exceeding \$2000.

Thus, the veteran can obtain immediate possession of a home without putting up any money of his own. Inquiries as to the regulations are already beginning to come in from the ranks of the 1,000,000 veterans honorably discharged to date, which are being swelled at a monthly rate of 60,000 additional.

The loans the government will guarantee for down payment can run up to \$2000, but cannot exceed 20 per cent of the total purchase price. The FHA may insure the original loan of say \$8000 on a \$10,000 house while the remainder is guaranteed by the Federal government directly.

Under this system, Mr. Allen estimated that as much as \$16,000,000,000 in loans will be granted. Hence, he said, the urgent need for co-operative banks to get into this type of loan if they intend to maintain a normal flow of business.

The only catch is that servicemen naturally must show sufficient evidence of ability to meet mortgage payments once they move into the houses. Otherwise, the losses could prove gigantic and G. I. Joe would obtain little benefit, Mr. Allen explained.

"The potentialities for stimulating building through this program are tremendous," the League official stated. "It is a new and promising idea, and I urge every co-operative bank in the state to lend its efforts towards putting the idea across. The act contains proper safeguards for the veteran, the builder and the lending agency. The chief responsibility evolves upon the government to see that it is properly administered."

So far as the co-operative banks are concerned, Mr. Allen said they would prefer to see the act administered through the Veterans' Bureau rather than through the FHA. The latter agency is looked upon more as a temporary setup, while the Veterans' Bureau are permanently functioning units of government, he concluded.

At Arms Wallace Cox participated in the Laseil Junior College ceremony in decorating the honor roll at the Auburndale Depot.

The Newton Post massed its colors with Cambridge at the Boston parade on Saturday afternoon.

This is a perfectly natural question which is frequently asked of us today. We wish we could say yes in all cases, but our answer must be qualified.

Yes—we can probably connect it if you already have service in the house from which you are moving, and if you are moving within the same exchange or immediate geographical area.

## Red Cross Sends Cigarettes For Prisoners of War

The Newton Chapter American Red Cross announces that there will be no shortage of cigarettes for our boys in enemy prison camps. Despite the cigarette shortage in this country, there will still be four packages in the standard food parcels sent to each soldier in a European prison camp each week.

It is these food packages that will bring the boys back from prison of war camps healthy in body and high in morale—since they contain tasty foods rich in all the nutritive necessities of the body. Never mind if the camp fare is poor in vitamins, minerals, proteins and fats: the Red Cross is taking care of that because your contributions are making it possible.

And now Red Cross is adding a little of the spice of life as well, for they are introducing variety as well as nourishment into these parcels. Red Cross packaging centers are putting out six different standard food parcels for war prisoners. While the basic amount of food value is the same, the foods themselves are different. If a man had salmon last week, he may get tuna this time; he may get a new kind of biscuit, a meat and vegetable stew instead of ham. And that can do a lot to pep up a flagging spirit as well as a bored appetite.

## Memorial Service For Sgt. Paterson

About 200 relatives and friends from Newton, Waltham, Watertown, Belmont, Lexington, Natick, Stoneham, Allston, Boston and Plymouth paid tribute to the memory of Sgt. Lester F. Paterson at the Central Congregational Church, Newtonville on Sunday afternoon.

Sgt. Paterson, husband of the former Louise Hickie of Waltham and son of Mr. and Mrs. Lester A. Paterson of 22 Bowers street, Newtonville, was killed in action while on a bombing mission over Yugoslavia on May 29.

Rev. Randolph S. Merrill officiated at the services, assisted by the Newton Post, American Legion under the direction of Commander J. Edward Theriault and Past Commander Norman I. Paterson. An American flag, a gift of the government, was folded by Commander Theriault and handed to Past Commander Paterson.

## Alice Dixon Bond To Give Lecture

The Library Committee of the Second Church in Newton, West-Newton, is pleased to announce that Alice Dixon Bond of the Boston Herald staff and Book Fair fame, will deliver a "New Lecture on Books" in the entertainment hall of the church Wednesday evening, Nov. 29th, at 8:00 p.m. Proceeds of the lecture will be used to buy books for the church's fine library.

The lecture is open to the public. Tickets are sixty cents and may be secured either at the church office (319, 2390) or at the door the evening of the lecture.

## Norumbega Council Boy Scouts Represent Newton Citizens In Sub Launching

The 6th War Loan had an auspicious start when a delegation from Norumbega Council, Inc., Boy Scouts of America journeyed to Groton, Connecticut to represent the citizens of Newton by taking part in the launching of the U. S. S. Catfish, Sunday, November 19th. A delegation of 70 Scout Leaders, Scouts, Sea Scouts and Cubs were on a sponsors platform immediately next to the Catfish when she was launched.

The War Bond purchases of the citizens of Newton during the 5th War Loan made possible this Submarine and wherever the Catfish sails, she will carry a plaque which names the City of Newton as the sponsor of the ship.

Norumbega Council's President James C. Walton spoke on the sponsors platform immediately before the vessel was launched, and he expressed the appreciation of the honor of having Norumbega Council represent the City of Newton. He commended the men of the Electric Boat Company for their vital contribution toward Victory in fashioning the hull of the Catfish. Mr. Walton presented Eagle Scout Henry Cummings Jr., who presented the plaque to Lt. Comm. William A. Overton, a Submarine officer, with these words: "In behalf of the City of Newton who have made possible the purchase of this Submarine through their efforts during the 5th War Loan, I present this plaque in the name of Norumbega Council, Boy Scouts of America. May the United States Submarine Catfish carry this plaque bearing Newton's name wherever she may sail with New-Newton's wish for Good Luck! A Happy Voyage! And Good Hunting!"

Sea Scouts of the Council were represented at this launching by B-atwain Joseph Bott of Ship 13; Air Scout Parker Mangeldorf of the new Rotary Air Scout Squadron; Cub Michael Doyle of Pack 6; and Scout Commissioner F. Brittain Kennedy.

Mrs. J. Crowley sponsored the Submarine as she slid down the ways, while the Naval Band played "Anchors Aweigh."

## A Proclamation

By His Honor  
PAUL M. GODDARD  
Mayor

The year 1944 is the fortieth anniversary of the founding of the National Tuberculosis Association and the sale of the first Christmas Seal to support a health program.

Although the death rate from tuberculosis has declined seventy-five percent during these forty years, much can still be done to save the lives of thousands of our citizens each year. Furthermore there is the danger that the incidence of tuberculosis may increase in time of war.

The Massachusetts Tuberculosis Association is constantly waging its effective battle. Let us cooperate and assist by purchasing Christmas Seals throughout our City, and in this way give our wholehearted support to this very necessary work.

PAUL M. GODDARD, Mayor

## Rotary Club

The guest speaker at the weekly meeting of the Newton Rotary Club Friday, November 17th, at the Brae Burn Country Club was Charles A. Breed, member of the Newton Rotary Club since 1938. Mr. Breed spoke on the subject "Rationing the Home." He reviewed the history of fuel oil rationing during the war and commended the local board for its efficiency. He stated that present OPA regulations provided three-fourths of a gallon of fuel oil per year per square foot—with 160 gallons per year for hot water for one person and an additional 40 gallons for each additional person in the home. Mr. Breed informed the Club that heater reconversion was now possible without "proof of hardship" for home owners who had converted from oil to coal on or before July 1, 1942.

The speaker presented an interesting review of the refining processes employed to reduce crude oil to the products naphtha, gasoline, kerosene, diesel, heating oil, and the heavy oil residues. He commended progress made in improved refining procedure in 1942 as compared with 1938 and predicted that 1947 would witness an increase use of high octane gasoline for automobiles and planes and also diesel oil and also a heavier quality of heating oil.

Mr. Breed described radial heating for the home and predicted that eventually all new home construction would embody radial heating, whereby floors or ceilings are heated throughout by a system of cast iron coils carrying hot water.

## Chairman Shirley Of War Fund Drive Extends Appreciation

Gratified with results of War Fund Drive—Additional gifts still being received.

With returns still continuing to come in, Newton expects at the final meeting of the Greater Boston United War Fund on Wednesday night of this week a total in excess of the \$324,760, which was the figure announced at the closing night meeting in Newton last week. As a large portion of the additional gifts will be turned in within the next week, it is hoped that the Newton total for the campaign can be announced in next week's issue.

Thomas E. Shirley, Campaign Chairman for Newton, has made this statement: "I want to thank every contributor and worker for the part which each has played in making the United War Fund Campaign a success. Our contributors have been most generous and our workers have devoted much time and effort in the interest of the Fund, both are responsible for Newton's doing its share to help our home-front agencies and war agencies. The results have been most gratifying, and I still look for many additional contributions. When the final figure is announced, I am sure it will be one of which Newton can well feel proud."

"In addition to the groups which have raised money for the Fund, I want to commend other committees whose work has been important towards our success—the Publicity Committee under George P. Kennison, which laid the ground work by telling our story well; the Educational Committee under Miss Adelaide B. Ball, which arranged for speakers at meetings and distributed advertising material; the Boy Scout organization under Robert E. Pettit, which distributed circulars from house to house; the Auditing organization under Herbert W. Kestle and made up of employees of all of the Newton banks, who worked faithfully night after night during the campaign to tabulate results; the Special Events (Continued on Page 2)

## Red Cross Volunteers Needed Badly In Village Work Rooms

Mrs. Harry F. Morse, chairman of Production for Newton Red Cross is urging all volunteers to continue their loyal service in the village workrooms in Newton. "The surgical dressings quota we have accepted," says Mrs. Morse, "must be completed by December 31, and the only way we can accomplish this is by having regular attendance in our workrooms until the first of the year. Sewing machine stitchers are also in great demand in the sewing workrooms, so that the large quota of relief garments can be completed at the earliest possible date."

## Church Choir To Give Concert

The Choir of the Church of the Messiah, West Newton and Auburndale, is giving a concert with assisting artists on Wednesday evening, November 29th, at 8:00 p.m. at the Centenary Methodist Church, Central street, Auburndale, under the direction of Frank Willard Meakin.

The program will include choral and instrumental selections and readings. The assisting artists are Miss Martha Cleary and Mr. Peter Bruno, violinists; Miss Doris Decker, Cellist; Miss Evelyn Hieck and Mr. John F. Sloane, pianists; Miss Caroline Tapley, Mrs. Dorothea Bensen, Mrs. Yvonne Fidalgo, Miss Naomi Hag and Miss Nancy McGowan, sopranos; Prof. Albert Everett, tenor, and Mr. G. Campbell Bensen, baritone. Mrs. Vivan Phipps and Mrs. Otolen Rivers will accompany on the piano.

Newton Graphic, Nov. 22, 1889  
Mr. Henry Ross, Newtonville, was among other residents who received an unexpected early call Monday morning, from parties who took some of his silver as a memento of their visit.

Another rumor is about town this week relative to the building of a brick block on the Daniel Chamberlain estate, Auburndale, corner of Auburn and Ash streets. A better place for such a block could not be found.

Two large loads attended the citizens' caucus at West Newton last Monday evening, and it took three barges to carry the Republicans to their caucus at the Highlands, Saturday evening.

Turkeys, large and small, bound to suit you all at Newton City Market. Price on Thanksgiving grade will be low.

The change in the time table on the Boston & Albany, which came so unexpectedly this week, caused a good deal of stir among the daily travellers to Boston, on account of the great number of changes.

The Glee, Mandolin and Banjo Club of Brown University entertained the Lasell students on Wednesday evening. The concert was given under the auspices of the Lasell Club of the Seminary.

25 Years Ago  
Newton Graphic, Nov. 21, 1919  
A warm welcome home was extended to the men in the service from Eliot Church, Newton, by the men of that church on Wednesday evening. The chapel was simply but effectively decorated with the national colors and bunting and an orchestra furnished music while a substantial dinner was served.

A special meeting of the Lincoln Park Baptist Church, West Newton, was held last Friday night, when a unanimous call was sent to Rev. C. Walter Smith of Bridgewater to become pastor and the call has been accepted.

Newton Newcomer's Club Holds Election  
On Friday, November 17, at the Newton Centre Women's Club, the Newton Newcomer's Club held its election of officers. Mrs. Harold L. Harbath was elected President.

Mrs. Deane Powers, Vice-President and Social Chairman; Mrs. Charles W. Tucker, Secretary-Treasurer; Mrs. B. T. Spicker, Telephone Chairman; Mrs. William A. Swallow, Membership Chairman; Mrs. Ralph M. Hall, Publicity Chairman; Mrs. F. T. Armstrong, Nominating Chairman; Mrs. Raymond W. Blaisdell, Chairman of Membership Contact; Mrs. Leonard R. Anton, substitute for Mrs. Swallow in her absence.

The outgoing officers, Mrs. Robert R. Riedel, President; Mrs. Philip J. Gleason, Vice-President and Social Chairman; Mrs. Harold L. Harbath, Secretary-Treasurer; Mrs. Andrew Hosie, Telephone Chairman; Mrs. Henry Y. Weiland, Membership Chairman; Mrs. Frank A. Dery, Publicity Chairman; Mrs. Kenneth Lovell, Nominating Chairman, reported on their work for the club, and received a rising vote of thanks.

Preceding the business meeting, dessert and coffee were served by the social committee, the members being Mrs. Leonard R. Anton, Mrs. Charles W. Tucker, Mrs. F. T. Armstrong, Mrs. R. C. Northamer, Mrs. Thurston B. Powell, Mrs. Deane Powers, and Mrs. M. Morse. An afternoon of bridge followed.

Committee under Mrs. D. Allen Smith, who arranged for the successful opening night dinner and closing night ceremonies; and the Service Committee under Mrs. Horace W. Cole, who acted as assistants to the headquarters staff.

The Supply Committee under Mrs. Harold P. Carver, prepared all the worker's kits; the Courier Committee under Mrs. Beatrice Carper made deliveries throughout the campaign to Village Chairmen, to schools, and to churches, and collected the reports frequently from the bank headquarters; and the Office Clerical Committee under Mrs. Paul M. Goddard handled all the entries of pledges on the office control sheets.

These three committees did outstanding work, and all of the many women who assisted are deserving of commendation.

"Hard Answers to Soft Sayings" will be the sermon subject at The Methodist Church, Newton Centre, Sunday morning, November 26, at eleven o'clock, Dr. H. D. Hawver, preaching. Church school assembly at 9:45; intermediate league 5:30; senior youth fellowship 7 p.m.

THE PARISH OF ST. PAUL  
Newton Highlands  
The services in St. Paul's Church, Newton Highlands on Sunday, November 19 (Sunday before Advent) will be: 8 a.m., Holy Communion; 9:30 a.m., Morning Prayer and church school; 11 a.m., Morning Prayer and sermon.

Well Baby Comm.  
Will Hold Meeting  
According to the new plan, inaugurated this year, whereby each committee presents a program at the monthly meetings of the Newton District Nursing Association, the Well Baby Conference Committee had charge of the November meeting, held at the Clafin School. The directors were first reminded of the Preview of Christmas baskets and plants which will be distributed to some of the patients at Christmas time.

The Preview, in the form of an open house, will be held at headquarters, on Thursday, December 21. Mrs. Quincy W. Wales, a member of the Well Baby Conference Committee, first presented a most entertaining literary symposium, showing the contrast in health, education, feeding and clothing of the child of our grandmothers' day with that of the child of today. She pointed out that the account of Beth's case of scarlet fever in "Little Women" was the greatest reason imaginable for District Nursing.

Mrs. Walter P. Rose, chairman of the Well Baby Conference Committee, gave a resume of the work of the committee and welcomed two volunteers from the Newton Highlands Conference. Miss Nelson presented a baby dressed in swaddling clothes and gave impressive figures showing how the rate in infant mortality has dropped in the years between 1900 and 1944. It is encouraging to know that Newton is outstanding in the control of communicable diseases of children, chiefly through inoculations. The experience of the Newton District Nursing Association has been satisfying in that they have immunized 2200 children against diphtheria since 1933; 1196 against whooping cough since 1938; and 1554 against smallpox since 1936.

In 1942 the Patch Test for tuberculosis was introduced in the Well Baby Conferences and since then 245 children have had the test with a small percentage showing positive reactions.

Lt. Neal Hubbard  
Killed in Action  
Word that her husband, Lt. Neal Hubbard, was killed in action in France on October 18, has been received by Mrs. Rosalee Hubbard of 767 Commonwealth avenue, Newton Centre.

Lt. Hubbard attended the Boston University College of Business Administration and was a member of the National Society of Scabbard and Blade.

Besides his wife, the former Rosalee Grow, he is survived by his parents who reside in Bloomfield, Conn., and one brother in the Army.

A pro-burial mass for Lt. Hubbard was celebrated Saturday at Bloomfield, Conn.

Mrs. Hubbard is residing with her parents, Mr. and Mrs. George Grow of Newton Centre.

Lt. Hersher Missing  
Lt. Melvin Hersher, 19, son of Mr. and Mrs. Harry B. Hersher of 41 Brackett road, Newton Centre, holder of the Air Medal and Presidential Unit citation, has been listed as missing in action, according to a War Department telegram received by his parents.

In a letter dated Sept. 10, Lt. Hersher stated that he had completed 22 missions and 13 sorties. He was born in Boston on Nov. 23, 1924, and was a student at Norwich University when he entered the service on March 10, 1943. He received his navigator's wings at Selman Field, La. He was sent overseas last July.

## Legion Plans Annual Children's Xmas Party

At the meeting of Newton Post, American Legion held in the War Memorial Building, Newton Centre on Thursday evening, Commander J. Edward Theriault appointed John B. Foley as chairman of a committee to arrange the annual Christmas party for children on December 24. He will be assisted by Mrs. Frances Cannon and Mrs. Mildred Ely.

Philip W. Cawter, newly appointed member of the Massachusetts Legion Boys' State Committee reported that the Newton Post is entitled to send six boys to Amherst next year.

At this meeting favorable Congressional action was urged of H.R. 1774, providing benefits for widows and orphans of veterans disabled by non-service-connected causes. A resolution in favor of the bill, drawn by David Greer, was adopted and it was voted to urge all other Legion posts to take similar action.

Delegates to the Middlesex County Council meeting held Sunday afternoon at the Parlin Jr. High School in Everett, were Commander Theriault, Senior Vice-Commander W. Northrup Morse and Adjutant Lyman W. Whitcomb.

The Army Signal Corps films, "Communique No. 5," showing the Marine Corps landing at Tarawa, and "Case No. 13," showing the preparation for and bombing of the ball bearing works in Schweinfurt, Germany, were shown by Stuart Marshman of the Raytheon Company.

A buffet lunch was served by the Auxiliary, under the direction of President Miss Barbara Neel and Chaplain Mrs. Marion Connell.

## Legion Auxiliary Inducts Members

At the meeting of the Newton Unit, American Legion Auxiliary, last Sunday night at the War Memorial Building, Newton Centre, fifteen new members, including a mother and her five daughters, were inducted. They were Mrs. Gertrude Kelly, her daughters, Miss Mary, Miss Regina, Miss Gertrude, Miss Margaret and Miss Alice Kelly; Mrs. Catherine Yurick; Mrs. Stella Myrall; Mrs. Alice Theriault; Miss Jeanne and Miss Irene Theriault.

A memorial service was held for Mrs. Mary Buckley under the direction of President Miss Barbara Neel and Chaplain Mrs. Marion Connell.

Plans were made for Christmas re-habilitation work at the Bedford Veterans' Hospital under the direction of Mrs. Catherine Chandonhalt.

Mrs. Mary Farrell was installed as historian by Mrs. Chandonhalt, a member of the executive board. Commander J. Edward Theriault of the Newton Post was a guest. It was announced that the meeting of the Unit on Dec. 20 will be in the form of a Christmas party, under the direction of Mrs. Connell.

President's Day At Newtonville Woman's Club

A most instructive and entertaining talk on Australia and New Zealand was given by Nola Luxford, actress, war correspondent and writer at the President's Day program of the Newtonville Woman's Club on Tuesday, November 21st, at the clubhouse.

The Art committee, Mrs. Philip E. Goodhue, chairman, arranged a most attractive exhibit of oils and water colors by artists living in Newtonville, which was to be seen in the reception room during the social hour.

The meeting opened with the singing of the Star Spangled Banner with Mrs. Ernest L. Nichols at the piano.

The club president, Miss Estelle Marsh presented the guests of honor of the afternoon, Mrs. Edwin Troland, president, M. S. F. W. C., Mrs. Richard H. Davis, District Director, and Miss Adelaide Ball, President N. F. W. C., who each spoke briefly to the club members.

Miss Marsh also welcomed the presidents and another officer from the clubs of the 12th district and neighboring clubs, who were also guests of the club.

Three State Federation chairmen were present, Mrs. Edmund I. Wilson of Auburndale, Mrs. Howard T. Spaulding of Watertown, and Mrs. Clarence A. Wentworth of Newtonville.

The soloist of the afternoon was Elva R. Boyden, former member of the English Opera Company with Mrs. Halthwaite, accompanist.

### Election Aftermaths

Our state government is going to be quite different from what it has been shortly after New Year's. The two major parties split evenly on Nov. 7. The Republicans won the U. S. Senatorship with Gov. Saltonstall and they retained the offices of Lieutenant Governor, Secretary of State and Attorney General. Bob Bradford replaces Horace Cahill in the first position, Fred Cook continues his Rooseveltian hold on the second one and Clarence Barnes, (provided the recount sought by Frankie Kelly fails to change the situation) will take Bob Bushnell's place as head of the State's legal department.

The Democrats have, of course, retained the Treasurership with another Hurley, this time it is John Hurley. The previous Hurleys have been Charles F., William E. and Francis X. Only William E. Hurley was a Republican. Offhand it would appear that anybody named Hurley can be elected to this office indefinitely.

The last Treasurer was a Republican, John W. Haigis of Greenfield, who served in 1929 and 1930.

By the way, may I add a few words about the recent contest for the U. S. House? The writer came in for some hot criticism for daring to say out loud that the Republican nominee for this office had no business to be running, in view of his past record in the office of Treasurer and Receiver General. That was back in 1920 and many voters did not have any knowledge about the politics of that era. I do not propose to go into detail, though the facts are quite clear in my mind, just as they are clear in the mind of the gentleman who sought the office this past election. The point I wish to stress is simply this. The writer was reproved for having the audacity to suggest that it would be proper for a staunch Republican to REFRAIN from voting the straight Republican ticket on Nov. 7. The point made was that the entire ticket might suffer if a substantial element in the G.O.P. bolted any one nominee. I doubt if this point is well taken. Russell A. Wood was badly cut in the 1940 election, though for perfectly innocent reasons, but the G.O.P. state ticket rode to victory, apart from the Treasurership and the position of Auditor, which Wood sought for the second time in succession. My position is simply this. I believe that it is up to the G.O.P. to present such a strong and sound ticket as a result of the primaries that the vast majority of good Republicans will be willing and glad to vote the straight ticket on election day. If the Republicans fail to do this they have nobody but themselves to blame if a Democrat slips in. Incidentally, let us not forget that it is the increasingly big independent vote which now balances the balance of power in Massachusetts. If the G.O.P. intends to capture a substantial portion of this vote, it must make strong nominations.

Returning, now, to the present distribution of power in this state, it will be seen that the Democrats have retained their Auditor, Thomas J. Buckley, the great unknown in the 1940 election, when Russell Wood went down to unexpected defeat. The big prize captured by the Democrats was, of course, the all-important Governorship. Our Governor-elect, Mayor Tobin of Boston, will have a majority in the new Governor's Council, normally a Republican body. This is just as well, because it will make Tobin responsible for all appointments and pardons. He will not be able to hide behind a G.O.P.-controlled Council.

In this connection, it is interesting to speculate regarding the make-up of this Council in the event that Clarence A. Barnes of Massachusetts, if the G.O.P. intends to capture a substantial portion of this vote, it must make strong nominations.

**Highland Glee Club Presents Ruth Diehl, Soprano**

The Highland Glee Club opens its 38th season on the evening of December 5, 1944 at the Newton High School Auditorium. The program, as usual, has been carefully chosen.

Much excitement centers around their presenting Miss Ruth Diehl, Soprano of outstanding merit. Miss Diehl appeared twice last year with the Handel and Hayden Society, and in addition to receiving well earned comments by the press has undoubtedly found a place for herself in Boston's musical life.

As one of the younger American artists she has been outstanding in oratorio and wherever she has appeared has attracted the plaudits of discriminating musicians. A New York newspaper comment on one of her recent appearances says "It is only lack of space that prevents this department going completely 'off the deep end' about Miss Ruth Diehl, a superb artist." Of her Town Hall recital, the New York Sun comments: "Her musical taste and discrimination aroused the greatest respect for her vocal equipment, for her careful sensitive musicianship."

Some of the Glee Club members are in the Military Service, while others are on leave of absence due to war activities. Dr. Ralph MacLean, Conductor will, nevertheless, present a group of at least 60 and the evening is bound to be a rare musical treat.

The Glee Club depends upon a list of sponsoring members who are regular attendants to the concerts, one in December and one in March. These sponsoring memberships are \$3.60 including war tax, entitling 2 tickets for each concert. They are available through any active member of the Glee Club.

This worthy organization should have the support of those interested in the excellent work they have done for many years. However, if you cannot become a sponsoring member, don't miss this excellent concert since tickets are available at the box office.

**Volunteer Hosts For Anzacs Sought**

One of the subjects being discussed at the daily tea hour at the Anzac Club headquarters in the Hotel Vendome is the home billeting of the many Australian and New Zealand servicemen on leave in Boston. There is need for additional volunteers who will entertain these boys in their homes and do for them as the Australians and New Zealanders are doing for our servicemen in their countries. Anyone interested in helping should call one of the regional hostesses. They include Mrs. Charles S. Pettit, Chestnut Hill, Mrs. C. Terry Collins, Newton Center, Mrs. and Philip K. Brown, Waban.

stand in the middle of a busy highway daring drivers of oncoming vehicles to hit them. Anyway, to continue, in the midst of the confusion, one of those big, self important fellows, driving a black sedan that was more or less reminiscent of the battleship Iowa, in trying to avoid a frisking up, (even the poodles are getting careless) tangled bumpers with an old jalopy. . . .

**PRETTY AWFUL . . .**  
It was pretty awful for awhile. The big, self important gent raged! He was in a hurry, he roared. Tangled, as they were, traffic was tied up, horns began blowing, a crowd gathered and the big man really went to town! Finally, still fuming, he condescended to climb up on his own bumper in an effort to shake it loose from the jalopy. That was a mistake. For weighing about two hundred and fifty pounds, his weight was too much for the bumper. It broke under him, falling to the street and he fell with it—on his face and tummy!

His gay fedora rolled in the dirty gutter water as he wallowed face down on the muddy street. His suit, overcoat and lovely white silk scarf were a mess! Utterly speechless, he slowly picked himself up and grabbed his broken bumper hurled it into the rear of the big black sedan. That, also, was a mistake! Something or other inside deflected the bumper's course with the result that it continued on, eventually crashing through the rear plate glass window. Shaking all over, in the manner of jello in a high wind, the big, important man drove away with his broken window, his broken bumper and his mud.

**AROUND TOWN . . .**  
Robert Carroll S. 1-c, son of Mr. and Mrs. Joseph F. Carroll, 4 Colonial avenue, Newtonville, is back on the briny after 18 days furlough. Enlisting two days after his 17th birthday, Bob has seen plenty of service in North Africa, Italy and France. An armed guard on a Liberty ship, Bob brought home a chunk of shrapnel that whizzed by his head off Salerno. . . . There's an acute cigarette shortage here. Even the cheap brands are unobtainable. Cigars are practically out. . . . The bread companies are putting their old electric trucks back on the road. There are also advertisements in the newspapers for old electric automobiles. . . . There'll be few treks around for Thanksgiving. Many of the stores are not handling them because of the high prices. . . . John Carney, general manager of the Newton Taxi Co., went hunting the other day, admonishing his good wife to purchase nothing for Sunday dinner and returned home with two feathers. The Carneys had bologna for Sunday dinner, and John, a famous jockey, in his day, is now also known as a mighty hunter.

**CHAMBER OF COMMERCE FAVOR RELAXING OF SOME ZONE RESTRICTIONS**

The Newton Chamber of Commerce has renewed its campaign for the modification of the zoning laws to permit remodeling large, old houses into small suites so that such property may be utilized instead of being allowed to deteriorate.

"Such remodeling, to be permitted only under license by the city, might be subject to the following suggested provisions: "1. The building to be put in first class shape, and kept so. "2. Occupancy limited to the number of persons for whom the building was originally designed. "3. Sufficient landscaping to make the site attractive. "4. Adequate janitor and maintenance service for the proper upkeep of the property. "5. The supervision and enforcement of all regulations under the license to be by the Building Department."

**105 P. C. OF QUOTA ACHIEVED**

Returns Still To Be Received

A total of \$324,760, the largest amount ever subscribed for an annual appeal in the city was raised in the 1945 United War Fund Campaign, it was reported Newton workers at the office of the Newton Community Chest. The amount, 105 percent of the city's quota, was raised under the chairmanship of Thomas E. Shirley.

The total exceeds the amount raised last year with Charles B. Floyd, chairman, by \$4321, and as there are many prospective subscribers still unreported, it is probable that the final figures will be well in excess of those now in hand.

**\$25,000 APPROPRIATED FOR NEW ROOM AT NEWTON HOSPITAL**  
An appropriation of \$25,000 toward the establishment of a baby-formula room for the obstetrical department of the Newton Hospital was voted at the meeting of the Newton Hospital Aid Association directors on Nov. 14. Presided over by Mrs. Theron B. Walker, and with Mrs. Carlos H. Pierce acting as secretary, the reports of the association treasurer, chairman of the Benefit Shop and chairman of the hospital visiting committee were also presented. Miss Mabel McKicker, superintendent of the School of Nursing, presented the need of the baby-formula room, a need which has become acute, due to the increased hospital census of the obstetrical department and to the increased enrollment in the school of nursing. Mrs. Walter L. McGill, chairman of the Coffee Shop, said that October, the 14th month since the shop opened, is the banner month to date, with 7,528 customers.

**UNIQUE SERVICE FOR G. I. FATHERS**

A unique service is given servicemen, whose children are born at the Newton Hospital, it was revealed at the meeting of the Hospital Aid Association directors meeting Nov. 14.

Hospital authorities take a picture of the mother holding the infant with a photo of the father at her side. The composite picture is sent to the new father with the following note: "We thought you would like to know that your wife and child are doing nicely. We are sending you this picture with our compliments and good wishes. "Cordially yours, the medical staff, the nurses and the personnel of the Newton Hospital."

**COMMUNITY CLUBS ENTERTAIN SERVICEMEN AT CAMP DEVENS**

The War Service Division of the Newton Community Club sponsored a tea for the servicemen at Lovell General Hospital, Camp Devens, November 5. Mrs. John L. MacNeil, Chairman of the War Services Division and her Hospitality Committee under the direction of Miss Marjorie W. Aldrich arranged the afternoon. "Assisting at the tea table were Mrs. Fred G. Howe, Jr., Mrs. Herbert J. Ham, and Mrs. Herbert Dwight, Senior Advisor to the Newton Junior Community Club. Fourteen members of the Junior Club, with their President, Miss Ruth W. Aldrich, assisted the Senior Club. They served refreshments and entertained the patients during the tea hour.

In the absence of the customary Red Cross transportation, Mrs. MacNeil, Miss Margary MacNeil, and Mrs. Gertrude H. Raney drove. Among the Junior members who assisted the Newton Community Club in donating and serving the refreshments were: Betty Tobey, Elizabeth Tashjian, Harriet Tashjian, Alice Andersen, Eleanor Lord, Gwen Ford, Elizabeth Brown, Annetta Wiley, Miriam Morrow, Mrs. Herbert Hopkins and Mrs. Thomas V. Seeley. "Y" OFFERS CANTEN FOR HIGH SCHOOL STUDENTS

The establishment of a "canteen" to provide a convenient place for boys and girls of high school age to gather for entertainment after school hours is under consideration by the civic affairs board of the Newton Y.M.C.A.

The board has asked for an informal poll of high school students to ascertain their sentiment on the matter. The proposed plan would provide for bowling, dancing, motion pictures, ping pong and other entertainment at the Y.M.C.A.

(Continued from Page 1)  
greetings of every member of this department. We all fervently hope that before another year's end rolls around you'll be back in Newton with us doing your part at home as you were doing it when this world-wide war interrupted you.

The Newton Police Department is proud of its 38 members in the service, most of whom are overseas. We are grateful for the many letters we have received from them. Lt. Col. Ed. Hickey, one of our men is serving in China, others are in France, England, Italy, Australia, in fact they are scattered all over the face of the earth.

The work of the Newton Police Department is going along smoothly although everyone is working a little harder, a little longer. We feel the temporary loss of our 38 men, so our routes and our duties must necessarily be doubled up in many instances. We have had no crime wave, and the city has been free from strikes and disturbances. Everyone seems to be going about their business in a law-abiding manner.

The Police Department as well as every citizen was saddened by the death of Chief Hughes in September. He died suddenly in Toledo, Ohio, while attending a meeting of the Radio Technical Planning Board of the Federal Communications Commission to protest against proposed changes in the wave length of the Newton Police Radio station. He was one of those men whose passing left a gap keenly felt by everyone. He was liked and respected by all. We miss him.

Keep your chin up, I know this is advice easy to give, but everything must come to an end, and this war is no exception. We are all praying that it ends soon. We'll be glad and proud to welcome you home.

**LEGION POST AUXILIARY INDUCTS 15**

Fifteen new members were inducted at the meeting of the Newton Unit, American Legion Auxiliary, November 15 at the War Memorial Building, Newton Centre.

A memorial service was held for Mrs. Mary Buckley under the direction of President, Miss Barbara Nee and Chaplain Mrs. Marion Connell. Plans were made for Christmas re-habilitation work at the Bedford Veterans' Hospital under the direction of Mrs. Catharine Chandonait. Mrs. Mary Farrell was installed as historian by Mrs. Chandonait, a member of the executive board.

Admitted to membership were Mrs. Gertrude Kelly, her daughters, Mary, Regina, Gertrude, Margaret and Alice Kelly; Mrs. Catharine Yurick, Mrs. Stella Mysh-rall, Mrs. Alice Theriault, Miss Jeanne and Miss Irene Theriault.

**A Prayer For Strength**

by  
Rev. Michael E. Doherty,  
Pastor  
Church of Our Lady  
Newton

O God, of goodness and love, we thy children turn to you our Father in this hour of trial and suffering. Give us the strength to bear up under this Cross until in thy own good time, peace and happiness come back into this war-torn world. To whom can we turn, but to You? To You whose power rules the world. The little seed which fructifies in the ground and later becomes the food of our bodies; the sun and the rains, without which we could not live—these are they, but from Thee, O God the Creator of all things. The sorrows which now afflict the world, we well know are not of Your making, yes we know that they come from Man's rebellion against his Creator. Dear God, may they soon come to know Thee, may they turn from their wickedness and may Thy Kingdom come here on earth and Thy loving goodness reign in the souls of us all. Our Father, who art in Heaven, we ask Thee to look with pitying eye on those parents whose sons and daughters have been torn from them by this cruel war. Give them comfort and hope. Help them, to stand with Our Blessed Mother close to Calvary's Cross, there to learn its lessons, there to learn the awfulness of sin and the greatness of Thy love. And may Your great Love for them, beget in their hearts a love strong enough to bear up against all sorrows and trials in this life and unite them with Thee forever in our heavenly home, where there will be no more sorrows or tears, no more separations, but rest and peace and joy forevermore. Amen.

**LEGION OBSERVES ARMISTICE DAY**

Newton Post, American Legion held their annual Armistice Day exercises in the Hall of Flags, War Memorial Building, Newton Centre on Saturday morning, November 11. Commander J. Edward Theriault opened the exercises and was assisted in the ritual by Senior Vice-Commander W. Northrup Morse, Past Commander Norman L. Paterson and Adjutant Lyman Whitcomb. Rev. H. Robert Smith, D.D., past chaplain, offered prayer, and Past Commander C. Raymond Cabot was the principal speaker. A floral tribute was presented by Past Commander Arthur R. McCarthy and Miss Barbara Nee, president of the Auxiliary, read "In Flanders Field." Norman L. Paterson Jr., played "Taps." Joseph Antonelli sang "The Unknown Soldier," and "The Star Spangled Banner," accompanied by Miss Florence Herlihy. Commander Theriault, Vice-Commander Morse and Sergeant at Arms Wallace Cox participated in the Lassel Junior College ceremony in decorating the honor roll at the Auburndale Depot.

**JACOT NAMED ASSISTANT SCOUT LEADER**

Edward J. Jacot, World War I hero and veteran Scout leader, has been appointed assistant scout executive of Norumbega Council, B.S.A. of Newton and Wellesley. Scout Executive Robert E. Pettit recently announced. Mr. Jacot received the Silver Star, British M.S. Decoration and the Purple Heart during the last war and also served during the Mexican Border campaign. In the war Jacot served as a director of recreation for the American Red Cross and worked with the armed forces on the Alcan Highway.

**HARTMAN AGAIN NAMED TO BOARD**

**Newton Merry-Go-Round**

By Paul Considine  
Lou MacLellan, an old Corner boy, recently sent in a request via folks, for an account of one night's doings in the Garden City. Lou's with the Sea Bees in the South Pacific these days and according to his letter, the longer a guy stays out in that part of the world the more he longs for news of God's Country in general and the old home town in particular. So for Lou and the rest of Newton's globe-trotting adventurers, the following is what you'd have seen if you had been riding on the Merry-Go-Round last Thursday night. . . .

**NEWTON HIGHLANDS . . .**  
About nine by the clock, a colored boy wowed the natives of Newton Highlands as dressed in a late model zoot suit, he strutted with his gal along Lincoln street. The coat was cut long, the trousers were baggy and strapped to the ankles. Boy, he was sharp and did he know it! From his pearl gray derby to his patent leather shoes he was, according to Lenox street standards, the last word in the sartorial perfection department. No question about whether or not HE keeps 'em shiny!"

Four hours later, John the Barber, his shop aglow with lights industriously dusted the pictures of the Highlands warriors displayed in his shop. John was probably the only citizen awake in the Highlands at that, ahem, late hour.

**NEWTONVILLE . . .**  
In Sonny Garth's place of business there's a boy in which his patrons may deposit coins for the purpose of buying gift boxes for Newtonville boys overseas. It turns out well, too. Sonny makes a couple of trips to the post office each week, so's to mail an armful of packages on each occasion. . . . There's a couple of motorcycle riders up that way who take their gals riding to work in the late evening. Topped out in riding regalia, helmets and all, they roar through town in the expert manner. However, in this case, the gals operate the suicide wagons while their male companions hang on behind. . . . It's just a sign of the times—and that's not foolin' . . .

**UPPER FALLS . . .**  
The drug store was open at a pretty late hour up here the other

night. The druggist remembered that he hadn't turned off the radio and had to open the store again at 9:30 p. m.

The place is becoming another Times Square! Early in the evening the streets were wet and what with people running across the Square for the trolleys and busses, automobile drivers were having a difficult time in their efforts to avoid the reckless pedestrian. (The foregoing, incidentally, isn't intended to be funny. It's no longer the case around our town to look out for reckless automobile operators. The show is definitely on the other foot now. Practically everyone jay walks and frequently, members of this daffy fraternity deliberately (Continued on Page 4)

### Newton Centre Woman's Club

Dr. Herman Finer will speak on "Hostility or Friendship in World Economy?" on Monday evening, December 4, at the Newton Centre Woman's Club House, eight o'clock.

Dr. Finer is an Englishman of considerable distinction who for over twenty years was on the Senior Staff of the London School of Economics and Political Science of the University of London, England. From 1942 to 1944 he served as Special Consultant on Post-War Reconstruction to the International Labor Office.

The lecture will be preceded by a dinner at 6:45. Both are open to the public. Mrs. Sylvester McGinn is Chairman of the International Committee which together with the Newton League of Women Voters and Newton Council for Better World Order sponsors the lectures. Mrs. Kristian A. Juthe is in charge of tickets.

### Waban Women's Club

Mrs. Howard G. Musgrave, recently elected president of the Waban Women's Club, presided last Monday afternoon when Adele Hess Lee spoke on Current Theatre. Considerable interest was centered around the exhibit of the Art Committee for that day. Mrs. James S. Barrie, chairman of the committee, presented Art In Advance, a paper sketch through its evolution to the finished picture, together with originals of magazine covers. The usual social hour, under the direction of Mrs. Edwin P. Roberts, followed the meeting. Poursers were Mrs. Ernest Hale and Mrs. J. Earle Park. The foot of the program was the Junior Woman's Club, benefited the Peabody Home for Crippled Children.

On Tuesday, November 21st, the International Relations Committee opened its annual morning lecture series. The American and Russian Revolutions were discussed by Mr. Peter Palches, a native of Lithuania, who spoke on Children of Two Revolutions. Bouillon was served at ten o'clock, followed by the lecture at ten thirty. Hostesses for the day were Mrs. Raymond Blaisdell and Mrs. Oliver Lothrop.

### Auburndale Woman's Club

Garden Club Day will be observed at the next meeting of the Auburndale Woman's Club, at the Club House on Tuesday, November 28, at 2:30 p.m. Mrs. Chester Cook, well known lecturer and authority on flower arrangements will speak on "Holiday Decorations," and arrangements using natural plant material and home background, both formal and informal. Tea will be served.

### Newton Centre Woman's Club

The Yuletide Bazaar at the Newton Centre Woman's Club-house, 1280 Centre street, Newton Centre, Thursday, November 30 from 10 a.m. to 6 p.m. and Friday, December 1 from 10 a.m. to 4:30 p.m. will be a most profitable time. Cleverly reconditioned games, toys, and dolls are among the many desirable articles offered for sale. Mrs. William H. Waterfall, General Chairman of the Bazaar, has arranged a planing program for early Christmas shoppers. Plans include luncheons to be served both days, tea to be served Thursday, and a bridge party with intriguing prizes for Friday afternoon. Mrs. F. Earle Conn is in charge of background music. Mrs. Robert P. Cochran is planning movies for the children at three o'clock on Thursday afternoon.

If you would learn what the future holds in store for you Mrs. Hewitt MacPherson, Mrs. William H. Waterfall, and Mrs. F. Earle Conn will make an appointment for you with a fortune teller. Or if a handwriting expert appeals to you Mrs. Elliott F. Abbott and her committee will have a quiet spot for a graphologist. They also have engaged a portrait sketched for sketches of you or the children. Assisting the chairman are Mrs. F. Alan Hallworth, Mrs. David D. Bloom, Mrs. Richard H. Farrell, Mrs. Arthur F. Dias, Mrs. Walter Tibbitts, and Mrs. C. Edward Fox.

The Candy Table will be the mecca of all with a sweet tooth and the downfall of many a diet. Mrs. C. Hassler Capron is in charge. Gifts galore will fill the Art Table in charge of Mrs. Ralph B. Emery and Mrs. John F. Capron. Gifts for the new arrival as well as for the youngsters in the family have been daintily fashioned by Mrs. John A. Timm and Mrs. Carl B. Bohlin.

Mothers and their deb daughters offer no gift problems to the shopper who makes her selection at the Gift Table of Mrs. George H. Crosbie and Mrs. John M. Tomb. Both "show-ers and blowers" will be found at Mrs. Wallace D. Riddick's Handkerchief Table, along with the popular snood.

The harried housewife will find her work made easier and pleasanter with articles from the Utility Table: Mrs. S. Hardy Mitchell and Mrs. E. Farnum Rockwood, chairman and co-chairman respectively. Order your Christmas green and buy summer cheerfulness for your winter house at the Xmas Greens Table: Mrs. William H. Waterfall and Mrs. Everett C. Winslow, chairman and co-chairman.

Tea will be served Thursday afternoon by Mrs. Arthur H. Shannon with her committee. Mrs. Robert F. Hayden and Mrs. Vandevere Crews are in charge of luncheon on Thursday. On Friday, Mrs. Madeline MacPherson and Mrs. W. Dean Norton will serve luncheon assisted by

### Auburndale

Mrs. Charles F. Robinson will celebrate her 98th birthday on Thursday. Mrs. Robinson, who makes her home with her daughter-in-law, Mrs. Ernest F. ### IMPORTANT DATES FOR SERVICEMEN

A list of important dates for discharged servicemen, compiled by the Citizens' Advisory Committee for Returning Veterans of Newton, was announced today as follows:  
"Within five days after date of discharge—report by letter or in person to your Selective Service Board.  
"Within forty days after date of discharge—apply by letter or person to your former employer if you want to get back the job you were holding when you entered the service (this applies to Civil Service as well as to private employment).  
"Before the last day of the month after the month in which you were discharged—(a) arrange terms for payment of insurance premiums, if this has not already been done; (b) pay your insurance premium if it is still on monthly basis, sending payment direct to Veterans Administration, Washington 25, D. C.  
"Within six months of discharge—be sure you have done either (a) or (b) above otherwise your insurance will be allowed to lapse and cannot be renewed without considerable detail, including physical examination.  
"Within five years of the date on which you took out Government Life Insurance—convert to Ordinary Life, 20-Payment Life or 30-Payment Life; writing to Director of Insurance, Veterans Administration, Washington 25, D. C.  
"Within two years after discharge, or the end of the war, whichever is later—under the terms of the "GI Bill of Rights" (a) make your application for educational, training or refresher courses; (b) make application for readjustment allowance covering period of unemployment (applicant must be registered with U. S. Employment Service)—all these applications to be made to Veterans Administration, Post Office Building, Boston.  
"Within 15 years after date of discharge—if dissatisfied with terms of your discharge, make application for appointment with Board of Review to hear testimony and study your service record (except when dismissal was

by sentence of general court martial—when application must be made to Secretary of War or Secretary of Navy).

"As soon as possible after discharge—if you are looking for a job, register at the nearest U. S. Employment Office (290 Centre street, Newton Corner).  
"We urge Newton servicemen, especially those who have been discharged to look these dates over carefully," said John F. Wheelock, Executive Secretary of the Citizens' Advisory Committee.  
"In order to make sure that they are not allowing a date to pass on which they could take advantage of some of these benefits. The Committee is ready to advise or any discharged servicemen who are on problems which may arise from return to civilian life. The office is located in the basement of the Newtonville Library Building, 345 Walnut street (Highland avenue Entrance).

### HONOR NEWTON BANKS BY APPOINTMENT

Banks of Newton have been honored through appointments made by W. Randolph Burgess, president of the American Bankers Association, which include Joseph Earl Perry, president, Newton Savings Bank, as a member of the Committee on State Legislation. Mr. Perry is also a member of the Subcommittee on Model State Banking Code.  
The Association's program reflects the changing and expanding needs of the public for financial services through the work of its committees, commissions, councils, divisions, and sections. Work done by these groups not only results in improvement of local banking facilities but aids the banks to contribute leadership and to assist in projects for community development outside of banking.

### PENNY SALE AIDS CHILDREN

St. Bernard's Parish, West Newton, sponsored a penny sale in aid of children's activities of the parish Nov. 16 at the Newton Catholic Club.  
Many attractive prizes were offered and a diamond ring was given away.

### SCOUTS HELP LAUNCH NEW SUB

The first Boy Scout Council in the country took part in the launching of a warship, Norumbega Council representing the City of Newton in placing a sponsor's plaque on the U. S. Submarine Catfish recently at the Electric Boat Company yards in New London, Conn.  
The submarine was sponsored by Newton through the purchase of \$10,109,000 worth of War Bonds during the Fifth War Loan Drive. Norumbega Council participated in the ceremonies at the request of the Newton War Finance Committee of which James B. Melcher and Frank L. Richardson are co-chairmen.

The quota for the Sixth War Loan campaign for the city is \$7,723,000. Other quotas already exceeded by the city are as follows: Second War Loan, when quotas were first set, \$6,363,000; Third War Loan, \$7,416,000, and Fourth War Loan, \$8,364,000.

Mayor Paul M. Gaddard issued the following proclamation when he appointed Scouts and leaders of Norumbega Council to represent the city:  
"In view of the fact that the Citizens of Newton have sponsored the purchase of the submarine U. S. S. Catfish through War Bond subscriptions during the Fifth War Loan, the Newton War Finance Committee has requested the Norumbega Council, Boy Scouts of America to represent Newton's Citizens at the launching ceremonies of the U. S. S. Catfish at New London, Connecticut on Sunday, November 19th. And particularly Council president James C. Walton, Scout Commissioner F. Brittain Kennedy, Eagle Scout Henry S. C. Cummings, Jr., Air Scout Parker Mangelsdorf, Sea Scout Joseph Bott, and Cub Michael Doyle—all of whom will take part in the launching ceremonies upon the sponsor's platform.

### SCHOOL CHILDREN HELP IN WAR EFFORT

The elementary school children of Newton have established quite a record it is reported by Miss Jane Wyman, chairman of Junior Red Cross. They have collected 265 bags (about the size of onion bags) of milkweed pods which will be used in the manufacture of life jackets. This project was started early in the school term. The juniors are now in the midst of their annual membership campaign and hope to surpass all past records before the drive is over. Through their contribution to the National Children's Fund, they are able to assist in the rehabilitation of children abroad," said Miss Wyman. Soon the elementary school members of Junior Red Cross will pack gift boxes containing health and educational articles for shipment to the liberated countries of Europe.

### SOLDIER GETS UNIT CITATION FOR INVASION

Pfc. Donald M. Craig, son of Maj. and Mrs. Elmer J. Peck, 42 Bedford road, Newton Highlands, has been awarded the Presidential Unit Citation for outstanding performance of duty in action against the enemy in the invasion of France as a member of the Ninth Troop Carrier Company, 4th Air Service, 1st Air Force.  
Pfc. Craig was born in Newton and was graduated from Newton High School in 1941. In December, 1942, he and his mother joined Maj. Peck while the latter was on duty in the Los Angeles Defense Area of the 4th Air Service, and was inducted into the Army in June, 1943, at Fort McArthur. He was trained at Airfield, Ill.; Fort Bragg, N. C.; Gowanus Field, Ind.; and the United States Army Airfield, Ind. He was transferred to the Troop Carrier Command and was sent overseas last March to the 9th Air Force.

### CELEBRATED 100TH BIRTHDAY NOV. 5

Albert L. Knox, retired Edison Company executive and one of the oldest living members of the Masonic fraternity in Massachusetts, celebrated his 100th birthday at his home, 51 Fairfield street, Newtonville, on November 5th.

His three sons, George of Auburndale, William of Boston and Harry of Marlboro, N. H., joined his friends in congratulating him.

Born in Boston, Nov. 5, 1844, Mr. Knox spent his boyhood in the West and South Ends. He was graduated from the Dwight School on Springfield street, Boston, in 1861 and was employed by the Boston and Sandwich Glass Company and later by the American Fire Hose Company.

In 1892 he was appointed superintendent of Mechanics Building and there served as superintendent of the Mechanics Fair in 1895 and 1896 and of the first Sportsmen's Show in March, 1900.

He entered the employ of the Boston Edison Company in November, 1900, and soon became superintendent of the company's service buildings at 1105 Massachusetts avenue. He has been a member of the Masons for 21 years.

### CITY TO PURCHASE NEW STEAMROLLER

An opportunity to acquire new steamroller equipment, involving the sale of three steam rollers now used by the Newton Street Department, has been accepted by city officials.  
The present equipment will be sold for \$1,250 and is to be sent to Brazil. The city will then buy an internal combustion type of steamroller, which will be cheaper to operate. Officials were assured that the new type was available before they decided to accept the offer to sell the ones now in use.

### Sports in a Nutshell

By Bill Sullivan

Newton High came from behind Saturday to defeat their Waltham rivals 31 to 7. Taking a Newton kick on the Newton 40 yard line picked up about 5 yards on the ground, the Newtons next play O'Brien of Waltham threw a 40 yard pass to Polumbo who took it neatly on Newton 5 and lugged the ball over for the first touchdown. Zino rushing the ball into the end zone took the kickoff on his 32 and went down on the goal line. Scanlon passed to a touchdown. Scanlon missed the try point and Waltham led 7-6 which they held for the first half. Craft, Newton left guard recovered a Waltham fumble on Waltham's 18 yard line sent Bryan to the right and Scanlon took it over for a touchdown, but again Newton missed the point. Newton was beginning to click now. Scanlon made a corking 21 yard run then he threw a 30 yard pass to Bolster which took Newton to Waltham's 5 starting the final quarter. Bryan went over Newton's third touchdown. Newton scored two more touchdowns in the final period. Teschner intercepted a pass and ran 66 yards for a touchdown. De Angelis scored the final touchdown from Waltham's 33 by some fifty running. Two Newton Boys were selected by the Post for the All-Scholastic squad for 1944. Bob Di Blasio was picked for an end and Frank Bryson was picked for back. 28 star grid players from 19 Greater Boston High schools made up the Post's first team. Somerville placed four boys: Malden, Saugus, Chelsea, English High. B. C. High with Newton each placed two. Waltham, Melrose, Weymouth, Dedham, Everett, Belmont, Brookline, Dorchester, East Boston, Boston Tech and Cambridge Latin each placed one. Bob Scanlon of Newton placed on the Honor Roll. Everett and Malden played a 68 tie. Arlington beat Medford 32-19, Chelsea beat Melrose 19-0, Milton tied St. Clement's 18-0. The Navy played Purdue 32-0. B. Martin scoring touchdowns for Navy. St. Walcott, and Markell won. The Army wracked Penn 62-7. Senanbaugh ran 90 yards and Minor 66 yards for touchdowns. Notre Dame came back today to lick Northwestern 21-0 scoring 2 touchdowns in the first period and 1 in the last period. The Bruins were a little better the terrible trouncing they took from the Army last Saturday when they were licked, humiliated, and shellacked 59-0 for the worst licking any Notre Dame has taken in the past 25 years. Brown beat Columbia 12-9, Swarthmore beat Princeton 3-0 and Harvard beat Tufts 12-6. Montreal made it two in a row over the Bruins in Montreal Saturday night by defeating Boston 6 to 3, the Bruins made a game fight but the Canadians kept

ahead all the time. Herb Cain and Jack Crawford each scored a goal for the Bruins in the second period with Majian and Hiller scoring for Montreal in the same period. Old reliable Bill Crowley was high scorer for the Bruins, scoring one goal in the third period and getting assists on Cain's and Crawford's goals. Jennings got two assists. Crowley is right up there in league high scorers as he had five points against Chicago with 2 goals and 2 assists and had two goals in New York last Sunday when he tied up the game by making these goals in 34 seconds besides passing to Herb Cain for an assist. Toronto leads with 7 won, 2 lost or 14 points. Montreal 6 won, 2 lost or 12 points; Detroit 4, lost 3, tied 1 for 9 points; Bruins won 2, lost 1, tied 1 for 5 points; New York won 1, lost 4, tied 2; Chicago won 1, lost 5. The Yanks came thru with a 13 to 6 victory over the Brooklyn Tigers Sunday at Fenway Park. This was the second victory for the Boston Yanks this season which gives them a record of 3 wins and 6 losses, both victories were scored over the Brooklyn Tigers. The Yanks scored first when Leo recovered the ball on Brooklyn's 11 yard line when Ray Hare muffed a Yank punt. It took three plays before Dor went over on a sweep to his left from the four yard mark. Brooklyn tied it up in the third quarter. Davis was a standout all afternoon, making a thrilling 79 yard run, going from his own 10 to Brooklyn's 11 when with three interferences Pug Manders crashed through them to pull Davis down. With less than three minutes to play George Cafego led a 35 yard pass to Keith Ransop for the winning touchdown. Davis had set this one up by a 30 yard run and a 25 yard pass to Ransop. Philadelphia leads the Eastern Division with 5 wins and 2 ties. Green Bay leads the Western Division with 7 wins and 2 losses.

### NEWTON VOTERS GIVE REPUBLICAN PLURALITY

Of a total registration of 42,500 in Newton, 39,825 voters were cast at the polls in the recent election with the Republican candidate for President, Thomas E. Dewey receiving 25,268 votes and President Roosevelt, 13,670. However, the Republican vote for president was not as strong as for Sen. Walter, who won the Senate seat with 25,628 and President Roosevelt received only 12,101 votes. In 1936 Alfred Landon polled 21,936 and Roosevelt received 10,634.

In the contest for governor, Lt. Horace T. Cahill polled 26,419 while his opponent, Mayor Tobin of Boston, received 13,233, the former polling more votes in Newton than Dewey, and Tobin polled less than Roosevelt. In the race for Lieutenant governor, District Attorney Bradford was given 28,167 votes while his opponent, John B. Carr, received 10,125 votes.

In the contest for United States Senator, Governor Leverett Saltonstall received the greatest plurality in the city's history, polling 32,667 while Mayor Corcoran

of Cambridge received only 6,175 votes.

Secretary of State Frederic A. Cook polled 29,196 votes, his opponent, Margaret M. O'Riordan, receiving 8,736.

Congressman Christian A. Herter received 26,029 votes and William Carey, his opponent, received 11,789 votes in Newton, which is part of the 10th district.

In the State Representative contests, the Republican candidates were the winners. Representative George E. Rawson being re-elected and John S. Whitmore winning the other seat in the Legislature, both winning by a large margin over their Democratic opponents, James P. Atkins and Arthur S. Scipione.

### FORMER FIRE DEPT. MEMBER WOUNDED

Pfc. Joseph F. Fitzsimmons, member of the Newton Fire Department on military leave, has been wounded in action in Germany, according to word received by his wife, Mrs. Ruth (McDonald) Fitzsimmons of 19 California park, Watertown. Pfc. Fitzsimmons, who was overseas for about two months before he was wounded, is now in a hospital in England. He was graduated from St. Charles High School in Waltham and is one of five service sons of Mr. and Mrs. Joseph Fitzsimmons of 23 Lowell street, Waltham. Three of his brothers, John, a member of the Newton Police Department; William and Richard, are in the South Pacific, while the fourth, James, is with the Air Transport Command.

### DOUGLASS FRANCIS PROMOTED TO MAJOR

It has been learned that former Representative Douglas Francis, who has been on active duty in the European Theatre of Operations as a Captain in the Civil Affairs branch of Military Government in the United States Army, has been promoted to the rank of Major as of October 16th. Major Francis' promotion came to him while serving "in the field" somewhere in Belgium. Major Francis has also served several months in France. He was commissioned from civilian life in December 1943. His home is at 35 Meadowbrook Road, Newton Centre.

### STREET DEPARTMENT RESCUE HORSE

A horse that fell into an old drain when it caved in under him as he was being used to plow land on Cliff road on the grounds of the Mary Immaculate of Lourdes Church at Newton Upper Falls Nov. 15 was hauled out of the ditch by a Street Department crew with the aid of a ten-ton crane. The animal was trapped for more than an hour but was apparently uninjured.

The Street Department crane was sent to the scene after the police received a call for aid. The work of rescuing the animal was supervised by John A. Delaney.

REV. ERIC F. MacKENZIE, NEW PASTOR OF NEWTON CENTRE CHURCH

Two changes in the clergy of Sacred Heart Church in Newton Centre were included in the many appointments in the Boston archdiocese by Archbishop Richard J. Cushing.

Very Rev. Eric F. MacKenzie, pastor of St. Paul's Church, Wellesley, was appointed pastor of the Newton church to fill the vacancy made by the elevation of the new archbishop, and Rev. Bernard J. Winn, D.D., assistant pastor of Sacred Heart Church, has been assigned as chaplain of the Carney Hospital, South Boston.

Mrs. Thresher heads Red Cross Nursing Committee. Mrs. Alden B. Thresher of Waban has been appointed chairman of the Home Nursing Committee for Newton Red Cross. Mrs. Thresher was a member of this committee for the past year, and is filling the vacancy created by the resignation of Mrs. Ralph G. Webber.

Mrs. Thresher plans to meet with the Home Nursing Committee to make plans or training at least 700 Newton homemakers in Home Nursing this year. Classes are being organized in every village, and enrollment can be made by telephoning Lasell 6000.

### POLICE SEEKING HIT-AND-RUN DRIVER

A hit-and-run driver whose car struck and damaged a parked machine near 2102 Commonwealth avenue, Auburndale, last Friday is being sought by the police traffic bureau.

The damaged car was the property of Mrs. Donald Carter, 316 Highland street, Weston. She reported to the police that the damage to her machine occurred between 6 and 6:30 last Friday night while she was shopping nearby. The right front fender was damaged and the bumper was pulled off, evidently by a car that backed into her auto, she stated.

### NEW TELEPHONE DIRECTORIES TO BE DISTRIBUTED

School boys, teachers and housewives in their spare time between now and early December, are going to deliver this year's new telephone directories serving the Greater Boston area. They are stepping in to pinch hit for about 300 full-time delivery men who, for the wartime shortage of manpower, would normally do the job.

They are receiving their knowledge and guidance from the relatively few experienced distributors still available. Altogether, the corps of part-time delivery people will number between 700 and 800, according to E. J. Campbell, manager of the New England Telephone & Telegraph Company, in Newtonville.

## Newton Highlands Garden Club

The Newton Highlands Garden Club plans to hold its November meeting in The Workshop, Tuesday evening, November 28th, at eight o'clock. Mrs. J. A. McAuliffe and Miss Mary Stark will be the hostesses and a most interesting program has been planned. Our speaker, Mr. C. Russell Mason, is the Treasurer of the Massachusetts Audubon Society and is well qualified to speak on the subject "Bird Sanctuaries for Everyone." The Garden Club will appreciate it if the above notice may have publicity in the next issue of your paper.

## LUNCHEON

In the spacious, cheerful Oval Dining Room at the Beaconsfield is becoming increasingly popular with business men for noon-time conferences . . . the smart hostess knows a luncheon party at this friendly hotel will meet her every expectation and delight her guests.

The food is exceptionally good, the prices reasonable.

Dinner in the Oval Dining Room is always a real treat, whether it be a part of the regular family routine of "eating out," or a special occasion to entertain a group of friends. In fact, the Beaconsfield is a favorite with "Who's Who" in Brookline and surrounding cities and towns for Wedding Receptions, Anniversary Celebrations, Birthday Parties, or any kind of entertaining or social event.

The Massachusetts Hockey League held a meeting and dinner in the Brookline room on Monday. Arrangements were made by Mr. Tom Hines.

The Kiwanis club of Brookline held their weekly meeting and luncheon in the Brookline room.

Tau Beta Senority held a monthly meeting and tea and were entertained by the well-known pianist Boris Godolovsky.

Miss Grace M. Allen, president of Brookline High School Teachers' club, gave a dinner in the Oval room on Tuesday in honor of Professor Hans Kohn of Smith college. Invited guests included Mr. and Mrs. Ernest R. Caverly, Mr. and Mrs. Tyley Tapner, Miss Katherine O'Brien, and Mr. Bertrand Holland.

Brookline Recreation commission held a public meeting in the Gold room.

The Rotary Anna of Brookline held a monthly meeting and luncheon in the Gold room on Wednesday. They were entertained by Police Chief James Tonra who gave a very interesting lecture.

The Business and Professional Women's League held their monthly meeting with supper in the Gold room.

The Oval room was the scene of a wedding reception and breakfast following the marriage of Miss Arleen Mary Weeks, daughter of Mr. and Mrs. Earl Weeks of South Yarmouth, Cape Cod to Ensign Cornelius J. Sair, U.S.N., son of Mr. John Sair of Framingham. The marriage ceremony took place in Our Lady church in Newton. Miss Shirley Costello was the bridesmaid, and Joseph Sair, U.S.N., was the best man. The newlyweds spent their honeymoon in Canada.

Baroness Guillaume and family left for Washington, D. C.

The following have arrived at the Beaconsfield for the winter: Mr. and Mrs. Wallace Turner of Westwood, Mrs. Alice Davis of Greenfield, New Hampshire, Mrs. Ellen May Woods, Mrs. Lucia Howes of Dennis, Mass., and Mr. James Adams and family of Chestnut Hill.

## Sgt. John T. Burns, Missing

Sgt. John T. Burns, 3rd, 25, son of Mrs. John T. Burns, Jr., of 411 Newtonville avenue, Newtonville, and grandson of John T. Burns, Newton realtor, has been listed as missing in action in France since October 23, according to a War Department telegram received Saturday.

Sgt. Burns, who has two brothers and two sisters in the armed services, is a machine-gunner in the Yankee Division, with Lt. Gen. George S. Patton's Third Army on the German border.

A graduate of Newton High School, Sgt. Burns was inducted into federal service with the Newton National Guard Company C, 101st Infantry in January, 1941. He arrived in France in August.

A brother, Sgt. James Burns, is an engineer in the Army Air Forces in India, and another brother, Radaman 3-C Edward F. Burns, has just returned from his third trip to North Africa. His sister, Lt. (jg) Miriam Burns, is a Navy nurse in New Hebrides and another sister, Yeo, 3-C Dorothy Burns is in the Coast Guard Reserve.

Lights Nancy Shea. Coach: Miss Mary Gianferante.

## "A Norwegian Yankee In China"

Mrs. Hugh L. Robinson gave some of her interesting experiences as "A Norwegian Yankee in China" a the monthly meeting of the W.S.C.S. of the Newtonville Methodist Church Thursday afternoon. In 1925 Dr. and Mrs. Robinson went to China as missionaries, much against the advice of their friends and relatives. They spent the first year in the northern part of China in a Language School, living in dormitories and receiving instruction from Chinese teachers only, who were not allowed to speak a word of English to their pupils, who were diplomats, business men and other missionaries from many different countries.

At the end of the year they settled in Central China, 60 miles from the railroad and 200 miles from a grocery store, making it necessary to order a year's supply of food at one time. The most cherished gifts of an occasional guest were a half dozen lemons which would be kept for a few days until a decision could be made as to the most satisfactory way to use them. When Mrs. Robinson, in the early days of her housekeeping in China, wished to order an especially nice dinner and started to give her order to her cook, he would say "but you don't want to start with candy." One word with a slightly different inflection could mean "soup," "candy," "lie down" or "put it there."

Mrs. Robinson gave a bit of drama between a Chinese fish peddler and a Norwegian customer in which the former defended the freshness of his fish by speaking the language of his customer, a rare occurrence. She feels that the different church societies work together in greater unity in China than they do here at home. One society can offer more money while another may have more workers. Dr. Robinson arrived in the States on the Gripsholm about a year ago after an interval of over 20 months in Manila, the family having left China before he did. They are now living in West Newton where the doctor has established a practice.

## Are you a Dollar SABOTEUR?

Every time you buy goods you do not really need, you help force prices up, help make critical shortages of merchandise even more critical. Any one of us who is spending as high a percentage of his income on "unnecessaries" today as he was before the war, is just that—a saboteur. But when you buy War Bonds regularly—when you go to the bank each pay day and make a deposit—when you save according to a plan—you help build a backlog of saved dollars which will help keep prices down and will help assure continued prosperity after the war.

## BACK THE 6<sup>TH</sup> WAR LOAN ... AND HELP DEFEAT JAPAN!

REMEMBER the gaping holds of ships sunk without warning at Pearl Harbor? Remember, too, the men killed during the infamous sneak attack? This is the fight that *Japan* started . . . the fight that *we're* out to finish!

Don't fool yourself, the Japs are tough. It will take long, bitter, costly fighting to blast them out. It will take new and specialized equipment. B-29 Superfortresses . . . amphibious tanks . . . airplane carriers . . . P-47 Thunderbolts and new secret weapons. And a veritable *Niagara* of oil and gasoline!

Your War Bonds helped train and feed and equip the American armies that smashed through at St. Lo . . . Nancy . . . Sedan. Yes . . . your War Bonds are helping to win the *Battle of Europe*. But now how about the *Battle of Japan*?

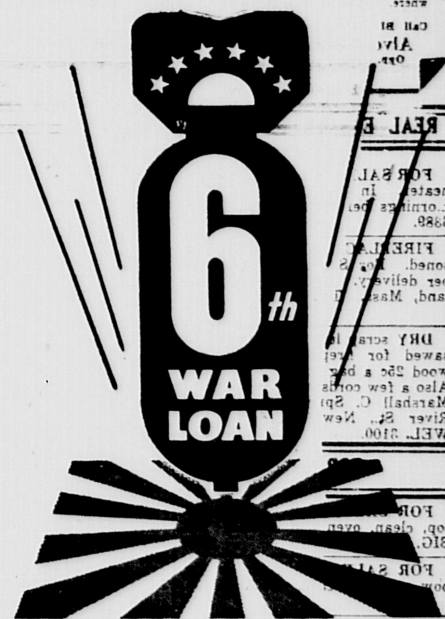

### The job is big—you've got to dig!

It costs billions of dollars a month to fight the *Battle of Japan*. The money *must* come from every patriotic American. It's an investment in America—your future. That's why you are asked once again—in this great battle for final Victory—to buy your extra \$100 Bond today.

And here are 6 more reasons  
for buying at least an  
extra \$100 WAR BOND in the 6th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 at maturity.
3. War Bonds are as convenient as cash—and increase in value to boot!
4. War Bonds mean education for your children, security for you.
5. War Bonds help keep down the cost-of-living.
6. War Bonds will help win the Peace by increasing postwar purchasing power.

## Cadet Eusden Sets New Swimming Records

Cadet John D. Eusden, 22, son of Rev. Ray A. Eusden, D.D., and Mrs. Eusden of 666 Centre street, Newton, the only man to win both a major H and major Y at Harvard and Yale, broke two swimming records at the U. S. Navy Air School at Bunker Hill, Ind., last week.

Cadet Eusden set new records for swimming fully clothed over the 500 metres and one mile distances. He was captain of the swimming team at Harvard in 1942, before being transferred to Yale in the V-12 program. At Yale he earned his letter by swimming in the 50 and 100 yard dashes and on the 880-yard free style relay team.

## Jr. Community Club Has Officers' Dance

Over sixty Army and Navy officers were entertained at a formal dance held by the Newton Junior Community Club in the Crystal Ballroom of the Hotel Puritan, Boston, on November 18th.

The dance program included two prize dances and the music was furnished by Bob Miller and his Band. Miss Virginia Goodell, chairman of the Social Committee, was in charge assisted by Miss Ruth W. Aldrich, President, Miss Jane Mansfield, Vice-President, Mrs. Marjorie S. Bassett, Miss Elizabeth Jenkins, and Mrs. Samuel S. Dodd.

Mrs. Jennie B. Taintor of 84 Walker street was a dinner guest of the Misses Cora and Ella Roper in Allston Thanksgiving Day.

## Newtonville

Lieutenant and Mrs. Robert Rice of Newtonville announce the birth of a daughter, Deborah Susan, born November 15 at the Newton Hospital, Lt. Rice is stationed in England.

Mrs. John Showler, who has been the guest of her son-in-law and daughter, Mr. and Mrs. Elliott W. Hawks, Manchester, Me., for several months, has returned to her home 871 Watertown street. Mrs. Richard A. Crain with her young son, Richard, Jr., of Wyoming, a guest of her parents, Mr. and Mrs. Edwin F. Quinlan of Harrington street, will remain with them over the Thanksgiving holiday.

Miss Joan Newcomb, a junior at Mt. Holyoke College, will arrive on Friday to spend the week-end at her home, 107 Atwood avenue. The Methodist Youth Fellowship of the local church will give a Record Hop Saturday evening at eight o'clock.

Miss Mary Newcomb, older daughter of Mr. Sumner W. Newcomb of 131 Mt. Vernon street, and a junior at Mt. Holyoke College, will spend the week end at home.

The New York Times Book Review of Nov. 19 quotes from the New York Herald Tribune Book Review on "Don't Wait Up For Spring" by Lt. Charles H. Merzendorf, Jr., U.S.N.R., of 75 Lowell avenue, which has just been published by Little, Brown and Co.

The members of the local Methodist Church will meet on Tuesday evening for dinner when pledges to meet the budget will be received, followed by an entertainment by the Boston University Seminary Singers and the All University Girls Glee Club.

Mrs. George B. Cameron and Mr. and Mrs. Herbert L. Stevens with Herbert, Jr., of 406 Wolcott street, Auburndale, were Thanksgiving Day dinner guests of Mrs. Walter H. Stevens and Miss Edith Stevens of 20 Walker street.

Niels M. Olsen, 72, father of Raymond N. Olsen of 8 Bonwood street, died at his home 180 Arborway, Jamaica Plain, Nov. 17. A native of Copenhagen, Denmark, he had been with the John Hancock Life Insurance Company of Boston since 1900. He was a member of the Star King Lodge, A. F. & A. M.; the Boston Chess Club and a former member of the University Club of Boston.

Mr. and Mrs. Alden Chalmers Dinsmore are parents of a son, David Scott Dinsmore, born Nov. 12, at Newton Hospital. The grandparents are Mr. and Mrs. Alvin G. Dinsmore of 447 Alameda road and Mr. and Mrs. Robert S. Bowen of 42 Parsons street. William Perkins has been elected assistant secretary of the sophomore class at the Boston University College of Liberal Arts.

## Newton Federation Joins Share Your Home Campaign

Miss Mary K. Bail, secretary of the "Share Your Home with the Child" committee of the Massachusetts Child Council, will be the speaker at the next executive board meeting of the Newton Federation of Women's Clubs, to be held at the Clafin All Newton Music School, Newtonville, Monday at 10:15 a.m. This is a campaign sponsored by the Foster Home Committee of the Newton Community Council.

The Christmas Health Seal Committee, with Mrs. Marcus H. Bryan, chairman, is busy completing plans to get the seals into the mails November 27.

Mrs. Robert B. McLaughlin, chairman of the Co-operation with World War I Veterans is stressing Christmas bags for the veterans and many of the Federation Clubs are having showers of Christmas gifts for boys in the hospitals.

Mrs. Edgar P. Hay, chairman of the War Services Committee announces that Club members will man the booths in all the Newton banks during the sixth War Loan drive stressing the money bond and buy a bond for baby.

## ZONTA CLUB

Zonta Club and guests met at the home of Miss Alice Daxey, 63 Page road, Newtonville, on Monday last. After a brief business meeting Mrs. Perley Hilliard presented Miss Mary McDonald of Newton Highlands, who entertained most delightfully with a collection of dramatic readings. A social hour with music and refreshments followed.

Herbert Anderson, 983 Washington street on Thursday when Mr. Mark's birthday was celebrated along with the holiday. Bishop Bruce R. Baxter of the Portland, Oregon, Area, will speak in the Methodist Church, Sunday morning at eleven o'clock. Mrs. Hamilton M. Gifford was hostess at the Parsonage for Group Six from the W.S.C.S. of the Methodist Church, Tuesday evening.

## Staff of All Newton Music School Meets

Mrs. Ray A. Eusden, President of the Board of Trustees of the All Newton Music School, opened her home on last Thursday evening for a meeting of the board and staff of the organization.

A pleasant social hour with Miss Mabel T. Eager and Mrs. George H. Fernald presiding over the coffee table, preceded the meeting. During the period of regular business, reports were given by Mrs. Ray Eusden, Ernest G. Angevine, treasurer, Mrs. B. Alden Thresher, chairman of public relations, Mrs. William C. Worth, executive director, Miss Lillian West and Miss Irene Forte, co-directors of music. It was reported that a three-quarter size cello and a good piano were very much needed for the work of the school which has increased fifty percent in enrollment and activities during the fall term.

James H. Remley, a trustee of the Music School and Director of Music Education in the Newton Public Schools, spoke on "How Far Does the Public School Music Go?" Mr. Remley gave much valuable information relative to the growth, development, and aims of public school music, and explained how the program of his department and that of the All Newton Music School co-operated and coordinated with the result that there was no competition and no overlapping in the work of the two agencies. A discussion period followed the talk, during which many interesting questions were asked and further facts presented.

Among those present were Miss Elizabeth Fyffe, Founder and Director Emeritus of the All Newton Music School, and honor guest of the evening. Others attending were Mrs. George N. Abbott, Mrs. Frederick Bacon, Mrs. John F. Brown, Miss Mabel T. Eager, Mrs. Ray A. Eusden, Mrs. George H. Fernald, Mrs. Henry P. Forte, Mrs. B. Alden Thresher, Ernest G. Angevine, William L. Bates, Frank L. Bates, Frank A. Day, Jr., John C. Jones, Jr., James H. Remley, of the board of trustees, and Miss Marion Chidsey, Miss Irene Forte, Miss Lillian West, Mrs. Arthur Scipione, and Mrs. William C. Worth, of the staff.

**Chadwick Named  
Inspector in  
Traffic Bureau**

Edward W. Chadwick, a member of the Newton police department for the past 24 years, has been assigned as an inspector in the traffic bureau by Acting Chief Nicholas Veducio. This appointment brings the traffic bureau up to its previous personnel of a sergeant and two inspectors.

By order of Acting Chief Veducio the office of the traffic bureau will now be open from 7:45 a.m. to 8 p.m. daily.

On the eve of assuming his new duties, Inspector Chadwick was tendered a party at his home, 44 King street, Auburndale by residents of that village where he had patrolled the Auburndale Square route for the past 10 years. Previous to that he had been on the Chestnut Hill route for 14 years.

## Girl Scouts Attend Farewell Party For Mrs. Potter

Many Newton Girl Scout Council members and Leaders from all the villages of the city attended a farewell party for Mrs. Winthrop Potter, Thursday evening, November 16, in the parish house of St. John's Episcopal Church in Newtonville. Mrs. Potter, popularly known as "Robin" to hundreds of Girl Scouts, resigned as Field Secretary of the Newton organization last spring to accept the position of Executive Secretary for the combined Scout agencies of Lexington and Wakefield.

Dessert and coffee were served to the many Scout friends of Mrs. Potter's who welcomed the opportunity to thank her for her great assistance to the cause of scouting during the three years she spent in Newton.

Mrs. Phillip Waite, former village chairman of Newton Centre, wrote a clever one-act play for the occasion. This depicted, in definitely humorous vein, a typical Scout committee meeting. Mrs. Jerome Sluman, Mrs. Elmer Pillsbury, Mrs. Ralph Keyes, Mrs. William MacAdams, Mrs. George Larsen, Mrs. William Plumer and Miss Jill Krueger, as members of the "all-star" cast, enjoyed the performance almost as much as the interested spectators. Following the skit, Mrs. George Larsen, Girl Scout Commissioner acting for Mrs. Potter's friends, presented her with a gift of silver as an expression of affection and appreciation for her past service to Newton.

## Norbert Brady Reported Missing

Word has been received by Mrs. Virginia M. Brady of Auburndale that her husband, Norbert F. Brady, machinist's mate, 3rd class, U. S. N. R., has been reported as missing in action. He was a member of the crew of the U.S.S. Samuel B. Roberts, destroyer escort, which was sunk in the battle of the Philippines in October.

Born in Newton, the son of Mrs. Florence Irene Brady and the late Dr. C. N. Brady, he was graduated from the Newton High School in 1938 and before entering the service was employed in a war plant in Springfield. He was inducted into the Navy in October 1943 and went overseas July 1.

He has two brothers, ART 2-c Richard L. Brady, U. S. N. R., stationed in Rhode Island and James E. Brady of Newtonville. He and Mrs. Brady have a daughter, Judith Virginia.

**NEWTON DISTRICT NURSING ASSOCIATION AIDS SIXTH WAR LOAN DRIVE**—The Newton District Nursing Association purchases a \$5000 Bond for its Endowment Fund. Mrs. John F. Brown, president of the Association, is shown receiving the bond from Mr. James B. Melcher, chairman of the Newton War Finance Committee on the opening day of the Sixth War Loan Drive. This picture shows that Newton people are going to see to it that the City of Newton reaches its goal in the Sixth War Loan Drive. During this drive which started November 20 and ends on December 16, Newton must buy \$7,723,000. Of this amount, the individual citizens must purchase \$4,000,000 in bonds. This means that the people of the city must come forward and each must do his share individually to meet this challenge. All the banks in the city are ready to handle bond purchases by telephone, mail or over the counter. We must make this War Loan the "Super-Sixth."

## New P.T.A. Holds Business Meeting

The newly formed Parent-Teacher Association of the Peirce School, West Newton, held a business meeting on Tuesday evening, at eight o'clock in the school building. This was the first meeting since the one held on November 14th, when approximately sixty parents and teachers from the Peirce School met and voted to organize a Parent-Teacher Association.

Dr. Hugh Hare, who presided at the meeting was introduced by Mr. Carlton Ray, principal of the school. The following officers were elected: President, Dr. Howard Wilson; Vice-president, Mr. Frederick Wells; Secretary-treasurer, Mrs. George Calvert; and an executive committee of five persons: Mrs. H. Lloyd Moss Jr., Miss Ruth O'Donnell, Mrs. Howard Whitely, Mr. Carlton Spencer and Mr. Ward Wetherell.

The president, Dr. Wilson gave a very interesting impromptu talk on some of the things which might

hope to be accomplished by a Parent-Teacher organization. This was followed by general discussion. Some of the things mentioned as needed improvements were, better lighting, more attractive decorations, posture training, gymnasium work, playground facilities with equipment and supervision, better lighted and cleaner lavatories, better lunch room facilities and a school library.

## Carter Named Publicity Head

Philip W. Carter has been appointed chairman of publicity for the coming year's operations of the American Legion's State-wide committee, promoting a Boys' State Movement, which opened last summer for the first time at the Massachusetts State College in Amherst. Over 300 boys from all parts of the state attended and learned from practical experience the machinery of town, city, county and state governments.

## Air Medal For Lt. Sander

The Air Medal and two Oak Leaf Clusters awarded to 2nd Lt. Robert B. Sander, Army Air Forces, son of Mr. and Mrs. Charles B. Sander of 72 Cabot street, Newton, will be presented to his mother at a ceremony to be held at the First Service Command, as Lt. Sander reported missing in action over St. Annes, France on June 8, has now been missing for more than five months.

A letter just received by Mrs. Sander from the War Department reads: "I have the honor to inform you that by direction of the President, the Air Medal and two Oak Leaf Clusters have been awarded to 2d Lt. Robert B. Sander, Army Air Forces, for exceptionally meritorious service in aerial flight over enemy occupied Continental Europe. The courage, coolness and skill displayed by this officer reflect great credit upon himself and the Armed Forces of the United States."

Lt. Sander was graduated from Newton High School in 1942 and entered the Army on Jan. 30, 1943. He received his wings at the age of 19 on Nov. 3, 1943. He went overseas in March of this year. His father is a veteran of World War I and he has two brothers, Charles, Jr., and Norman. In the pre-invasion period he flew 13 missions in 14 days and had over 20 missions to his credit when he was reported missing. He was credited, with another pilot, with destroying two enemy locomotives and a Nazi plane. He was the youngest of his squadron and his comrades marveled at his fighting skill.

## St. Mary's Church Service League

The meeting of Tuesday, December 5th, will be given over to the Church Service League under the direction of Mrs. T. E. Brooke, Chairman. The business meeting will begin at 2 P. M.

The newly formed Woman's Exchange, which proved such a success in October, will be open at 2:30 P. M. Articles for sale include food, clothing and Christmas gifts.

## Christmas Bazaar

On the eve of the annual Christmas bazaar of the Women's Association of the Massachusetts Osteopathic Hospital, its major undertaking of the year, to be held Wednesday, Dec. 6th, in the Conley Plaza, the president, Mrs. Kenneth E. Hixon, of Winchester, has expressed to the various Auxiliaries comprising the Association her thanks for their efforts in making the forthcoming affair a success. As general chairman for the bazaar, she was especially appreciative of the preparations by Newton Auxiliary, under chairmanship of Mrs. Clifford O. Moon, 69 Highland avenue, West Newton, which will have the Gift Table.

## Urges War Bond Owners to Hold Bonds

BUY TO HOLD is the slogan for Newton's 6th War Loan drive for buyers of "E" bonds and other individual sales. Our overall quota for this drive is \$7,723,000. Of interest to the public is the statement by the United States Treasury Department that Series E Bonds were first issued on May 1, 1941, aggregate sales from then through October 31, 1944, have been 27.3 billions. During that entire period 3.8 billion were redeemed, that left 23.5 billions or 86.1 per cent of all sales in the hands of the original owners. So we are advising bond owners to hold their bonds, and continue this good record. Your bond has a future. If you live in Newton and buy your bonds elsewhere ask to have them credited to Newton, by so doing you will help Newton over the top.

## Federation of Women's Clubs Assist in Sixth War Fund Drive

Will Staff Booths in Banks Throughout City

The Newton Federation of Women's Clubs will again assist the Newton War Finance Committee in their drive to reach Newton's quota of \$7,723,000.00 by staffing booths in the many banks throughout the city where they will sell War Bonds.

The dollar credit of all sales in these booths will go towards Newton's quota, the Honorary Credit of sales will go to the Women's Club staffing the booths, and any workers selling \$10,000.00 worth of bonds will receive a special Treasury Citation. The Massachusetts State Federation of Women's Clubs is asking each of their districts to buy through this Honorary Credit a Helix Dive Bomber at a cost of \$88,500.00. Newton is in the 21st District. ## Nicholas Slonimsky In High School Music Club Program

Contending that music could be appreciated by all persons and not only by musical experts, Mr. Nicholas Slonimsky proved his point in an informal program before an enthusiastic audience of students and teachers of Newton High School at the second meeting of the music club, Thursday, November 24th. Mr. Slonimsky, music critic, writer, pianist, composer, and musicologist modestly dismissed a glowing introduction by Mr. Lasker, club advisor, only to prove himself a moment later among the best of his rank. Incidentally, Mr. Lasker cultivated the friendship of Mr. Slonimsky some years ago while both of them were associated on the music staff of a well-known hotel.

Playing his own composition, "My Toy Balloon," he demonstrated in a series of variations the entrance of this Latin American theme into music. Following this he swung through the humorous polka from "The Golden Age" by Shostakovich, the contemporary Russian composer. An object of great interest to the audience was Slonimsky's performance of an opus composed with the part of the right hand written entirely upon white keys and the part of the left hand upon black, employing consonant counterpoint. Adding to his program anecdotes drawn from his own experiences (Continued on Page 4)

### Letter to Editor:

Dear Mr. Ahlin,

Once again the NEWTON GRAPHIC has given outstanding service in the promotion of the Red Feather Campaign of the Greater Boston United War Fund. Our congratulations to you as a peace-setter in community support of this vital wartime undertaking.

### To the Editor:

We are writing this letter to acquaint you and other residents of Newton with the problem which confronts the residents of Highland Avenue, Newtonville, as a result of the petition of Helen Landy requesting the change of the residence at No. 9 Highland Avenue from general Residence to Business District.

This re-zoning is requested in order that another Super Market be built on the premises of No. 9 Highland Avenue. This would result in dangerous traffic conditions because of the narrow width of Highland Avenue and because of the parking space directly opposite. The increase in heavy trucking on Highland Avenue would spoil the character of an attractive residential street; would endanger the lives of the many children going to the nearby schools and to the library.

This same petition was filed two and a half years ago at which time, after hearing the protests and petitions from residents of Highland Avenue, the Board of Aldermen voted against said petition.

During this past summer the petition in a slightly different form was presented and the hearing was postponed until September when it was again unanimously opposed by all property owners and residents of Highland Avenue (between Walnut Street and Lowell Avenue) and adjacent private ways who appeared before the board in person giving the following arguments why this petition should again be voted down by the Aldermen:

If business encroaches on Highland Avenue which is a high class residential street, it will de-

teriorate their property values. Many recent purchases of property on this street made their investments with the understanding that Highland Avenue was a residential district protected by the existing zoning laws.

2. That Highland Avenue at present is used by a large number of children who prefer this street because it is a direct approach to their schools and because of a traffic office in its vicinity. This proposed change would be a menace to these children.

3. The present zoning laws so wisely and thoughtfully drawn up and preserved by our Aldermen in the past provide ample opportunity for commercial interests to expand in the business area without coming away from any residential side streets. Should the Landy Petition be approved, it will be an opening wedge to attempt rezoning of other streets and districts in other parts of Newton.

4. A large number of boys and men who share in the ownership of property on Highland Avenue are overseas and are unable to protect their interests. Some of them have already written in protest asking that their neighborhood remain unchanged while they are away fighting for their country.

5. The width of Highland Avenue is only 28 feet. Therefore it is very inadequate for Business purposes.

We, the residents of Highland Avenue, sincerely hope therefore that other residents of Newton after reading this letter will get in touch with their Aldermen before the meeting on Monday night requesting a refusal of this petition.

## Politics With Color

by P. W. C.

### A Willkie Memorial

Nothing has happened since Nov. 7 has given me more of a lift than the editorial a few days ago announcing plans for a Wendell L. Willkie Memorial building. According to the Boston Herald, the sponsor of this proposition is the well-known Freedom House in New York. The idea appears to be to use the building as headquarters for the various groups which wish to promote the ideas and ideals for which this great American stood. It is probably a fact that the great majority of Republicans throughout the country consider that Willkie was the most impressive figure developed by their party since the days of Theodore Roosevelt. History will eventually give him a proper ranking among the foremost statesmen of our time. In the meantime, it will comfort and hearten his millions of admirers to know that they may shortly have an opportunity to give expression to their deep affection and loyalty.

### The Role of the G.O.P.

There are two widely divergent viewpoints regarding the future activities of the Republican party. I have in mind more particularly the role to be played by Congress in 1945, after the lame-ducks have gone home to rest. The first viewpoint is typified by the caption on a letter to the editor of the Boston paper. It reads, "Troubles which Dewey escaped." The other is the more intelligent attitude, which deprecates the dog-in-the-manger policy followed by so many leading Republicans at the close of World War I. It is the latter viewpoint to attempt to assess the blame for the failure of the old League of Nations. Much can, of course, be said on both sides. The vital point now is this: the Republican party, having gone on record in the recent campaign as favoring a new world organization, whose duty it will be to maintain peace, if humanly possible, it behooves the G.O.P. leaders to show genuine statesmanship when our Congress starts to grapple with this intricate problem. They must cast one side the temptation to throw possible obstacles in the path of the President. They undoubtedly have it in their power to block any treaty which is presented for their consideration. The public, however, will not approve such a course. Not even the rank and file of the Republican party will approve. I make that statement because it is now apparent that Mr. Roosevelt owes his re-election in part to the support of hundreds of thousands of Republicans. In this group, incidentally, may be found a substantial bloc of former Willkie enthusiasts. They were motivated by two considerations. First was their sincere belief that Gov. Dewey was of relatively small stature compared to the President. Second was their determination to take it out on those small-minded G.O.P. leaders who deliberately humiliated Wendell Willkie by pushing him one side at the national convention. Of all the idiotic moves the G.O.P. brass-hats have ever made, that takes the prize. As they used to say, "The Old Guard died, but it never surrenders."

**Robert F. Bradford**  
One reason for writing the preceding paragraph was the public announcement of determination of our Lieutenant Governor-elect, Robert F. Bradford, to refrain from playing a purely political role as Lieutenant Governor. Please do not misunderstand me. It is not my intention to imply that Mr. Bradford ever played a purely political role in this high office. Bradford's situation is quite different. His immediate superior belongs to the other major party. The six major offices are evenly divided. Democrats hold the positions of Governor, Treasurer and Auditor. Republicans hold the other three—Lieutenant Governor, Secretary of State and Attorney General. The Democrats appear to have the edge, especially in view of the fact that they also control the Governor's Council, even though by the narrow margin of five to four. Consequently, if Bradford was a narrow-minded partisan he might be tempted to throw sand in the gear-box whenever possible. This new leader of the G.O.P. however, is both wise and smart. He realizes that he received a great many Democratic votes on Nov. 7. Otherwise he would not have won at the same time that Horace Cahill was being politically slaughtered. My readers may argue that it may have been independent voters as well as Democrats who gave Bradford his sensational victory. That is doubtless true. However, these independents will not care to have Bradford enact a partisan role. In many instances they were voting for the man and not for the party. Bradford knows that. You are a wise young man, Mr. District Attorney. My heartiest congratulations and best wishes, not merely for 1945 and 1946 but for a long, long time to come.

**Col. Clear to Speak**  
Col. Warren J. Clear, U. S. Army, former resident of Newton, will be one of the guest speakers Friday evening at the 29th annual conference of the Associated Industries of Massachusetts.

Col. Clear will give a report on operations of the Pacific War Front. He has spent several years in the Far East, both in China and Japan. He was at Manila when the Japs attacked and later escaped by submarine from Corregidor to Java and then by plane to Australia.

## NEWTON In The Past

### 55 YEARS AGO

Newton Graphic, Nov. 29, 1889  
The prospect of a drill shed is growing better. The school house committee has recommended the erection of a suitable building and the boys and parents interested in military drill hope that the city council will pass the necessary order.

The board of registrars of voters were in session at the City Hall, West Newton, last Saturday afternoon and evening, and 86 names were added to the voting lists.

The house breakings of this week (Newton Centre) show us the need of more police. Two cannot be always on hand from Chestnut Hill on the one side to Cork City on the other.

### 50 YEARS AGO

Newton Graphic, Nov. 30, 1894  
A syndicate is being organized for the purpose of real estate improvement here. It intends to secure all the land and buildings on the north side of Williams street in Watertown and to put up a class of houses that will compare favorably with those over the line in this city.

Evidently the sleigh makers think we are to have some good sleighing this winter, and Mr. P. A. Murray, of Newton, has some very handsome new single sleighs which are well worth seeing. He also has his store room filled with sleighs that he has just put in order for his customers.

The Newton Hospital has 55 patients at present and has its accommodations fully taxed.

The police committee of the city government has decided to place a sergeant in charge of station 4 at Newton Centre each night. There are 3 sergeants in the department, and 1 will be assigned for duty at Newton Centre every third night. 2 will remain on duty at headquarters as at present. Under the new arrangement each sergeant will be required to work 12 hours on each of the intervening nights. The sergeant on duty at Newton Centre will be held responsible for the conduct of police business on the south side of the city, and will take command of the force at all fires, etc.

### 25 YEARS AGO

Newton Graphic, Nov. 28, 1919  
At the close of the time for filing papers for the city election, 4 contests are in sight for aldermen, the remainder of the ticket being unopposed.

There were four sales of army supplies in this city last week.

A special meeting of the Junior League for Newton Hospital Social Service was held on Tuesday, December 5, at the Newton Hospital Social Service League. This league pays the entire salary of the social service worker at the hospital, furnishes her with \$50 or more each month for expenditures, paying the expense of running her automobile, which they also purchase.

The Newton Chapter of the Red Cross has nearly 100 more members today than it had on the first day of February 1919.

### A Priceless Gift

Do you want to send a priceless gift to a loved one in the service this Christmas? If so Mrs. C. Terry Collins, Chairman of Newton Red Cross Blood Donor Service, is happy to announce a very novel arrangement for just such a gift. First you make an appointment with the Newton Red Cross Blood Donor Service to donate a pint of blood. Then a Christmas card telling of this invaluable gift is sent to the dear one in whose name you have made it. It says, "My most important Christmas gift this year was sent you. I hope you never get this gift, but I want it to be over there if you or any of your buddies ever need it. It was a pint of my blood, donated to the American Red Cross Blood Donor Service." How better could you please the soldier fighting for you. What more can one give than perhaps life itself.

Newton week at the Blood Donor Center is December 4-9. Telephone LAsell 6900 and make your appointment for Newton Week—or any other day more convenient for you. Don't miss this opportunity to send your soldier a gift that is really part of you.

### Auburndale Woman's Club

The Trading Post which is being held in Auburndale Square, sponsored by the Auburndale Woman's Club has proved itself a unique place for the community.

With a very attractive interior the Post offers to its friends, antiques, china, silver pieces, linens, furniture and many articles of value found in all smart Gift and Antique shops. It is a pleasure to browse around and many passers-by have come in and purchased gifts and returned with something from their own home to sell, thus, benefiting themselves and adding to the club treasury.

The Post will be kept open until the end of December, and it is hoped many ladies will come and visit the shop, where many gifts are available for this season of the year.

## Entertainment at Cushing Hospital

Mrs. Edward J. Cannon, Chairman of Newton Red Cross Camp and Hospital Council is happy to announce the appointment of Mrs. N. D. Wentworth of Waban as vice-chairman in charge of entertainment. Mrs. Wentworth's experience in this type of work will make her services most valuable for this work.

The Newton Red Cross has been assigned the first Saturday night of each month or "Open House and Dances" at the Cushing General Hospital. On December 2 the Newtonville Junior Woman's Club is sponsoring the evening, and will furnish card tables, prizes, playing cards, records and refreshments. A group of thirty young women, all members of this organization, will entertain the patients from 6:45 p. m. until 9:00 p. m. Members of the Newton Red Cross Motor Corps will supply transportation for this event.

## Newton Gray Ladies Have Graduation Tea

Mrs. Fred Stritzinger, 3rd, Chairman of Newton Gray Ladies at the Marine Hospital, announces that her Corps gave a graduation tea at the Chapter House on Tuesday, November 28, for nineteen new members. These new Gray Ladies now join the ranks of this group who have worked so faithfully to cheer up and help the sailors and Coast Guard men, hospitalized in this country, by reading to them, writing letters for them, playing games with them, talking to them—or rather giving the boy someone to talk to, someone to whom he can show those precious pictures of his dear ones back home.

The graduates are: Mrs. Reinhold Beunke, Jr.; Mrs. Richmond Bachelor, Mrs. C. A. Collins, Mrs. William Egan, Mrs. Harold Farrar, Mrs. Edson Forbes, Mrs. Frank Howe, Mrs. George H. Ingraham, Mrs. Norman Kempf, Mrs. Melville D. Lining, Mrs. Kermit E. Madden, Mrs. Nicholas Demus, Mrs. Richard Morse, Mrs. Harold A. Peterson, Mrs. Charles F. Perry, Jr., Mrs. C. Allard Potter, Mrs. Richard Rogers, Mrs. George C. Sexton, Mrs. William A. Sonnerby, Jr.

Special guests will be: Dr. Walter C. Teufel, Commanding Officer of the Marine Hospital; Mrs. M. B. Goodwin, Chief Nurse; Miss Marjorie Roberts, Chief Dietitian; Miss Helen Conly and Mrs. Catherine Higgins, Social Directors; Mrs. Helen Welch, Librarian; Chapter Chairman, Charles R. Cabot and Mrs. Cabot; Mrs. William L. Young and Mrs. P. Edward Eden, Co-Chairmen of Volunteer Special Services; Mrs. Maurice B. Strauss, Chairman of Public Information, Mrs. Leo Concanannon, Chairman of Staff Assistants; Mrs. L. E. Phaneuf, Chairman of Newton Garden Clubs; Mrs. Earl M. Dempsey, Chairman of Newton Hospital Gray Ladies Corps; Mrs. James B. Giltner, Vice-chairman of Newton Hospital Gray Ladies Corps; and Miss Jane Wyman, Chairman of Junior Red Cross.

More farm people were killed by accidents in America's first two years of participation in the war than the number of fighting men killed in the war itself, according to the National Safety Council.

**INVEST IN THE NEXT RAID ON JAPAN!**

**IT TAKES PLENTY OF WAR BONDS TO BUILD B-29s**

**THE WAR in the Pacific** is the most costly war America has ever engaged in. It's simple arithmetic. A mountain of special, costly equipment is needed. A B-29 Superfortress used in the bombing of Japan costs \$600,000 in War Bonds. And this is just one of the many extra costly implements of war needed to achieve final victory in the Pacific.

That's why the 6th War Loan Drive is so important. That's why you must back it as generously as you have every other war loan drive. Invest in the next raid on Japan...

## Dining With Jane and Bill

Jane: You've forgotten something Bill.

Bill: What now?

Jane: Your vitamin pill—I put it beside your plate.

Bill: Oh, that, well I've decided not to take them anymore.

Jane: How come? Everyone takes them. Why, just yesterday Mrs. Brown told me she hasn't had a headache or a pain since she started last week.

Bill: I bet it's just her imagination. Some people don't think they feel well unless they're taking some kind of pills. The doctor in our plant said that if we eat well-balanced meals, we get the vitamins we need from our food.

Jane: Well how many people do you think eat well-balanced meals anyhow? I sort of pride myself on what I serve here at home. But I know a lot of our friends who trouble very little about what they eat.

Bill: Yes, that's true of course. Really the most important thing to get at I guess is for people to realize the importance of the right foods and not to depend upon a pill. After all vitamins don't contain all the essential things found in food.

Jane: Maybe you're right. I suppose we actually don't need those pills since we have been very careful about our diet.

Bill: That's the way I feel about it—but there are exceptions, of course. The doctor said some people really need them, but they should only be taken under a doctor's direction. With a lot of people it's just a fad. I read that the vitamin business was a \$200,000,000 business last year. \$82,000,000 worth of them were bought on a doctor's prescription, but the rest were bought by people who would have done better if they had spent their money on the proper foods.

A WELL-BALANCED DIET SHOULD CONTAIN:

Milk—at least 1 pint daily.

Eggs—3-4 each week.

Meat, Fish or Poultry—1 or more servings daily.

Vegetables—2 or more servings daily besides potato. Make one choice, a green or yellow vegetables.

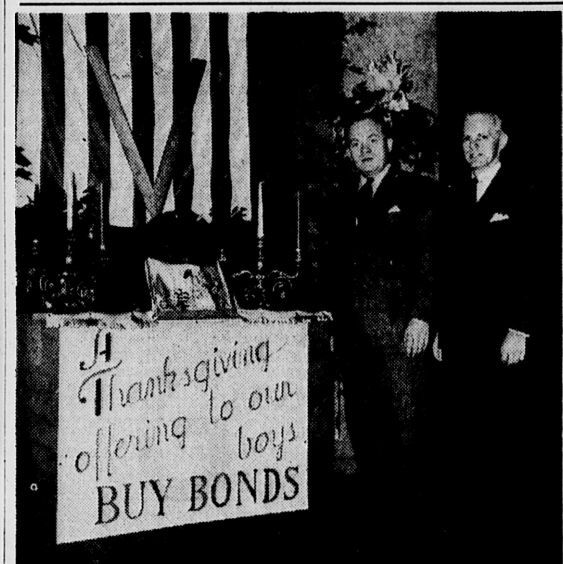

Citrus Fruit—tomatoes, or some vitamin V-rich food. 1 serving daily.

Other Fruit—1-2 servings daily.

Cereal and Bread—2 or more servings daily of whole grain or enriched.

Butter or Fat with Vitamin A added—1-2 tablespoons daily.

Newton Nutrition Center.

## Waban Woman's Club Meets Monday

On Monday afternoon, December 4th, the Waban Woman's Club will present Mr. F. L. Kunz who will speak on "India: Key to World Security." Dr. Kunz is recognized as an authority on India and the Southwestern Pacific. He knows India and her problems as do few Americans because of his long residence among her people, and his close knowledge of the Nationalistic leaders who are now at the helm of her affairs. In conjunction with the program of the day the Antiques Committee, headed by Mrs. Frank H. Dillaby, will exhibit interesting treasures from India in the Reception room of the Club. The usual social hour will follow the program. Potpourri will be Mrs. B. Alden Thresher and Mrs. Philip Warren.

On Tuesday, December 5th, the International Relations Committee will conclude its annual morning lecture series. Mr. Saville Davis will discuss "What Next in Europe?" Bouillon will be served at ten o'clock followed by the lecture at ten thirty. Hostesses for the day will be Mrs. Raymond W. Blaisdell and Mrs. Oliver A. Lohrop.

## Auburndale Review Club

The president, Mrs. Paul H. Tardivel of 59 Maple street, will entertain the club at its next meeting, Dec. 5, at 10 o'clock. Members please note the change of place. The program includes a review of the novel, "Strange Fruit" to be given by Mrs. R. O. Walter, a paper on her special hobby by Miss Cora E. MacKenzie and an original talk by Mrs. Hattie U. Hutchinson which she has entitled "Mental Lace." Mrs. Hutchinson has recently returned to Auburndale and rejoined the club.

The club is welcoming two new members: Mrs. Barrett Higgins of 39 Grove street, and Mrs. Raymond C. Wass, wife of the president's assistant at Lasell College.

## Newtonville Woman's Club

Mary Barr Synder, one of New England's best known pianists will give her program "Music Is Fun" at the meeting of the Newtonville Woman's Club to be held Dec. 5th at 2:30 p.m. at the clubhouse.

Alice Dixon Bond will speak on "Our Christmas Gift to You" at her second book review on Dec. 7th at 10 a.m. at the clubhouse.

## West Newton Women's Educational Club

Christmas Season for the West Newton Women's Educational Club opens Wednesday, December 6, with the American Home Class holding its monthly luncheon and annual Christmas Party at the home of Mrs. Albert Herrington, 154 Randlett Park, West Newton, at 12:30 o'clock. Chairman of the luncheon will be Mrs. Francis McCruden assisted by Mrs. C. A. Dimets, Mrs. Theodore Danker, and Mrs. Henry Stone. After a business meeting conducted by Mrs. Percival Waters, gifts will be given to the members. Christmas carols will be sung by those present.

The club will hold its monthly meeting on Friday, December 8, at 2 o'clock in the Second Church Parish House, West Newton. After the business meeting, there will be an interesting entertainment prepared by Mrs. Frank Ogilvie, Program Chairman. Dances from France, Italy, Spain, Lithuania, Germany, Scandinavia, Czechoslovakia, Switzerland and England in costume will be presented by the International Folk Dance Group, directed by Madame Lititia Brugnani, assisted by Louise Dumas, Pianist.

Christmas music by the West Newton Community Service Glee Club will follow the dances. Mrs. Ralph Courtage, Music Chairman has charge of this part of the program.

This is to be Guest Day and each member may bring a guest gratis. Refreshments will be served in the Church Parlors after the program with Mrs. C. Roy Rook as Hospitality Hostess for the day.

## Newtonville Junior Women's Club

On Tuesday evening, November 21st, the Newtonville Junior Women's Club had as their guest and speaker Mrs. Van Gorder who told about her friends and experiences in China where she was taking an active part in missionary work. Her talk was very enlightening as it gave the members and guests of the Club a better understanding of China and its problems. Mrs. Van Gorder was introduced by Elizabeth Barrow, the program chairman.

Constance Linberg, President, announced that arrangements have been made for a group of Club members to go to Cuba in General Hospital on December 2nd to visit and chat with the Servicemen. Plans were also made for a Christmas party to entertain small children.

After the meeting refreshments were served by the hospitality chairman, Winona Starbird, and her committee.

## Woman's Association Monthly Meeting

The regular monthly meeting of the Woman's Association will take place on December 6, with Handwork and Surgical Dressings at 10 o'clock. Luncheon at 12:30 will be in charge of Groups II and IX, followed by the program at 1:30 as follows:

Speaker—Rev. Randolph S. Merrill.

Music—Mrs. James H. Remley and choir.

Devotions—Mrs. Russell F. Baker.

A Christmas party and sale will be held on Friday, December 8, at the church, from 1 to 5 p.m.

Under the auspices of the Woman's Association. The following will have charge of arrangements and tables:

Gift table—Mrs. J. D. Bennett, Mrs. F. W. Rust.

Children's table—Mrs. H. A. Hassell, Mrs. A. D. Remley.

Food table—Mrs. T. T. Brooks, Mrs. W. A. Quigley.

Entertainment—Mrs. A. H. DeCatur.

Bridge party—Mrs. W. L. Vosburgh, Mrs. J. M. Andrews.

Decorations—Mrs. H. H. Lounsbury.

Tickets—The Group Leaders.

All are cordially invited to attend.

## Newton Smith College Club

Newton Smith College Club will hold the second meeting of the current season at the home of Mrs. Harold B. Cranshaw, 96 Berkeley street, West Newton, on Tuesday afternoon, December 7, at 2:30 o'clock.

Mrs. R. B. Cattell will preside and the speaker will be Mrs. Brewer Whitmore of the Spanish Department at Smith. Mrs. Clark E. Woodward, Hospitality Chairman, invites all Smith women in the Newtons to this meeting and asks that any not yet members contact Mrs. F. Leslie Ford, 15 Cherkiss road, West Newton, in advance of the meeting. Assisting Mrs. Woodward are Mrs. Eugene Morton, Mrs. William Bassett and Mrs. E. Prentiss Jones.

The hostesses for this meeting are Mrs. Quincy W. Wales, Mrs. Earle Bliss and Mrs. Hugh Hince.

## Jubilee Singers At Eliot Men's Club

A concert by the Royal Jubilee Singers, sponsored by the Eliot Men's Club will be given at the Eliot Church Chapel on Wednesday evening, December 8 at 8 o'clock.

A large number of tickets have been sold for this exceptionally fine entertainment and some are still on sale at Hubbard's Drug Store.

## Kiwanis Club

Past President's Day was observed at the Newton Kiwanis Club meeting on Tuesday, November 21, and was featured by the award of three perfect attendance pins and a talk on Newton High School by Principal Raymond A. Green, who is a former president of the club.

Past Presidents at the head table were Archie C. Bellinger, John A. Jann, George L. White, Raymond A. Green, James P. Gallagher, who presided; James Forbes, William F. White, Dr. Frederick H. Paul and James B. Riggs. Al Nickerson of Arlington, lieutenant-governor elect of the Fifth District, and Merlin Ladd were guests.

Paul Considine was inducted into membership by Past Presidents Gallagher and William White. Dr. Paul presented perfect attendance pins to Benjamin F. Louis, three years; Walter A. Hobb, two years, and John Cable, one year.

Ben Louis appealed to the members to get behind the 6th War Loan and buy as many bonds as possible. At the meeting on Tuesday, November 28, the members listened to an interesting talk by Jim Forles head of the Newton Trade School. Mr. Forles brought with him 3 students of the school, Messrs. Perkins, Bilzicki and Robuck.

Perkins gave a discussion on measuring devices, and explained their use, and Bilzicki spoke about "Radio."

Wally Finley told of his hunting experiences.

Plans were discussed for a ladies night which will be held on December 6th.

The Club welcomed Lenny Baker who returned after a 3 week illness.

Guests of Kiwanis were Joe O'Neil of Waltham, Francis Russell, Treasurer of Newton Savings Bank, Lt. Stevens of the Navy Department, and Fred Monahan of Bachrach.

## Eliot Men's Club

The Eliot Men's Club will have their annual Christmas Party on Monday, December 11th, at 6:30 p.m. A turkey dinner with all the fixings will be served, and tickets are only 85c. Reservations must be made for the dinner with Mrs. MacPhee at the church office not later than twelve o'clock noon, December 9th—Bigelow 3639.

The evening's entertainment will be furnished by Frank Andersen and C. Barnard Tucker, special entertainers. Mr. George Gillich, musical comedian, and Lt. Walter McQuiston, together with U. S. Navy personnel, will show comedy motion pictures.

## Lasell Junior College

The Cap and Gown ceremony and Senior Serenade was held Sunday evening, Nov. 26th.

At the Friday morning assembly, Alonzo Pond spoke on the subject "Algeria, North Africa." The evening Vespers will be in charge of Anna Eichhorn Cushman, violinist, and Sergeant Harold Schwab, pianist.

## Mothers' Rest Club

The Mothers' Rest Club of Newton will hold its monthly meeting on Wednesday, December the sixth at the home of Mrs. John G. Foote, Anawan road, Waban. Assisting Mrs. Foote at the luncheon preceding the meeting will be Mrs. Charles Grover, Mrs. Robert Muther, Mrs. E. Farnum Rockwood, Mrs. Kurt Thoma and Mrs. Frank Vorhies.

## Glee Club Concert

Tuesday, December 5

There is every indication that the concert, to be given by the Highland Glee Club, Tuesday, December 5, at Newton High School auditorium, will draw heavily from not only Newton but Greater Boston. The reason is two-fold:

The Glee Club itself has enlisted the support of its sponsors in publicizing the fact that this splendid organization, in presenting its regular concerts for the 38th consecutive year, is planning to make this, as well as the one in March, outstanding. The plans for the March concert will be given publicity later on.

In addition to Tuesday's program by the club itself, presenting Ruth Diehl to a Newton audience, is creating unusual interest. Miss Diehl is one of the outstanding younger artists of the country. Her press notices point out the qualifications that make for the type of artist one likes to hear and remembers. Not only is her voice excellent and appealing but her personality and interpretation is what really counts. A discrimination of choice of songs likewise indicates keen appreciation of that intangible bond between singer and audience that make a concert pleasurable. Further comments of her artistry would be only a repetition of extravagant descriptions of her successes.

One brief paragraph with reference to the Club itself seems permissible. Organized in 1906, the Club has continued through thick and thin. There have been years when certain difficulties loomed large but because of the interest and faith of its members, the organization retained a small but enthusiastic following, maintaining a place for itself in the artistic and cultural life of the city. If Newton was 20 instead of 10 miles distant from Symphony Hall and had to rely upon its own musical activity, there is no question but that the Highland Glee Club would have a much more popular appeal than is actually the case. It would seem as though this organization should receive the generous and warm backing of our musically minded people.

To You

Our Guests on

Thanksgiving Day...

It was a real pleasure to have you share the holiday feast and the Spirit of Thanksgiving with us. We extend our sincere thanks to every one of you (and we served dinner to nearly 700 guests), for making the holiday such a successful one for us.

Everything in our power was done to carry out the traditions of an old-fashioned New England Thanksgiving... however, we believe that much credit should be given to you, our guests, for making the day so enjoyable.

We are indeed thankful for the privilege of serving you, and proud that you have made the Beaconsfield so truly a part of the Social Life of this distinctive New England community.

More people were killed from burns in their homes than were killed in all railroad accidents in the United States last year, says the National Safety Council.

Zandra watches her master, Lyle T. Hammond, at work on a vital war job.

## "Zandra" Helps Master Hold Vital War Job

Maybe the Army-Navy "E" she wears around her neck doesn't spell success in the limited world she knows.

But Zandra's master, Lyle T. Hammond, 56-year-old, sightless war worker at Raytheon, swears her steps are snappier and her responses more alert since the day she became the first member of the animal kingdom to be so honored.

Zandra, sturdy German boxer, is not just any Seeing Eye dog. Because she helps her master hold down a vital job in a vital war plant, the nation's industrialists will pay her tribute next month when the National Association of Manufacturers holds its three-day War and Reconstruction Congress 49th annual meeting, on December 6-8 in New York City.

Hundreds of Hammond's fellow workers crowded around his work bench in the Raytheon Manufacturing Co. plant at Waltham, Mass., on the day they gave Zandra her E for excellence. The dog froze to attention. Hammond sought out Zandra's head, patted it, said: "Good girl Good girl."

The story of the dog is the story, too, of a man climbing out of a pit of despair.

Hammond was an executive in a New York ad agency when he lost the use of his eyes at 37. He wandered through years of hopelessness. Then he bought Zandra for \$150.

"It was like finding a friend who saw, felt and thought for me," he said. "From then it was a bright life."

A year and a half ago, Hammond and Zandra walked into the Raytheon plant. The factory welcomed them with open arms.

"Zandra and I were led to the bench twice on the first day of work by the foreman," Hammond said. "Next morning Zandra took me straight to my bench and has done so ever since."

Hammond works at his parts assembly bench at work so secret that no visitors are allowed to visit his section; but Zandra, whose normal work-home is on a rug-covered platform, is free to roam throughout the buildings where secret radar and electronics equipment is turned out.

The City of Waltham knows them as inseparable, in good weather, rain, or blizzard. Four times daily Zandra guides Hammond the mile and a half between home and job, for they go home for lunch.

Promptly at 4:45 a.m., Zandra serves as an alarm signal that she is on active duty. "Zandra is a part of me," Hammond said. "We go on complicated walks together and travel in the most congested traffic with complete security."

Well, not always. As Hammond remembers: "One night after overtime work I was in a hurry to get home. I stepped off a curb almost into a car. Zandra curved her body into the right of me, blocking my feet. I heard a scream as the car rolled by. It would have been certain death if she had not guarded me."

Hammond's wife is a Waltham school teacher. They have three married children, two daughters, Mrs. Priscilla Grant, secretary to Governor Bricker of Ohio, and Mrs. Elizabeth Washburn, of Jacksonville, Fla.; and Sgt. Sumner C. Hammond, a tail gunner who concentrated recently on Jap planes. Holder of the Distinguished Flying Cross and the Air Medal with an Oak Leaf Cluster, Sumner is now at the Atlantic City, N. J. rehabilitation center.

The Hammonds recently lost a son, Robert, who died at Palmer, Mass., after a long illness. It's Zandra who will bring her master down from Boston to meet the manufacturers of the nation. Strange city, strange streets, new faces—but Hammond says Zandra will find the way.

## West Newton

Miss Barbara Hurst, daughter of Mr. and Mrs. Edward Hurst of 216 Valentine street, was a member of the committee in charge of the annual student government dance held by Wheelock College students Saturday night, November 25. ## All Newton Music School Ambulance Operating in France

A second letter has just been received from Private Lloyd E. Parfait, driver of the ambulance which was financed through the Bond Drive conducted during last January by the All Newton Music School. This ambulance is now at the front in France, and the driver says he needs a name for it.

A plan is already under way at the Music School to help Lloyd select a good name. Each of the 325 pupils will be given a slip which reads as follows: "Have you a Musical Suggestion? We need your help! The ambulance, which our bond drive helped to buy last spring, is now in France. Here is part of a letter from its driver: 'I just found out that I could send you a picture of the ambulance and myself, and as soon as I can, I'll send it to you. As for the ambulance, I think it is one of the best made and I am very fond of it. All I need is a good name for it. Will you help me to tell all the pupils to give me a hand?' (Signed) Lloyd E. Parfait. Let's all give him a hand. To hear off the slip at the bottom and bring it with your suggestion of a name to your next lesson. Three judges will decide which ones shall go to our driver in France for his choice of a name. We will ask him to write to the boy or girl whose suggestion he likes best."

When the slips are all in at the office, the judges, all from the Board of Trustees, will select as many of the best ones submitted as can be put into a V-mail letter, and get them right off to Private Parfait for his choice. Naturally, the boy or girl whose name is chosen, will be proud of the letter from the driver telling of his choice.

An invitation has been sent out to all community agencies of Newton to open the Christmas Season with the All Newton Music School at its Annual Christmas Concert to be held on Friday evening, December 8th at 7:30 o'clock in the Newtonville Woman's Club on Washington Park. All are welcome. Come, bring your friends, and share in this Annual Community Event.

Tea will be served. The hostesses will be Miss Anna A. Long and Miss Cora S. Cobb. The public is invited.

## H. S. Music Program

(Continued from Page 1) and travels, Slonimsky drew spontaneous chuckles and gasps of admiration from the gathering. For the lovers of technique he deftly and accurately played polytonal and polyrhythmic scales and showed the method of conducting in mixed rhythms. In the lighter vein he turned the tables on the popular plagiarists who steal themes from Tchaikowsky and Beethoven and moulded "Mairv Dotes" into the styles of Sousa, Liszt, and Johann Strauss. The unmistakable melody transformed so clearly brought an enthusiastic response.

Mr. Slonimsky concluded his program with a work which he had written when he was seventeen, in his words, "His more romantic than average, for, after all, I was seventeen. I certainly could not write anything like it now." The composition made any consistent aspirants of writing question their own merits for a moment as they realized the talent of their engaging performer.

The following are the officers of the club: Margaret Sherman, president; Joan Fleimonte, vice-president; Robert Esterberg, secretary; Donald Mork, treasurer; Jean Avantaggio, Marcella Shelman, co-chairmen Social Committee; Daphne Voss, director of publicity; Mr. Henry Lasker, club advisor.

## Newton Lower Falls

Mr. Francis J. Rochford passed away at his home 2189 Washington street on November 19th. He was born in Newton Lower Falls and lived here all his life. Mr. Rochford was a graduate of Bates College, Maine. He was a Secretary for the Cambridge Institute for the Blind for over thirty years.

## Amazing Record

"Better than 99% 100% for safety!" That is the record of the Mutual Savings Banks of Massachusetts according to the most recent official report of the Commissioner of Banks to the Massachusetts Legislature. As a vivid illustration of the security of deposits in these mutual savings banks, he stated that every forty days (or more than 9 times during 1943 alone) these banks have paid out to their depositors in interest on deposits an amount equivalent to the total losses sustained in a century and a quarter.

The record of the Newton Savings Bank is even better, for in its 115 years' history, its depositors have sustained no withdrawal losses. This bank has safeguarded more savings and financed more homes and more educational programs than any other bank in its area. It is today one of the soundest as well as one of the oldest banks in the country.

Come right to headquarters if you are interested in planning a budget; saving systematically or occasionally; saving money on your life insurance premiums; obtaining a temporary loan with either collateral or endorser, or buying, repairing or re-financing a home. (This bank can write any form of mortgage desired.)

You need no introduction—you incur no expense or obligation. A sound bank—a friendly bank—welcomes you.

### Coty-Buford

Corporal Jane Ann Buford,  
United States Marine Corps Women's  
Reserve, stationed at Quantico,  
Va., daughter of Mr. and Mrs.  
Charles W. Buford, of Scarsdale,  
N. Y., was married November  
18 to Second Lieutenant Albert  
Woods Coty, U. S. M. C. R., of  
Camp Lejeune, New River, S. C.,  
son of Mrs. Ethel P. Coty, of 99  
Highland street, West Newton.  
The ceremony took place in Hitch-  
cock Memorial Church, the Rev.  
Dr. George H. Smyth and the Rev.  
Adelmar Bryan officiating.

Mr. Buford gave the bride in  
marriage. Miss Betty Legler was  
maid of honor and the bridesmaids,  
Corporals Lucille Weizel and Bar-  
bara Dunlop, both of U. S. M. C. R.,  
also were ushers. Bernard  
G. Egan of Springfield was best  
man.

The bride attended schools in  
Belgium and Switzerland, was  
graduated in 1942 from Stephens  
College in Missouri and attended  
Berkley School, New York. Lt.  
Coty attended Phillips Andover  
Academy and Springfield College.

### Stevens-Bandy

Mrs. Laura Bandy of 32 Hollis  
street, Newton, announces the en-  
gagement of her daughter Marilyn  
Hessie to Fred M. Stevens, P.M.1-c,

Stevens of 25 Cleveland street,  
Houlton, Maine.

### Steele-Tarbox

Miss Alys W. Tarbox, daughter  
of the late Mr. and Mrs. Charles  
Tarbox of Newton Highlands, be-  
came the bride on November 11, of  
Carl Dana Steele, son of the late  
Mr. and Mrs. George H. Steele.  
Rev. Hamilton M. Gifford, pastor  
of the Newtonville Methodist  
Church performed the ceremony at  
the home of the bride. Given in  
marriage by her niece, Miss Eliza-  
beth C. Churchill, of Los Angeles,  
California, the bride wore a gown  
of romance rose and carried car-  
nations. Miss Rose O'Keefe of  
Boston was the maid of honor and  
Warren B. Bigelow of Wellesley  
was the best man.

Mr. and Mrs. Steele will live at  
26 Boylston road, Newton High-  
lands.

### Carr - Manley

WITH THE FIFTH ARMY,  
ITALY—Climaxing a romance  
which began six months ago in  
Oran, Algeria, Lieutenant Colonel  
Frank Fairfield Carr of Newton,  
and Second Lieutenant Waneta  
Manley of Claremont, New Hamp-  
shire, were married on November  
18, in the Methodist Church in  
Florence, Italy.

Lt. Carr, a tank battalion  
commander in the 1st Armored Di-  
vision of Lieutenant General Mark  
W. Clark's Fifth Army and the  
bride who has served overseas 19  
months is a member of the Army  
Nurse Corps with the 94th Evacua-  
tion Hospital.

The bride, who was given in  
marriage by her commanding of-  
ficer, Colonel Lee Pierce of White  
Plains, New York, wore a strictly  
non-GI white satin wedding dress  
received from home earlier in the  
week. The ceremony was conducted  
by Captain James B. Ansley, chap-  
lain from Kerens, Texas.

Lt. Carr, a 30 months overseas  
veteran, is the son of the late  
Frank F. Carr, former junior high  
principal in Newton.

### Roberts - Ver Planck

White chrysanthemums against a  
background of cibotium fern de-  
corated the Church of the Good  
Shepherd in Waban November 25  
for the wedding of Miss Grace Ver  
Planck, daughter of Mr. Philip Ver  
Planck of 48 Winsor road, Waban,  
and the late Mrs. Ver Planck, and  
Lt. James Adams Roberts, USNR,  
son of Mrs. James Adams Roberts  
of Milton and the late Mr. Roberts.

The ceremony, followed by a recep-  
tion at Brae Burn Country Club, was  
performed by the Rev. Stanley  
W. Ellis.

With her gown of pale ivory sat-  
in, made with a full skirt and  
long train, the bride wore a full-  
length tulle veil trimmed with heir-  
loom duchess lace and caught to a  
pearl coronet which had been worn  
by her mother and grandmother.  
Her bouquet combined gardenias  
and stephanotis. Miss Virginia  
Wilder of Waban, as maid of honor,  
was gowned in gold brocade,  
with a headdress of brown ostrich  
tips and carried a bouquet of deep  
rust chrysanthemums. In similar  
gowns with bouquets of a lighter  
shade, the bridesmaids were Miss  
Sanchia Thayer of Waban, Miss  
Mary E. Ver Planck of Boston, Miss  
Helen Mitchell of Newton Centre  
and Miss Ruth Carter of Everett.

The brother of the bridegroom,  
Charles Roberts, USN, of Milton,  
was his best man. The ushers were  
Joseph O. Proctor, Jr., of Bed-  
ford, Edward P. Ver Planck, brother  
of the bride, Barclay Cooke of  
Paterson, N. J., Lt. Andre Reggio,  
USNR, of Brookline, Robert Ste-  
wart of Boston and Francis Keyes of  
Simsbury, Ct.

The bride, who was graduated  
from Vassar College in 1942, is a  
member of the Longwood Cricket  
Club. Also a member of that club,  
Lt. Roberts attended Milton Aca-  
demy and was graduated from  
Harvard in 1936, and is a member  
of Spee Club and the Harvard Club  
of New York. They will live in  
Washington, D. C.

### Robbins - Medbery

At the Central Congregational  
Church, Newtonville, Miss Eliza-  
beth Marion Medbery, daughter  
of Mr. Neil G. Medbery of 26 Wal-  
nut place, Newtonville, became the  
bride, November 19, of Sgt. Mor-  
ton Stuart Robbins, Jr., USA, son  
of Mr. and Mrs. Morton Stuart  
Robbins of Chelsea, Vt. The cere-  
mony was performed by the Rev.  
Randolph Seaman Merrill.

The bride, given in marriage by  
her father, wore a gown of white  
faillie with the full skirt forming a  
train of tiny ruffles from the waist-  
line. Her veil, a family heirloom,  
was held with a simple wreath of  
orange blossoms, and she carried  
echinacea lilies and white chrys-  
anthemums. Miss Jean Gardner of  
Gardner, cousin of the bride, was  
maid of honor and was gowned in  
turquoise faillie with a bouquet of  
chrysanthemums. The bridesmaids  
were Mrs. Jack V. Sheldon, sister  
of the bride, and Mrs. Albert B.  
Todd, Jr., cousin of the bride.

The ushers were John R. Perry,  
Jr., and H. Hoyt Hallas of New-  
ton, Walter M. Smith, Jr., of Quin-  
cy and Donah Whitney of Welles-  
ley.

The Bronze Star was awarded to  
Maj. Woodworth for "meritorious  
service in direct support of combat  
operations at Guadalcanal, where  
he was the commanding officer of  
a service battery with the artill-  
ery."

He is now back in the states  
after serving 31 months in the  
South Pacific.

"Ambulance" comes from the  
French "ambulant," meaning to  
walk.

### Varner-Bruemmer

In the candle-lit chancel of the  
Newtonville Methodist Church  
Miss Anne Bruemmer, daughter  
of Mr. and Mrs. L. W. Bruemmer  
of West Newton, and Lt. Jg. Al-  
bert F. Varner Jr., son of Mr. and  
Mrs. Albert F. Varner of East  
Boston, exchanged their marriage  
vows on Saturday afternoon, No-  
vember 25th. Preceding the four  
o'clock ceremony, which was per-  
formed by the Reverend Hamilton  
M. Gifford, Mrs. Louis W. Bruem-  
mer Jr., sang "O Perfect Love"  
and the communion service in  
which the bride couple participated  
closed with her rendition of  
"The Lord's Prayer."

Given in marriage by her father,  
the bride wore a princess gown  
fashioned of satin with duchess  
lace panels, and full train. Her  
finger-tip veil was caught into a  
pearl tiara, and she carried the  
heirloom lace handkerchief which  
had been carried by her grand-  
mother in 1887 and her mother in  
1916. Her shower bouquet was  
of white roses and orchids.

Miss Edith Merrill of Walpole,  
gowned in aqua crepe and carry-  
ing rust and white pom-poms, was  
her cousin's maid of honor. The  
bridesmaids were Mrs. Paul Wright  
of West Newton, Mrs. Robert  
Huston of Waltham, and Miss  
Norma Wolfe of Quincy. They  
wore coral crepe gowns and car-  
ried arm bouquets of rose pom-  
poms.

Lt. Varner chose his father, Mr.  
Albert Varner of East Boston, for  
his best man. The ushers were  
Inger Grocock of New Britain,  
Conn., William Courtnage of West  
Newton, Rodney Flinchbaugh of  
Newton Upper Falls, and Robert  
Huston of Waltham.

Mrs. Varner was a member of  
the 1942 class of Bates College,  
and Lt. Varner graduated from  
Northeastern University in 1943  
where he was a member of Beta  
Gamma Epsilon and Sigma Delta  
Epsilon.

After a short wedding trip Lt.  
and Mrs. Varner will leave for  
San Diego, California.

### Hammerly-Fletcher

On November 17 at 4:30 p.m.,  
Miss Jean Fletcher, daughter of  
Mr. and Mrs. D. D. Fletcher of  
Langley road was united in mar-  
riage to Mr. H. William Henry  
Hammerly at the Navy Yard  
Chapel in Portsmouth, Va. by  
Chaplain Donald G. Creech, U. S.  
N. R.

The bride who was given away  
by her father wore attire in a  
light blue jersey dress and wore  
an orchid corsage.

The attendants were Lt. and  
Mrs. Joseph R. Parsons Jr.

### Brodney - Tarlin

At a simple wedding in Temple  
Oshabi Shalom, Brookline, Miss  
Edith Rosalind Tarlin, daughter  
of Mr. and Mrs. Victor H. Tarlin  
of Brookline, was married No-  
vember 19 to Frederick Brodney,  
son of Mr. and Mrs. Simon Brod-  
ney of 188 Beacon street, Chest-  
nut Hill. A reception in the vestry  
followed the ceremony.

Miss Elizabeth Brodney, sister  
of the bridegroom, was the bride's  
only attendant. Dr. William  
Shreiber of Jamaica Plain was  
best man for Mr. Brodney, and  
the ushers were Mr. Edward Bar-  
ber, Mr. Ralph Oster and Mr.  
Robert Oster.

Mrs. Brodney was graduated  
from Fryburg Academy in Maine  
and Mr. Brodney, who attended  
the College of William and Mary,  
was graduated from Boston Uni-  
versity law school. They will live  
in Chestnut Hill.

### Coop Bank League 1945 Advertising Campaign Planned

"The most effective medium for  
calling public attention to the  
special services offered by co-  
operative banks has been found to  
be newspaper advertising, both  
metropolitan and local," said War-  
ren W. Oliver, chairman of the  
Massachusetts Co-operative Bank  
League Advertising Committee.  
"For ten successive years the pol-  
icy of emphasizing newspaper ad-  
vertising has been rewarded with  
highly satisfactory results in  
terms of increased business and  
growing public acceptance of the  
co-operative bank idea."

"Keystone of the 1945 campaign  
will be an illustrated booklet,  
'Basic Designs for New England  
Homes,' featuring illustrations and  
floor plans of attractive medium  
price houses designed by the na-  
tional prize winning architect,  
Royal Barry Wills. In addition to  
the designs, the booklet contains  
information of special value and  
interest to prospective home own-  
ers. It will be distributed free by  
co-operative banks and vigorously  
promoted in statewide newspaper  
advertising."

"Other features of the 1945 Bank  
League campaign include direct  
mail, car and bus cards, posters  
and radio."

Newly appointed members of  
the Advertising Committee are  
Roger C. Allen, treasurer Roxbury-  
Highland co-operative bank; Wal-  
ter E. Boright, treasurer Waverley  
co-operative bank; Belmont; Fred-  
erick B. White, treasurer Taunton  
co-operative bank; Arthur L.  
Whitten, treasurer Braintree co-  
operative bank; and Harry R. An-  
drews, treasurer Reliance co-  
operative bank, Cambridge.

### Lydia Partridge Whiting Chapter, D. A. R.

The Lydia Partridge Whiting  
Chapter, D.A.R. of Newton High-  
lands, was the hostess on Tues-  
day afternoon, to visiting Na-  
tional and State Officers and Chair-  
men. Dessert-coffee at one o'clock  
was followed by a reception for the  
prominent guests and members;  
at two o'clock after a brief busi-  
ness meeting, the Regent, Mrs.  
Ernest Fairman Dow, presented  
the speaker, Mrs. Joseph A. Cush-  
man, whose subject was "A Year  
from my Grandmother's Dairy".  
Mrs. Mildred K. Torrey was heard  
in a group of old-fashioned songs.

### Telephone Companies Plan Nation-Wide Postwar Programs

A joint committee of representatives of Bell and Independent Operating Telephone Companies throughout the United States has been formed to advance the nation-wide postwar programs which the various telephone companies have been working on individually to extend and improve farm telephone service, it was announced today.

Co-Chairmen of the committee are John P. Boylan, President of the United States Independent Telephone Association, the National Organization of the thousands of Independent Telephone Companies, and Keith S. McHugh, Vice President of the American Telephone and Telegraph Company, representing the Bell operating companies.

"Rural telephone service is more highly developed in this country, under the American system of private enterprise, than in any other country in the world," Mr. Boylan and Mr. McHugh said today in a statement issued by them for the committee. "However, it is by no means as highly developed as we in the industry want to see it, and the industry intends to do everything in its power to provide more service and better service, at a cost which the farmer can afford."

"Since operating telephone companies throughout the whole country have been working on this problem, a representative joint committee has been formed consisting of a number of their most experienced officials. We believe that the application of new facilities and methods which were under development by the industry before the demands of war interrupted our research and construction program, will help to bring telephone service to many new farm customers. As soon as war demands are reduced, we propose to resume and expand our research effort and, along with it, the intensive program for extending farm service which was being carried on before the outbreak of hostilities."

"Over one-half million miles of telephone pole lines serving rural areas have already been built so that more than two-thirds of all rural families in the United States can be served from existing lines. Since 1935 more than 500,000 additional families in rural areas have become telephone subscribers—an increase of 35 per cent. One of the major objectives is to continue this upward trend by making the service over existing lines increasingly valuable and attractive. The industry intends to do to the limit of its ability."

"A second major objective is to extend service at reasonable cost to families not now reached by existing lines. Telephone industry research in the last several years has successfully developed new construction materials and methods which substantially lower the cost of building wire lines to areas not previously reached. In addition, work was started by the industry in 1938 to develop a practical system of transmitting electrical energy over telephone lines to power lines. A similar system can be used over telephone lines to increase their capacity. This so-called rural carrier system transmits very high frequency current over the wires. From 1940 on, experiments with this system for telephone service over rural power lines were carried forward in a cooperative effort of Bell Telephone Laboratories and the Rural Electrification Administration. Before the work was interrupted by the war, it was clear that a suitable system of this kind could be produced."

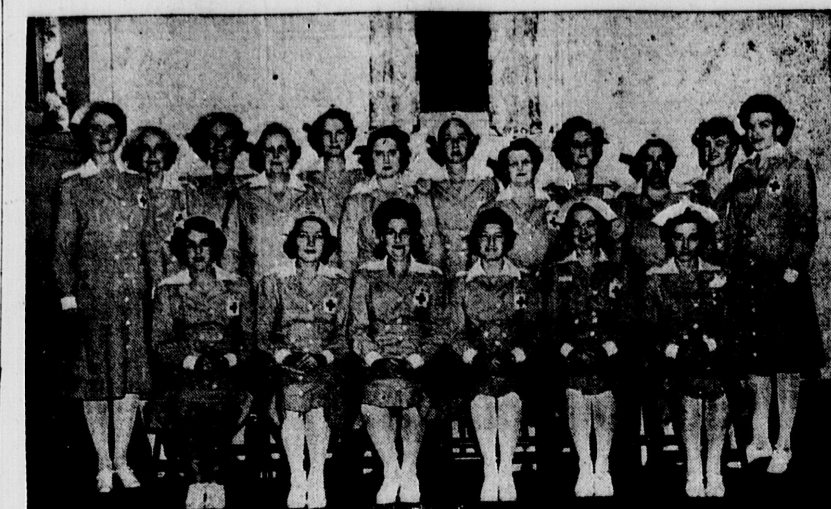

"One practical effect of these developments is to make it physically possible to furnish telephone service wherever there are rural power lines and telephone lines. The telephone companies plan, in cooperation with R. E. A. cooperatives and with power companies serving rural territory, is to determine the full extent to which rural carrier telephone service can be used economically and effectively."

"The telephone companies also plan to study the possible application of Microwave Radio Systems to rural telephone service and to make use of this and any other new methods which will be helpful in serving the farmer."

### Questionnaires To Be Sent Service Men's Kin On Future Plans

The Citizens' Advisory Committee for Returning Veterans is planning to send out another mailing to the next-of-kin of Newton men and women in the armed forces, enclosing a questionnaire which covers the serviceman's educational and employment record, and asking for his post-war plans. This second mailing will go only to those next-of-kin who did not return the first questionnaire, in the hope that the information to be gained from this additional group will enable the Committee to plan more completely for the future of these men and women when they return to civilian life.

"We hope an urgent request," said Charles B. Floyd, chairman of the Committee, "that the relatives of every Newton serviceman and woman will take the trouble to fill out the form with all the information they have at hand, and return it as soon as possible. This applies to all cases, even if there is no reason to think the Committee will ever be called upon to render assistance. It will help Newton to know how many of its veterans will return with their future employment or education provided for. With more than 8000 in service, it is obvious that hurried, last-minute measures taken after the veterans return cannot be as good as those which can be more carefully planned while there is still time. It is this careful planning we are aiming at when we ask the citizens of Newton to supply us now with this information about their relatives in the service."

### Newton Doctors Named On Hospital Staff

At the annual meeting of the general staff of the Massachusetts Osteopathic Hospital, Jamaica Plain, held last week at the hospital, Dr. Alexander F. McWilliams, 130 Forest avenue, West Newton, was re-elected to head the Out-Patient Department. The associate directors elected included Dr. Everett L. Pierce, 327 Franklin street, Newton; Dr. Vincent N. Hammerstein, 111 Lincoln street, Newton Highlands; and Dr. Walter N. Keene, 128 Lowell avenue, Newtonville.

The staff rose in a silent tribute to the memory of the late Dr. Harry E. Cash, 37 Hinckley road, Newton Highlands, who at the time of his death was an associate director of the Out-Patient Department, and had held numerous professional honors, including that of president of the Massachusetts Osteopathic Society.

### Sherman Paper Products Adds Registered Nurse

Sherman Paper Products in Newton Upper Falls has announced that a registered nurse has been added to their staff, as an additional service for employees. Miss Ruth Roberts of Newton, graduate of Portland General Hospital, is on duty throughout the day in the plant's First Aid room.

Miss Roberts was formerly industrial nurse for the Clifford Manufacturing Company in South Boston. She has complete charge of the Sherman Company, in addition to her other duties. Dr. Levin, Plant Physician, will continue to call at the plant daily, as in the past.

### Newton High School

"Junior Miss," the senior class play, was well applauded by two capacity audiences, November 17 and 18. It was ably coached by Miss Helen Sweeney of the business department.

The English Club offered the pupils a special treat at the November meeting, a Faculty Play Reading. The play was "The Mollusc," a comedy in three acts. In the cast were Miss Helen White, Daniel Koughan, Miss Lucille Jones, T. Jerome Cutting, and Mrs. Leo Barry, coach and narrator.

Miss Miles' sophomore design class is once again at work on water color for the Red Cross. As was done last year these paintings will be framed before being distributed. In a letter dated last July 13th, Miss Miles was informed "All the paintings done by your pupils have been hung in the hospital ship, St. Olaf, for the enjoyment of our wounded men." The St. Olaf, an ex-liberty ship, was recently converted to accommodate 597 patients, and turned over to the Army.

November 20 brought a stamp sale of \$972.45, and a bond sale of \$1662.50. The committee for war stamp sales is making every effort to reach our goal for the current war loan drive.

"The High School Looks Ahead" was the title of Mr. Floyd Rinker's address when he spoke before the New England Association of Teachers of English, in Cambridge, November 17.

Highlights of the school recess last week was the Thursday game with Brookline. At the close of school on Wednesday there was a large Orange Day rally.

Principal Raymond A. Green's Thanksgiving Day message to pupils and teachers read: "This year Thanksgiving should cause each one of us to reconsider the many things for which we should be thankful. For our country, victory is much closer. We can be thankful for the preservation of our many freedoms. We have sufficient to eat and to wear. We have a good school and a good community and good friends. Let us be truly thankful for those many blessings."

Mr. Charles B. Floyd, Chairman of the Citizens' Advisory Committee for Returning Veterans, last week spoke to the Education Planning Committee of the Newton schools.

### Selectees Given Send-Off

An informal send-off was given by the Citizens' Committee for Newton Servicemen to the 24 selectees who left the Newton City Hall on Tuesday morning for Fort Banks to be inducted into various branches of the service.

Chairman Roy S. Edwards was assisted in distributing the traveling kits to the selectees by Acting Chief of Police Nicholas Vedeucio, Carmen A. Vitti and Warren W. Oliver.

Refreshments were served by a Newton Red Cross Canteen unit under the direction of Mrs. Enoch Ferguson.

### Truckers' Lunch Stands Now Dot Southern France

"Come in for coffee and C ration dinner. You bring the C rations!"

Signs along convoy roads in Southern France invite Army truck drivers into a Red Cross "Truckers' Lunch" reminiscent of lunchstands that dot southern highway in the United States, says the Newton Chapter of American Red Cross.

Coffee is served to G. I. drivers experiencing the cold and mud of winter in France, by Red Cross girls who are on twelve-hour shifts. Hot plates are provided, on which the men warm up their C rations.

Rather than burden the heavily-laden truck convoys that rumble night and day along roads between port towns and the fast-moving U. S. Army now penetrating eastern France, the American Red Cross staff in that area has attempted to serve food at roadside stations, other than coffee. The new version of the traditional Red Cross canteen also has leisure time features consisting of lounge, reading and writing rooms. The unique idea of a message box arranged for G. I. buddies to exchange notes is exceedingly popular. Notes are left for friends returning from combat areas or arriving on the next convoy.

This first experiment with a "Truckers' Lunch" serves an average of 2000 men a day, and has emergency space is rigidly adhered to, so that parked vehicles in no way interfere with emergency traffic.

Commanding officers have highly approved of the success of the canteen, which is mobile and can quickly move to new supply routes. Three additional "Truckers' Lunch" stops have been installed and at intermediate points, coffee bars only, have been set up.

These Red Cross installations are a link between the settled rear area clubs furnished by the American Red Cross for men on leave from battle zones and the clubmobile doughnut service operating near the front lines.

Red Cross leave facilities in southern France, established on the heels of the advancing Army, include a small hotel with two swimming pools and fifty thermo baths, central bakeries in Marseille, and a theatre with a seating capacity of 1600.

### Weeks High School P.T.A. Holds Meeting

The Parent-Teacher Association of the John W. Weeks Jr. High School held its first meeting of the current year, 1944-1945 on Tuesday evening, November 21, at 8 p.m.

Approximately five hundred parents took part in this "Back to School Night" by being in their children's home-room promptly at eight o'clock. As just eight minutes were allowed for a class period only the mechanics of school organization and a bird's eye view of the things the school could do to help the parents were the routine of the evening. The parents experienced the reality of a day's procedure by passing from one classroom to another and to the cafeteria.

A group of students were very helpful in aiding the parents to keep the lines passing in the hall to the right and a single file only into the cafeteria. At nine forty-five parents and teachers met in the assembly where Mr. Robert L. Peel, the president of the P.T.A., called the meeting to order. The treasurer reported that to date five hundred and sixty-four members had joined the P.T.A. The meeting was conducted by the audience singing several selections led by Mr. Kenley and accompanied by Mrs. E. M. Harvey at the piano.

### Film Review at Coolidge Corner Theatre

In response to the many requests from the movie lovers of Brookline and surrounding towns, the Coolidge Corner Theatre is pleased to present a week of review films. The first great show will run for three days, Thursday thru Saturday, November 30 to December 2, and will feature handsome Tyrone Power and Academy award winner, Joan Fontaine in the stirring drama adapted from the best seller, "This Above All," starring Olivia De Havilland and Robert Cummings.

Sunday thru Wednesday, Dec. 3-6, brings to the screen two fine pictures for your enjoyment, Robert Taylor, Walter Pidgeon, Robert Skelton in the unforgettable "Flight Command" and "Seven Sweethearts" with the golden voice of Kathryn Grayson and the dry humor of Van Heflin. Plan to see both of these great shows.

### Rotary Club

Bishop Bruce R. Baxter of the Methodist Church was the guest speaker at the weekly luncheon meeting of the Newton Rotary Club held November 24th at the Brae Burn Country Club. The Bishop, a Rotarian for twenty-five years and presently a member of the Portland, Oregon Club, was introduced by Howard Selby.

The speaker related his experience in the Orient and presented a graphic and interesting biography of the life of Madame Chiang Kai Shek. He reviewed the history of the Soong family in the South; Miss Soong's experience as an undergraduate at Wellesley College; her return to China, where she served the people of China; and finally her marriage to Generalissimo Chiang Kai Shek—an unusual marriage ceremony, when customs of East and West were combined.

As Madame Chiang Kai Shek, she acted as interpreter for the Generalissimo; served as Hostess; received an honorary commission in the Chinese Air Force, and was instrumental in forming the "Flying Tigers." Listed among her many accomplishments was her remarkable feat in engineering the safe return of the Generalissimo when he was kidnapped and held as a political hostage.

The Bishop described Madame Chiang Kai Shek as the great lady of today's world and lauded her unusual poise, remarkable sense of humor, and perfectly balanced mind. He closed his talk with a stirring pronouncement by Madame Chiang Kai Shek on an occasion when she was weary from travel and overwork: "Yes I am tired... there is a limit to physical endurance—there is no limit to spiritual resources."

Mr. Carl Bowman, Manager of Brae Burn Country Club, was installed as a new member by longtime Rotarian Mathew Ruane.

### Miss Ludy, New Secretary of Family Service Bureau

On Friday, Dec. 1, Miss Jane Ludy will assume her new duties as General Secretary of the Family Service Bureau of Newton, Inc., replacing Miss Harriet Parsons who recently left for St. Louis. Miss Ludy is especially well equipped for the work both from her educational background and her practical experience. After graduating from the University of Illinois she was engaged in public welfare work in Iowa for six years. In 1939 she obtained her master's degree in social science at Smith, securing her psychiatric training at Essex County Mental Hygiene Clinic in New Jersey.

Following her three years as a case worker with the Family Service Association in Washington, D. C., Miss Ludy came to the Family Society of Boston in 1942 later becoming the Allston-Brighton District Secretary which position she leaves to take up her work in Newton. For the two years she has been in Boston Miss Ludy has been associated with Simmons School of Social Work supervising students.

Newton's Family Service Bureau is recognized as one of the outstanding organizations of its kind in New England, having four trained case workers. Its reputation, developed over half a century, is well deserved because of the varied and progressive program it has developed to meet the changing needs of the community.

### Corp. Executives Added To Northeastern Univ.

Eight Massachusetts corporation and business executives have been elected members of the Northeastern University Corporation, President Carl S. Eli announced today.

Four outstanding corporation heads added to the Corporation are Justin W. Dart, president of United Drug, Inc.; George Hansen, president of Chandler & Co.; Harvey P. Hood, president of H. P. Hood & Sons; and William C. Hotchkiss, president of Hotchkiss Company, Boston investment firm. Four others chosen were William H. Collins, general manager of the Quincy Yard, Bethlehem Steel Company; Bernard W. Doyle of Leominster, former vice-president of the DuPont Viscoloid Company, now retired; Robert G. Emerson, vice-president of the First National Bank of Boston; and Charles F. Rittenhouse, senior partner of Charles F. Rittenhouse & Company, certified public accountants.

Mr. Rittenhouse, who lives at 707 Commonwealth avenue, Newton Centre, heads the firm of Charles F. Rittenhouse & Company, 10 Post Office square, Boston. He is trustee of The Brimmer and May School, chairman of the board of The Garland School, and is vice-president and director of Northampton Commercial College, Inc.

### An Open Letter to Mrs. Vera M. Dean

Mrs. Vera M. Dean, Dear Madam: I have with much interest and profit to you your admirable address at Newton Centre on the necessity of world organization. I have no adverse criticism of what you said on that subject. But I beg leave to ask you, as if it were a matter of course, that the present war will continue to complete victory.

War is slaughter and devastation. Evidently if it were universal and continuous, it would be not only the destruction of civilization but also the suicide of the human race. Apologists for living, the instruments of civilization, have been wont to posit unconsciously, first, that the more righteous side will triumph and, second, that this triumph will be achieved early enough to prevent such losses on both sides as will enormously outweigh any possible benefit to either side. History warrants neither promise.

The less righteous side may conquer. And a war may go on till both sides have suffered losses that only centuries can offset. Clearly the question how long a war can reasonably be fought for the sake of military victory is crucial. In a few days it will be three long years since our country entered the war, which began in Europe more than five years ago and in Asia still earlier. Millions of lives have been cut off, and the means of living, the instruments of civilization, have been wrecked to an appalling extent. How many more human beings can rationally be killed for the sake of unconditional surrender? How much longer shall destruction rain from the skies upon the products of human toil and skill?

For what are we fighting now? It was said at the outset that our very existence as a nation was at stake. Later our object was said to be to preserve our way of life. Whichever plausibility, not to say truth, there formerly may have been in these assertions is now gone. Victory for the united nations is certain and has been for months. If the price thereof is paid in further slaughter and devastation. But what is military victory worth? Less than nothing! It will be a disaster, as it was in 1918. Only the peace without victory will be stable, as Woodrow Wilson said at the peak of his wisdom and insight.

The enemy nations know they can not conquer. They want a peace by negotiation. Says the good Pope Pius XII, "The strong can afford to be generous." The common people of every belligerent long for peace. Not all the wrongdoings on one side. In the long run the moral order punishes both sides with approximate equality, which seems to indicate that there is approximately equal transgression on both sides. If our government would lead a peace offensive, so to speak, by insisting that specific terms be substituted for the arrogant demand of unconditional surrender, it appears well nigh certain that the war would be shortened and the prospect of a just and lasting peace would be brightened.

I address you, Mrs. Dean, not only as an expert in international relations but also as a representative of that half of humanity which is, in my opinion, less combative and dominating, more creative and protective, than the other half. I am giving this letter to the Newton Graphic in the hope that it may reach the eyes of many who heard your address. Should you honor me by replying, I am sure the editor will be glad to print your letter.

Sincerely yours,  
HENRY W. PINKHAM,
